Eliminations in Public Speaking Contest Under Way

Eliminations in the Provincial public speaking contest got under way on Thursday evening, Sept. 7 at Souris, with only three contestants on hand. These three were placed as follows: Miss Catherine Harris of East Point (first), Miss Lucille Wood of Farmington (second), and Mr. Harold Gallant of Bear River (third). Not enough contestants were present at Richmond the same evening for competition, and this contest was cancelled. For August was the scene for the contest on Friday but this event was postponed until tomorrow evening. Elimination contests are scheduled to be held at two centres in Kings County, and three in Queens and in Prince. County finals are to be held the latter part of this week with six speakers competing in each, and the winner and runner-up for each county will meet in the Provincial final which will be held in the Vocational School in Charlottetown on Friday, Sept. 22.

The competition is being sponsored by the Provincial Department of Agriculture in co-operation with the Provincial Women's Institute, and the winner and runner-up will represent the Province at the Maritime Winter Fair at Amherst in November.

Competing in the contest are members of Junior Boys and Girls Club, Junior Farmers groups and Girls Sewing Clubs. Another of the elimination contests will be held in Pownal this evening.

At the Public Speaking Contest held at Souris on Thursday night, September 7th, only three contestants were on hand but each did a fine job and the placings were very close. Miss Catherine Harris of East Point, representing the Junior Farmers of that area, was judged first, while Miss Lucille Wood of Farmington was second, with Harold Gallant of Bear River Junior Farmers coming a close third.

The judges for the evening were Mr. Wilfrid Joseph, Mr. Herbert, who acted as chairman of the judges, and Messrs. Melvin McQuaid and Frank Sterns of Souris. All three judges commented on the programme, stressing the value of such a contest and the importance of being able to express one's ideas clearly in public. They also gave the speakers some very valuable constructive criticism which was appreciated very much by all those present. Rev. Mr. Corkum also gave the speakers some valuable hints and stressed practice as important in the development of one's public speaking ability.

Record-Breaking Exhibition Closes

TORONTO, Sept. 10. — (CP) — A spectacular fireworks display Saturday night marked the end of the record-breaking 1950 Canadian National Exhibition. From the time the gates swung open Aug. 25 until they closed Saturday, the world's largest annual exhibition lured 2,723,000 visitors through the turnstiles, eclipsing by 73,000 the previous total attendance record of 2,650,000 set last year.

C. N. E. president R. C. Berkinshaw in a brief address officially closing the fair, said it had been the "biggest and best" show in the 17-year history of the exhibition.

Mr. Drew said the bill went too far and gave the Government power over every aspect of personal life in Canada. He wanted the powers it was seeking were not nearly so wide as those contained in the War Measures Act. He claimed that there was no invasion of Provincial rights.

Justice Minister Garson said the Government could have invoked the War Measures Act of 1914 and taken the powers by order-in-council. But it did not do that, and the powers it was seeking were not nearly so wide as those contained in the War Measures Act. He claimed that there was no invasion of Provincial rights.

At Smith (PC-Calgary West) charged that the Government bill seeking power to control and allocate strategic materials such as steel "is not worth the paper it is written on." He said it invaded Provincial rights and the only way the Government could rightly claim such powers was to declare an emergency. The Government had not done that.

King - Acorn Wedding

A very pretty wedding was solemnized in All Saints Church, Cardigan, Wednesday morning, when Mary Christina, daughter of Mr. and Mrs. Seymour Acorn, Montague, became the bride of Charles Albert King, son of Mr. and Mrs. Albert King, Burnt Point. Rev. Harold Crcken officiated. The wedding music was played by Mrs. Earl MacDonald, and the Girls Choir sang several appropriate selections.

The bride looked charming in a pearl grey gabardine suit with blue accessories and carried a bouquet of rust and yellow mums. The matron of honour, Mrs. Henry Perry, sister of the groom, wore a blue gabardine suit with black accessories, and carried a bouquet of pink and white snapdragons.

The bride's mother chose a dress of wine taffeta with wine accessories, and wore a corsage of white carnations. The groom's mother wore a black crepe dress with grey accessories, and a corsage of red carnations.

Mr. Henry Perry was his brother-in-law's best man. Following the ceremony a wedding breakfast was served at the home of Mr. and Mrs. Albert King for fifty guests. The bride's table was centered with a beautifully decorated wedding cake which was cut by the bride and groom in the traditional manner. Assisting in serving were Mrs. Henry Martell, Miss Katherine Martell, and Miss J. Hemphill. In the evening a large number of young and relatives serenaded the friends and the remainder of the evening was spent in dancing.

Mr. and Mrs. King are visiting in Georgetown for the present, but will soon leave for Ontario where they will reside. Their many friends wish the newlyweds many years of happy wedded bliss.

Emergency Call For Crew From Queen Charlotte

An emergency call for a search party received by H.M.C.S. "Queen Charlotte" last evening was responded to in record time. Twenty minutes after the call was received, a crew had been mustered and was ready, under the command of Captain J.J. Connolly to cast off in one of the harbour craft.

Just as they were to leave, another phone call was received stating that the missing boat had arrived at Southport safely. The emergency call arose from the concern of the families of the missing parties, when the small craft which had been expected in the afternoon had not arrived at ten o'clock.

There were seven in the party which had put off for St. Peter's Island in the morning, and the delay in returning was due to engine trouble.

The boat which was being made ready by the search party from the Naval Barracks was carrying heavy jackets and warm blankets in case of an accident to the missing boat.

To Visit P.E.I. In Trans-Canada Tour

OTTAWA, Sept. 9. — (CP) — The March of Diapers is about to begin.

