A bloody affair occurred here last night. John D. Weiss attacked with a razor a woman named Irwin with whom he had been living and after badly cutting her about the head and face escaped through a rear entrance of the house. WASHINGTON, August 1.
In anticipation of an early re-opening of North American Fishery question, Mr. Everts will request that an American naval vessel be sent to cruise on inshore fishing grounds of the Dominion. Information of recent date is already obtained to demonstrate extravagance of award of Halifax tribunal. The object of the presence of an American vessel is to secure authoritative information respecting these fisheries as the basis of future negotiations with Great Britain. The position taken by Mr. Everts in his correspondence on the award and in connection with payment of \$5,500,000, was endorsed by the Senate in December last, and a resolution then passed which recommended abrogation of fishery clause of the Treaty of Washington.

MEMPHIS, Aug. 1.
Four more new cases were reported to the Board of Health this afternoon, Rev. Father Haley, assistant pastor of St. Patrick's Catholic Church being one of the number.

HAVANA, Aug. 1.
Recent Haytian advices intimate that a disastrous civil war is about commencing in Hayti. There are numerous pretenders to the Presidency, and everybody is under arms. The whole North is in the hands of Revolutionists, who are marching en masse on Port au Prince. On July 18 the Cape Haytian was in the hands of Revolutionists, and the commander of the Government troops had taken refuge in the Consulate of the United States. Insurgents had captured Haytian coasting steamer "Raynard," with cargo, arms and \$6,000 specie.

King's County Fair and Exhibition.
Pursuant to notice a meeting of the Commissioners appointed by the Government to manage the Exhibition of Agriculture and Local Industry for King's County, was held in the Supreme Court House, Georgetown, on Thursday, the 31st ult., at 1 o'clock, p. m. The following gentlemen were present:—

Hon. D. Gordon, Chairman; Hons. Simon Bolger and John Goff, Archibald J. Macdonald, J. C. Underhay, William Hooper, William A. Poole, John McDougall, James G. Goff, Robert Dewar, Ronald McCormack, John Jamieson, Donald McCormack, Alexander Fraser, Thomas Lawson, Frederick McEwen, and Theophilus Webster, Esquires.

A committee was appointed to prepare a Prize List, viz: Hons. S. Bolger, John Goff; A. J. McDonald and Ronald McCormack, Esqs. After considering the matter fully, Ronald McCormack, Esq., moved, seconded by Frederick McEwen, Esq., that the Prize List of 1875, with certain necessary alterations, be adopted. The motion was unanimously agreed to.

A discussion, relative to the place for holding the Exhibition, followed, and it was resolved that the same be held on the square and in the Drill Shed, Georgetown, on Thursday, the 22nd day of October next.
The Secretary was authorized to have the Prize List printed and circulated in pamphlet form.
After transacting several matters connected with the Fair and Exhibition, the meeting adjourned.

Lieutenant-Governor Haviland.
To the Editor of the Examiner.
Sir,—After a careful enquiry on the subject of the Hon. T. H. Haviland being appointed Lieut. Governor of this Province, I am happy to be able to state altogether and are well pleased that one so well qualified has been chosen; and many are heard to say that such appointment was one of the present Government's wisest and best actions—at least so far as this Island is concerned.

Notwithstanding the depressed times and the general struggling of the people, yet a sincere and a strong desire prevails among our Islanders that the gubernatorial chair should be filled by those who are qualified and capable of doing honor to Her Majesty, themselves and the people, at all times and on all occasions. And at the present moment, just on the eve of the visit of such distinguished guests as the Marquis of Lorne and the Princess Louise to our Island, very many of the people congratulate themselves on the happy fact that our new Lieut. Governor is so well calculated to entertain the Royal visitors in a generous and pleasing manner, and thereby largely contribute to their pleasure amongst us.

I sincerely trust that the General Government will make their appointments throughout in the same wise manner as in the case of our new Governor of Island birth—one of the people and one of our best statesmen, who knows the requirements of our Province, and will naturally be inclined to deliberate in the true interests of "his own, his native land." Should our Dominion Government extend their wisdom to several other departments, and do so at once and wisely, I could predict for them a long lease of power, provided, always, that all other matters were prudently attended to. Such is the opinion of many, as well as of yours, very truly,
ONE OF THE PEOPLE.

Queen's Co., Aug. 1, 1879.

The Artillery Dissatisfied.

To the Editor of the Examiner.
Sir,—I wish through the columns of your paper to direct the attention of the Adjutant General of Militia to the scandalous way in which No. 1 Battery Garrison Artillery is being treated as regards the 2nd Lieutenantship of that Battery. In 1878, when the Company was re-formed, Mr. A. McDougall, then holding the position of 2nd Lieutenant, saw fit to resign. For this position Edward Palmer, a private in that Battery, was proposed and almost unanimously rejected. The Company, in the meantime, had selected Mr. George Scantlebury, then Sergeant Major, to occupy the position left vacant by the resignation of Mr. McDougall. A few weeks ago the Canada "Gazette" comes out with the appointment of Mr. Edward J. Palmer, Jr., as 2nd Lieutenant of No. 1 Battery Garrison Artillery. Mr. Palmer, it appears, through the same unknown influence, received the appointment of 2nd Lieutenant in the Engineer corps of this city; but that Company did not require his services, so he was thrust on No. 1 Artillery against the wishes of all its members. The consequence is that the enraged and insulted Company will not countenance him, and if he persists in thrusting himself upon them, the Company will boister and it has always been customary when a vacancy occurs for the men to name their man, and he is at once appointed. It is very unfair that a man like Mr. Palmer should be shouldered over the heads of good and faithful men, who are the Company's choice, as he is by no means capable of occupying the position.
Yours truly,
Aug. 2, 1879.

One of No. 1.

To the Editor of the Examiner.
DEAR SIR,—Yesterday the writer had some business to transact on the Steam Navigation Co's Wharf, and happening to look over the end of wharf he was surprised to see a number of grown up lads enjoying the luxury of salt water bathing, plunging into the briny element from the timber of some frame or raft employed in wharf repairs. The scene was simply disgraceful, from the fact of the afternoon steamer for Orwell or West River lying in full view with many lady passengers seated on her quarter deck, which projected considerably beyond the end of the wharf. Bathing is commendable; but time and place should be rigidly allotted for the pastime.

MR. CORBIN AND THE JEWS.—Mr. Corbin's attack on the Jews of New York, and their ostracism from Manhattan Beach, has created considerable excitement among the Jews of that city. The subject was discussed in several of the Synagogues on Sunday last, and was treated as an outcome of that intolerant religious fanaticism from which the Israelite nation has suffered so much in past ages. The press generally condemns Mr. Corbin's crusade, stating that it is ridiculous and quite uncalculated. The subject was referred to in many of the Christian pulpits also, and the earnest protests against the insults offered the Jewish people uttered.
