

Lost flesh lately?
Does your brain tire?
Losing control over your nerves?
Are your muscles becoming exhausted?
You certainly know the remedy. It is nothing new; just the same remedy that has been curing these cases of thinness and paleness for twenty-five years. Scott's Emulsion. The cod-liver oil in it is the food that makes the flesh, and the hypophosphites give tone to the nerves.

FOR THE WOMEN

A Woman's First Duty is at Home.

"A woman who is not strong, and yet has to perform the multifarious duties of house-mother and home-maker, must learn to recognize her limitations or she cannot get through her task with satisfaction to herself or her family," writes Elizabeth Robinson Scovil in the August Ladies' Home Journal. She must learn to economise her strength and not fritter it away in doing unnecessary things, which some one else can do as well, that she may have enough left for the important demands that no one else can satisfy. She must balance the claims of charity, society and her own household, and resolutely refuse to be pushed beyond her powers of endurance. It is hard to shut one's ears to what seems a call of duty, but to the wife and mother home is the first duty, the special field given her to cultivate, and her part may be only to train and support the workers whose business and duty lie outside in the world.

One ripe, red tomato, half a dried haddock, one ounce of genuine butter sufficient rice to border a small dish. Boil the rice in water, and dry but do not harden the grains. Put the tomato and butter into an enameled saucepan, and cook over a gentle heat until the tomato is done. Scald and flake the haddock, carefully remove every bone and piece of skin, add the fish to the butter and tomato, stir in a beaten egg, and let the mixture cook gently until the egg is just set, then pour the whole on a dish bordered with rice, and serve at once.—Ex.

When the Baby has Convulsion.

There is little to be done when a child has convulsions except to put it as quickly as possible into a warm bath. Moisten a tablespoon of dry mustard, rub it smooth, and add it to the water in the bath after the child is in it; do not wait to do it before. The doctor will order one or two teaspoonfuls of syrup of ipecac, until vomiting is produced, if the convulsion has been caused by undigested food. If from nervous irritation, as in teething, five or ten grains of bromide of soda dissolved in water may be given.—August Ladies Home Journal.

The Birth of Vanity.

Mothers are often responsible for the vanity which they may deplore in their daughters. The atmosphere of the home is too largely one of perhaps millinery and mantua-making. The dress of young children is often so exquisite that continual caution is necessary to prevent its injury and play is robbed of spontaneity and activity. A mother who had educated her child-

ren to all these punctilities of dress, said: I regret so much the exquisite wardrobe of my little children. I see now that it hurt their character." The dress of little girls should be as simple and substantial as that of boys. Everything which prevents activity and fosters vanity should be conscientiously avoided. Love of dress is also fostered by the passion for dolls, which is said to be inborn in every right-minded girl. Doll playing is really doll dressing. Every bit of gew-gaw is eagerly sought to bedeck this miniature trivesty of a fine lady. The doll mother is but a prophecy of the child mother. If doll playing is the legitimate occupation of girlhood, we ought to have dolls which do not cultivate a taste for wash waists and the trivialities of fashion.—Philadelphia Times.

Dr. A. W. CHASE
DISCOVERED A NEW TREATMENT FOR NERVOUS DISEASES

In his study of diseases of the nerves, Dr. A. W. Chase found that in nearly every case the cause of trouble was improper nourishment. About one-fifth of all the blood in the human body is found in the brain, and unless this blood is rich and pure the nerves cannot obtain proper nourishment, and become worn out and exhausted. Nervous depression, nervous headache, nervous dyspepsia, loss of sleep and vital force, lack of energy, are symptoms of weak, watery blood and exhausted nerves. It was as a food for blood and nerves that Dr. A. W. Chase's Nerve Food was prepared. Its remarkable success in curing all diseases arising from thin blood and impoverished nerves is proof that Dr. Chase's theory of feeding the nerves and blood is the proper one; stimulants only urge on the tired and worn out nervous system until there comes a complete collapse. Dr. A. W. Chase's Nerve Food creates new brain and nerve cells, and makes the blood pure and rich. It restores to the exhausted nerves the vigor of perfect health. 50c. a large box, at all dealers, or Edmanson, Bates & Co., Toronto.

PERFECTLY SATISFIED.
Listowel Gentleman who writes:
Compliment to Make Reside in
Dodd's Kidney Pills

Listowel, Ont., July 10.—Mr. Thomas Tamblin of the firm of Tamblin and Clime, grocers, was lately a recipient of a communication from a gentleman in Toronto who is gathering statistics as to cures by Dodd's Kidney Pills.

Some three years ago Mr. Tamblin was troubled with a weak back and severe pain in the kidneys. He used Dodd's Kidney Pills and his trouble was removed. The Toronto enquirer asked if the cure had been satisfactory. Mr. Tamblin took the letter and wrote on the bottom in a firm hand, "The cure was quite satisfactory."

Weary of Experimenting
With salves, suppositories and ointments and dreading a surgical operation, scores and hundreds have turned to Dr. A. W. Chase's ointment and found it an absolute cure for piles. The first application brings relief from the terrible itching, and it is very seldom that more than one box is required in effect a permanent cure.

Rheumatism Can't Exist

When the kidneys are kept healthy and vigorous by the use of A. W. Chase's Kidney-Liver Pills. It is Uric Acid left in the blood by defective kidneys that causes rheumatism. Dr. A. W. Chase's Kidney-Liver Pills make the kidneys strong and active in their work of filtering the blood, and this removes the cause of rheumatism. One pill a dose, 25 cents a box.
