HOLLOWAY'S PILLS.

WHY ARE DISEASES SO FATAL IN TROPICAL CLIMATES? Merely because we prescribe for their effect, instead of their cause and try to relieve symptom instead of striking at their root. The action of these Pills is precisely the reverse. They expel from the secretory organs and the circulation the morbid matter which produces inflammation, pain, fever, debility and physical decay; and the basis of disease being removed, its manifestations vanish. While ordinary remedies only afford a temporary respite to the sufferer, whereas these Pills annihilate the disorder.

ILL HEALTH IN HOT COUNTRIES. Frequently arises from nervous disorders affecting the action of the heart and deranging the whole animal economy; these fine Pills will restore the nervous system, however deranged, and bring back health and spirits when all other medicine failed.

DROPSICAL SWELLINGS AND TURN OF LIFE. This is a most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedies for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

STOMACH AND LIVER COMPLAINTS. These are the complaints of the million, particularly those in warm countries; few escape them; and if neglected, they lead to innumerable dangerous maladies. But why neglect them when Holloway's Pills will eradicate them, as certainly as water extinguishes fire? They relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time. They are admitted by virtue of special decrees into the dominions of despotism, and thus have become the great household remedy.

DYSENTERY AND BOWEL COMPLAINTS. These famous Pills should be taken once or twice a week by all classes in this part of the world, by which means, none need fear the attacks of these dreadful scourges.

A WORD TO FEMALES. The local debility and irregularities which are the special annoyance of the weaker sex; and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases:—Ague, Dysentery, Liver complaints, Bilious Complaints, Female Irregularities, Dropsy, Constipation of the Bowels, Head-ache, Indigestion, Inflammation, Jaundice, Erysipelas, Lumbago, Gout, Rheumatism, Retention of Urine, Scrofula, or King's Evil, Sore Throat, Stone and Gravel, Secondary Symp., Leucorrhoea, Uterine Disorders, Venereal Affections, Worms of all kinds, Weakness, from whatever cause, &c., &c.

CAUTION.—Beware of a Counterfeit signed A. B. MOORE. All genuine have the name of A. J. WHITE & Co. on each box. Also the signature of A. J. WHITE & Co. All others are spurious. A. J. WHITE & Co. Sole Proprietors, 50 Leonard Street, New York.

THIS philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid. When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; this causes all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to begin a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountains of the State of New York, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Scurdifer which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is a soothing manner, performs its duty by throwing off bile, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out beautifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood: the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanses the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will cleanse and purify, that disease—the deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

R. R. R. HEALTH will, in all cases, follow the use of Radway's R. R. Remedy. There are none so sick or diseased, so weak, feeble, or crippled with pain or infirmities, but that Radway's Ready Relief, Restoring Resolvent, or Regulators, as the nature of the disease or sickness may require, will quickly and rapidly cure. These remedies consist of Radway's Ready Relief; Radway's Restoring Resolvent; Radway's Regulators. Each of these remedies possesses special curative powers over certain diseases. Yet there are other diseases wherein their combined medicinal properties are required; and when thus used, if there is sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.

Many diseases that afflict humanity are inherited as heir-looms from the diseased bodies of sickly sires—Scrofula, Consumption, Syphilis and Fits, are among the most common of constitutional diseases. Now, we care not how many generations the seeds of these diseases may have been established in the system, corrupting the blood—Radway's Restoring Resolvent will eradicate from the bodies of the afflicted every particle of diseased deposits, and fill the veins with new, pure and healthy blood.

Radway's Restoring Resolvent should be hailed as a blessing by every mother throughout the land, whose infants are afflicted with Sores, Humors, &c. These breakings out (thus early) are evidences of disease transmitted from the parent stock. A few doses of the Restoring Resolvent will eradicate every vestige of the disease and insure the child a sound and healthy body.
