MOFFAT'S

VEGETABLE LIFE PILLS AND PHENIX BITTERS

THESE superlative Family Medicines have long since acquired an established reputation for direct and invariable efficacy in all the prevalent and ordinary diseases, as well as in many others of a peculiar and aggravated character. Their virtues are proved by the voluntary testimonials of the persons they have cured, and who accompany their certificates with their names and places of residence. These certificates now amount to thousands, being hundreds to each particular kind of disease. They embrace the most frightful and inveterate cases of Scrofula, Piles, Dyspepsia, Jaundice, Bilious and Liver affections, acute and chronic Rheumatism, Asthma, Bronchitis, Scrophulous as well as Mucous Consumption, habitual Costiveness, Worms, Stomach and Bowel complaints of all kinds, headache, giddiness and nervous debility, eruptive diseases, and the clouded, sallow, unhealthy appearance of the skin, arising from various causes of ill health, Fever and Ague of every variety, settled pains in the side, back, organs and limbs, humors, ulcers, foul breath and inward fever, night sweats, and general weakness and loss of appetite, the mumps, swollen face and eyes, affections of the bladder, kidney, spleen and pleura, and the sickness incidental to females, together with very many other maladies which cannot be here enumerated. The certificates of cure in all these diseases are immense in number, and clear, direct and explicit in description, and coming as they do, in every case, from the persons cured, they are indisputable and conclusive in authority. These inestimable medicines should therefore be kept by every family and grown person in the Union, as they will be found to be not only the best remedies for disease, but also its most certain preventatives, and the surest renovators of sound, cheerful and elastic health. They are singularly mild and agreeable in their operation, and though perfectly effectual, never occasion even the temporary prostration and nausea which always follow the use of coarse drastic purges and the use of calomel. Prepared wholesale and retail by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—NEW YORK, May 30.

COOPER & BREMNER.

These valuable Medicines may also be had on application to Mr. George Farley, Searlestown, Belceque; Mr. George Wigginton, Crapaud; and Mr. Edward Henry, Lot 18. Charlottetown, August 12, 1842.

NOTICE.—The London "ALLIANCE LIFE AND FIRE INSURANCE COMPANY" still continue to issue Policies upon Life and against Fire, at extremely moderate rates of premium. Persons assuring at this office for five years in succession, participate in the profits of the Company. In case of loss, the Subscriber is empowered to settle and pay the same, without reference to the Board of Directors in London, unless under very special circumstances. This being the most dangerous season of the year, and one in which Fires are most likely to occur, the Subscriber would call upon all those who have property at stake, and who have not already availed themselves of the advantages conferred by insuring in the Alliance Company, to seize upon the opportunity thus afforded them, to obtain policies upon their property, and thus seek PROTECTION, not only from carelessness domestics, but also from improvident neighbours. If a man were only aware of the serenity of mind that ensued, upon his premises being insured against Fire, he would not be long ere he fully enjoyed it.

He can at once obtain it, by making application at the Office of the Subscriber daily, between 9 o'clock, A. M., and 5 o'clock, P. M.—Sundays excepted.

CHARLES YOUNG, Agent.

Charlottetown, Nov. 29, 1842.

THE AMERICAN FAMILY MEDICINE.

THAT MR. MOFFAT'S Life Pills and Phenix Bitters

have long since obtained the high and enviable distinction and a host of competitors, and that they acquired it solely by their invariable and almost unlimited efficacy, without the usual aid of fulsome puffery and pretensions, are well known to the public, and cannot be denied.—While very little has been said concerning these astonishing Life Medicines by the proprietor himself, and not more than was necessary to call the attention of the afflicted to a sure and speedy means of relief, their renown has rapidly flown from one individual to another, and from family to family, until they have long since become known in almost every town and village in the Union, as a wonderful and inestimable blessing. Voluntary and unsolicited testimonials of their absolutely astonishing efficacy, in diseases of the most dreadful and obstinate character, as well as in others of prevalent and ordinary occurrence, have been received by the proprietor from the persons they have cured from every section of the country, and still continue to be received in increasing numbers. It is with pride and pleasure that the proprietor refers the public to his "MEDICAL MANUAL," where a widely various selection of these testimonials is published, with the names and residence of the writers, because he has no hesitation in saying that the annals of Medical Science do not contain a greater number of variety of cures effected by any medicine known to the profession, or cures of a more frightful kind or longer standing, coming as these testimonials do from the cured persons themselves, who certainly know best, from their own happy experience, whether they are cured or not. The evidence they afford of the pre-eminent and unprecedented efficacy of these grand remedies is perfectly irresistible, and commands rather than solicits the respect of the public. In addition to those already published, the proprietor is in possession of a vast accumulation of these personal certificates, demonstrating that his Life Pills and Phenix Bitters are promptly and uniformly efficacious in Scrophulous in all its hydra-headed forms. Dyspepsia whether chronic or occasional, Rheumatism both acute and chronic, Jaundice and bilious and liver complaints, however distressing or complicated, Fever and Ague in all their varieties, and when quinine and all other species fail; Habitual Costiveness, (especially when the Life Pills are used as dinner pills, immediately before or after that meal) Piles even in cases of thirty years standing, Dropsy, Gout and settled pains in the breast, back, or organs, disease of the bladder and kidneys, bilis, tumours, and ulcers, Erysipelas, and all other eruptive diseases; Pleurisy, Asthma, Bronchitis, and other affections of the chest, lungs and mucous membrane; pimples, stasis of the skin, and the foul unhealthy appearance of the complexion, arising from whatever cause, nervous or general debility, headaches, and giddiness, together with a vast variety of other maladies, in proof of the speedy and effectual cure of which by these medicines alone, the proprietor has hundreds, nay thousands of certified testimonials. Both the Pills and Bitters are mild and delightful in their operation, producing none of even the temporary prostrations and nausea occasioned by nearly all other medicines, and they can be administered with safety to young children, and females in the most delicate health. Prepared and sold by Dr. Wm. B. Moffat, 375 Broadway, New York. For sale also by the agents.—NEW YORK, May 30.
