Toronto Stocks

By The Canadian Press TORONTO, (CP) — Mining and western oil activity dominated Monday's moderately active stock market session. Canadian Devonian, featured in last week's western oil rise, was in the spotlight again Monday as profit-takers cut it down 50 cents on a 375,000-share volume. Pacific, Great Plains and Federated led with gains ranging to 50 cents. Waite Amulet continued the strong trend begun with the release of its annual report late last week; it added 37 1/2 cents. Hudson Bay, among the forenoon gainers with a 50-cent addition, was down 50 cents at the close. Several juniors, including Cassiar, United Asbestos and Western Tungsten, were unusually strong. Manitowadge-area issues were ignored and juniors were stronger to lead goods to slightly higher ground. East Malartic was featured with a 29-cent gain and Inspiration added 30 cents.

GRAIN

WINNIPEG, (CP) — Prices closed easier and somewhat irregularly on the Winnipeg grain exchange Monday, reflecting hesitation and declines on United States markets due to forecasts of rain in American drought areas. Plan Probe Of Cut-Rate Cigaret Sales by Chains

OTTAWA, (CP) — A study of cut-rate cigarette sales by chain stores will likely be made within the next few months by the restrictive trade practices commission, it was learned Monday. The commission recently received a report from the federal government's combined commission on the subject of "loss leaders" — the practice of selling an item below cost to attract business. It will consider the matter at a forthcoming meeting, reporting its findings to Justice Minister Garrison. The probe into "loss leaders" was recommended by the McQuarrie commission which studied combi-legislation several years ago. That commission took the view that such practices act in restraint of trade and contrary to the public interest. In Montreal this week-end, Premier Duplessis of Quebec told members of the Retail Tobacco Dealers Association he plans to take action on price-cutting of cigarettes by chain stores. The premier said he is studying the matter and will do what he can to put an end to the practice.
