Meet Mike Kelly

THAT was indeed quite a pitching performance by young Mike Kelly in Sunday afternoon.

The youngster who hails from Morell and plays ball with Charlotte's Canadian Legion Juniors was Charlie Ryan's choice to pitch the opening game of the juvenile provincial playoffs. Mike surely made Charlie look good when he threw a nearly one-hitter at the westeners and finished the contest on the right end of a 9-1 score.

In the strikeout department, Kelly was equally as sensational. Mike got 20 Summerville boys on strikes as he had them swinging crazily at the apple all afternoon.

These teams remain their best-of-five final this afternoon at Memorial Field and it surely would be nice to see a bumper crowd on hand for the engagement. Summerville must win twice this afternoon if they are to take the juvenile crown. One victory for the Ryanians today and the crown is theirs. It's not likely that Kelly will see action today but Char has at least two more hurlers in camp that have much better-than-average mound ability. The westeners have a big job on their hands today but they're coming to Memorial Field with no thoughts of conceding anything.

Play Fine Baseball

THESE youngsters play a nifty brand of baseball and fans should add themselves to the opportunity to watch them in action today. Ryan will pitch either Carl McQuibbin or Willie Weatherbee in the first game, the one that Charlie Kelly will close out the affair. Both these hurlers have plenty of hurling technique and the visitors should find either one quite bothersome.

Charlie Kelly will be back in action Sunday but this time with the Morell team which plays Mount Stewart in the King's County Baseball League. Mike is quite a hero in this King's County village and no opponent will have an easy time with this young Irishman on the mound.

What about Mike doing on the coming weekend? By the way, Mr. Kelly pounded out a double in that Thursday game at Summerville.

Great Island Athletes

IT WAS a great play that rain came last Saturday when the big Mad track and field team was to have a technical meeting. Dave Bowell and his assistants had lined up what was probably one of the greatest arrays of athletic talent seen in the province for many years. The weather had been a tremendous success if the weatherman had decided to give fine weather.

However the rains descended and the athletes were not heard enough to make the competitors aware from Memorial Field. They stayed right there and finished the annual meet. They not only had the show provincial record during the morning and afternoon.

Naturally Dave and his workers were disappointed because of the rain. However, the athletes are doing very well for a great effort. Island athletes are on the move as evidenced by the Islanders club finishing on top that day.

There are three teams in the track and field stars and they may indeed be some of the best in the province. The Islanders are once again a power to be reckoned with in track and field matters. You'll hear plenty more from them in the years ahead.

Chance For Giants

SAN FRANCISCO Giants could do St. Louis Cardinals a lot of good in the next couple of days.

The Giants are all but out of the National League pennant race as they can help the Cards' cause by sweeping this three-game series with the Dodgers. The Dodgers need three out of four from Al Dark's men last week and we're sure the Giants would love to repay the compliment. The Cards are in Pittsburgh and the Dodgers are in St. Louis. The Islanders are expected to trouble at Forbes Field.

The Islanders still far from over and Cardinals, under Johnny Keane, are giving everybody they have to cause another upset. They meet the Dodgers in St. Louis on September 16, 17 and 18. If things are still close, the series could decide the pennant winner.

Souris Ball Teams Have Very Successful Season

BY ED CLINTON

I received forty-six. Later another fifteen cards were delivered. Still too few. When the chance came to sign a certain player for the season, I was in the history of Souris. Last year was the best with one team winning an Island title and two other teams advancing as far as semifinals. This year four teams are entered in Island playdowns, and all four teams are still in the running for Island championships.

The Legion Little Leaguers are tied with Montague at a game apiece in the best of three series for the Island "B" title. The Marauders, defending Island Little League champions, are leading the Island "B" finals. Another team, the Crested Islanders, are leading the Island "A" game to none in the Island "A" title. The four teams, the Legion Juniors are leading the Vernon River team to none in the Island semifinals.

