Charlottetown, 20th July, 1854.

Sir;

Having ascertained, on the return of Mr. Haviland and myself from Quebec, that the result of the late General Election had proved unfavorable to the existing government, I availed myself of the earliest opportunity to consult my colleagues on the propriety of relieving your Excellency from any embarrassment which might arise from our continuance in office, and it was unanimously deemed advisable at once to tender for your Excellency's acceptance, the resignation of the position which we have the honor to occupy as your Excellency's confidential advisers.

I therefore, on behalf of my colleagues and myself, respectfully beg leave to request that your Excellency will be pleased to consider that we continue to hold office no longer, than in your, Excellency's opinion, the interests of the Colony may require us to do so.

In concluding this communication, my colleagues are desirous that I should convey to your Excellency the expression of the grateful sense they entertain of your kindness and urbanity during the brief period of their official and confidential intercourse with your Excellency.

In these sentiments I most fully and cordially concur, and have the honor to be,

Your Excellency's most obedient humble servant,
JOHN M. HOLL,
President Executive Council.

To His Excellency DOMINICK DALY, Esq., Lieut. Governor, &c.

(Copy) Government House, 26th July, 1854.

My dear Sir:

The period has arrived when it becomes my duty to accept the resignation of the Members of the Executive Council, which you, as President, have tendered to me, and to take immediate measures for the appointment of your successors.

I cannot, however, permit the termination of my official relations with you and those gentlemen to be effected, without expressing to you and them, my unqualified approbation of the manner in which you have acted in relation to all the matters that I have had occasion to bring under your consideration, as well as my thanks for your disinterested and considerate conduct towards myself personally.

I remain, my dear Sir, faithfully yours,
D. DALY, Lieut. Governor.

Hon. J. M. Holl, &c., &c., &c.

PROCLAMATION

TO THE

Good People of P. E. I.

PROBABLY there is not a family in your Province but what some members of it are more or less afflicted by Humours or Chronic Affections. As a remedy for these various complaints, there are numerous preparations brought into the market, but all of them of little or no good. But there is a discovery which has recently been made in chemical analysis that is wonderful in its operation. It has been long enough tried and we have proof sufficient to satisfy —all from men holding the highest offices the people of the United States can give—that the medicine will do just what it is recommended. It is DOCTOR HAMPTON'S VEGETABLE TINCTURE. The medicine is compounded from the Vegetable Kingdom and may be used by any person without injurious consequences. By a wise choice and combination of some of the best of each class of co-operative, simple remedies, it fully reaches all the essential organs of the human system and there it has proved itself so effectually curative of the WHOLE ROUND of chronic affections.

The Farm Buildings are sufficient for all purposes, on a well conducted system of Agriculture, and contain an effective Threshing Machine. The Land is chiefly fenced with Posts and Rails, and is so well circumstanced with water, as to admit of it being all used in Pasture, if desired, although the most of it is high lying ground.

To a practical Agriculturist, the above Property would now furnish the means of obtaining a livelihood, as considerable sums have been expended to make it productive, while to others, should Property in the neighbourhood of Charlottetown, increase in value, it would prove a profitable investment of money, For terms or farther particulars, apply to the owner, the REV. C. LLOYD, Milton, by Post, or on the Premises.
