FARMER'S WIFE REGAINS HEALTH

Gives Credit to Lydia E. Pinkham's Vegetable Compound

Fork River, Manitoba.—"I saw in the newspapers where Lydia E. Pinkham's Vegetable Compound was doing so much good to women, and as I needed something I began to take it. I used to be very sick but I am not now. I live on a farm in the homestead district and we have to do all our own work. I tell all the women I see what Lydia E. Pinkham's Vegetable Compound does for me. I think it saves me from going to a doctor and is the best medicine women can take."—Mrs. WM. COULTAS, Fork River, Manitoba.

Lydia E. Pinkham's Vegetable Compound is a preparation for the ailments peculiar to women. It is prepared from medicinal plants, with care and accuracy. It can be taken by women of any age.

Women make a serious mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties.

Such symptoms as pains and irregularities, all gone feelings, backache, headache, hot flashes, nervousness, with a general run-down condition, indicate some form of female trouble.

The Vegetable Compound has brought relief to thousands of women suffering from such ailments. Let it help you.
