A TRIBUTE TO THE NATION'S TOP ECONOMIST

MOTHER

WHO PLANS AND OPERATES ON A BALANCED BUDGET

Each week we help her with the finest in foods at lowest prices possible

Maybe Mother doesn't have billions to work with... but she sticks to her budget. Oh... she'll overspend when she sees an extra good special, but that's just good economy, and before a week or two have passed she's back operating normal again. When it comes to managing, we'll bet on MOTHER every time. Here's how she'll save on food this week.
