

A Remarkable Offer.

For several years a Boston business house has made persons on farms, in towns and the suburbs of cities who keep poultry, few or many, remarkable offers of premiums payable in gold, some as high as fifty dollars to the first and not less than five dollars to any winner of a premium.

The best thing about these annual offers, is that the firm making them is strictly reliable and the premiums have always been promptly paid as agreed in gold coin. Fifty dollar premiums do not "grow on every bush" as the old saying is, and we have no doubt to many who competed for them, the amount received came in handy to help pay the necessary bills of a hard winter, or if not, buy some luxury that the family absolutely needed, but otherwise could not afford.

Another valuable feature of the offers this year is that no one who competes need fail to get something out of the several offers; either in premiums or commissions. Johnson & Co., will send full particulars free to any person who sends them their address on a postal card.

Women's Sense. An old gentleman over seventy came into the city from his farm without his overcoat. The day turned chilly and he was obliged to forego his visit to the fair.