Dr. Lotia Hitchensmanova, dynamic little ditcher of the dynamic little ditcher committee of Canada, is due to leave shortly for Prince Edward Island, first stop in another of her many trans-Canada speaking tours, to see what she can do about the situation of Europe's children.

This time she hopes to raise \$25,000 to be spent on food, medical supplies, clothing — and flannel-ette, she said, "enough for 12,000 diapers."

"A march of diapers—that's it." So many diapers are needed that the customary dozen sent in Canadian layettes has been split in half in the villages which are even worse off than the big centres mothers have been permitted only three.

Talk turned to her recent trip to Europe and her favorite subject, the children who have been helped by the U. S. C. Evidence of their anxiety to learn more about Canada and its people is packed into Dr. Hitchensmanova's small office.

There's a huge scrap-book about Canada, fashioned by 12-year-olds in a school in France. It includes carefully colored crests of nine Canadian Provinces.

Conservatives Elect Officers For 1st Queen's

Mr. Frank Myers, of Crapaud, was elected president of the Progressive Conservative Association for the First District of Queen's at a well attended meeting held on Friday evening at Bradabanc. Other officers elected were: Vice-president, Cedric Simpson, Hope River; Secretary, Neil MacDougald, Argyle Shore.

Two members to represent the district on the County executive were appointed in the persons of Messrs. Wilfred McAleer, Hope River, and Lester McNevin, Argyle Shore. Mr. McAleer will also serve of the Provincial executive.

Mrs. Frank Myers and Mrs. Wilfred McAleer were appointed to attend a meeting to be held in October for the purpose of organizing a Provincial women's association. Each district is being requested to send two women representatives.

Mr. Arthur Stewart, Sea View, presided at Friday's meeting, which was the first to be held for the organization of district associations under the new constitution adopted at the recent Provincial convention.

The meeting was addressed by Mr. R. R. Bell, Provincial leader, Mrs. Sutherland, Mr. Walter G. MacKenzie and Mr. Gerald Foster.

Mayor Sends Congratulations

His Worship Mayor B. Earle MacDonald through the co-operation of Mr. Robert MacLean, Elm Avenue road "ham" operator of station VEIPCO sent congratulations to Mayor Glassey of Truro yesterday on the seventy-fifth anniversary of that town. The Mayors of Fredericton, Moncton, Yarmouth and Sydney also sent personal congratulations over "ham" stations.

The messages were received and acknowledged by Mayor Glassey over "ham" station VEINZ at Truro. The mayors of Saint John and Halifax also sent congratulations in this manner last night.

This novel way of sending messages was arranged by the Truro Radio Amateur Club. On Tuesday, at the ball park in Truro a portable radio amateur station will be set up and the part that such stations can play in sending messages and providing communication in an emergency will be demonstrated.

The speeches of all the mayors will be relayed to the crowd at the ball park and also on a Truro radio broadcast at 9:15 Wednesday evening.

Heads Division Of Mental Hygiene

Among the appointments announced last week by the Executive Council was that of Dr. Brian J. O'Meara as head of the Division of Mental Hygiene, Department of Health and Welfare.

Dr. O'Meara has been in the City approximately a month and is being assisted by dental hygienists Annabel Allen, Summerside; Thelma Reid, Montague; Hazel Roland, Summerside, and Dorothy Gallant, Summerside.

Before coming to this Province, Dr. O'Meara was with the Halton County Health Unit, Halton, Ontario. Born at Wolverhampton, England, he was educated at the University of Birmingham, and while engaged in private practice occupied a position on the teaching staff of Birmingham Dental School. He enlisted in the Royal Navy during the last war, and upon demobilization worked with UNRRA and served in China until coming to Canada in 1947. Dr. O'Meara studied at the University

"We need five miles of flannel-ette," she said, "enough for 12,000 diapers."

First Drive-In Bank In Montreal

Montreal's first drive-in bank to be erected shortly by the Bank of Montreal—pioneer in this new type of banking service. Situated on Decarie Blvd., one of the nation's busiest thoroughfares—at the corner of Cote Ste. Catherine Road, this ultra-modern branch will serve the residents of one of Canada's fastest-growing suburban areas. Cashing cheques, or making deposits, will be a simple, speedy

matter for customers, when this up-to-the-minute, drive-in bank is completed. A broad, sweeping driveway will carry them up to the special drive-in, bullet-proof wicket at the corner of the building, where they can complete their business in a few seconds, without having to leave their cars.

A second feature of this branch, likewise designed to serve busy bank customers — those who have more lengthy business to transact inside—is the spacious parking lot at the rear of the bank. The remainder of the grounds will be attractively landscaped, to blend with their surroundings.

This is the second drive-in branch to be opened by the Bank of Montreal. The first began operation last June in Vancouver—the first bank of its kind in Canada.

Select Site For Plowing Match

The farm of Messrs. Alex and Robert MacRae, Waterside, a short distance from Pownal will be the site of the Queen's County Plowing match on October 4th this year. It was decided at a meeting in Pownal Hall Friday night at which farmers from nearby districts organized themselves into the Queen's County Plowing Match Association.

President of the Association is Mr. Elliott Robertson and secretary is Mr. Harold Smith. Lands, refreshment and sport and prize list committees were appointed. It is expected that tractor entries will predominate in the plowing competitions.

His many friends wish him every success in his new venture and are gratified to know that he is devoting his life to help his fellow man in the ranks of the Salvation Army.

Local Man Leaves For Salvation Army College

Mr. Otis Ford, resident of this city, leaves Charlottetown this morning en route to Toronto where he will enter the Salvation Army Training College for the purpose of studying to become a Salvation Army Officer.

Mr. Ford has worked for a number of years as a clerk in Moore and MacLeod's and for the last four years has been a faithful member of the local Salvation Army Corps. Besides playing in the band he has been active in young peoples work and will be missed very much.