Two of these rounds will decide the fate for each team this coming weekend, and the other two rounds could declare winners. The Little Leaguers are in Montague on Saturday at 1:00 p.m. and the winner will be Island champion. Immediately following this game, the Marauders play Montague, and should they win the title, they are also Islanders. If they lose, they will be playing in Section 2.

On Saturday morning, at the unkind hour of 9:30 a.m., the Legion Juniors play in Mt. Stewart at 9:30 a.m. Vernon River should they win, they will advance to the Island finals against either Charlevoix or Summerville. If they lose, a third game will be played in Mt. Stewart next week. On Sunday afternoon, beginning at 1 p.m., the second, and, if necessary, third game of the Island "B" final gets played between Souris and Tracadie will be played.

Souris Legion Juniors' victory over Vernon River last Saturday was their second win over that team. They won the first game seven to six, but the second game was a tie. The team and the protest was upheld. And this time the team is the Islanders. The A.U.C. in this matter.

Souris registered four teams in Island playdowns and requested seventy-two player cards.

Ball Galore On Weekend

Memorial Field has plenty of baseball this weekend.

The Intermediates will be playing Sunday's first game.

Sunday afternoon things get started at 1:30 p.m. Today Charlevoix Juniors will host the Sun also at 1:30 p.m. The game will start promptly at 2 o'clock. The game in Summerville starts at 3:30.

last three games. And two possibly three—injured B.C. could be TIED.

Stamperes have 10 points in the standings with a 1-0 win-loss record, and are led by Lions, who have eight points at 4-1. Saskatchewan is looked upon as the favorite to include with the life Winnipeg Blue Bombers on six points at 3-3.

It could take three days for themselves. But they cannot lose position to the Eskimos who boast a single victory in five games.

Maundlin, cast off by Toronto Argonauts, took his first start with Edmonton in a 13-11 Labour Day loss at Calgary, and he was the most impressive caddy on the back on the field. Marches King, a Canadian import, Edmonton 10 of its 11 points.

Cosch Eagle Keys has not definitely whether he should go. Coach Maundlin, go with the experience of Canadian veteran Don Getty, or try Ken Miller, a Los Angeles Rams vet.

Another new player in camp from Toronto is Andrew Line, six-foot-seven and who may be called in for punting chores.

PURDIN STAYS HOME

Purdin, an import halfback who keyed the Saskatchewan attack last year, has had a rib injury and a lack-lustre season. He stayed home in favor of a backfield expected to include Ron Leane's star at quarter, Bill Gray at halfback, Jim Copeland, a Canadian import, and Dan Bob at fullback. Jim Copeland, a Canadian import, is being kept as a blocker, takes the flanker spot.

At Vancouver's Empire Stadium the Lions' defensive line will be missing tackle Mike Crooke and Mike Martin, and the sensational Canadian rookie Paul Seale is doubtful as snapper. Crooke has a knee problem, Martin and Seale back injuries.

Offensively, coach Dave Skrien must make a decision about Tom Larchfield, the sophomore halfback who came off the 30-day injured list Friday.

Racing Program Looks Attractive

Eight great looking dashes are lined up for harness racing fans at Charlottetown Driving Park tonight.

The program is one of the most attractive the C.D.V. has presented in weeks and Saturday night patrons should have a great time of it.

The feature class finds five outstanding pacers set for a terrific battle. Sky Prince has the rail in the first mile and Cyril Smith will try to have it again in the second trip. This will of course depend on whether Sky Prince can hold the field in that first trip of the feature. The four pacers going against Sky Prince are Slippy Queen, Simcoe's Magic, Ellen C and Duration. If this doesn't prove to be one of the best battles for a long time, then a lot of folks will be greatly disappointed.

Races three and seven at a look mighty interesting. These dashes have just Gary Sany King, Mr. Dungan, Bobby Brooke, Ellen Joyce and Jolly o'clock.
