Appointment Of Premier
To Senate Recommended
By West Prince Liberals

In a resolution passed at the
recent annual meeting in O'Leary
of the West Prince Liberal Asso-
ciation, the County representative
in the House of Commons, Mr.
J. Watson MacNaught, was re-
quested to "submit and recom-
mend" to Prime Minister St.
Laurent the appointment of Pre-
mier J. Walter Jones to the vac-
ancy in the Senate created by
the death of Hon. John E. Sin-
clair.

In the event of Premier Jones
not desiring to have his name
submitted, the resolution asked
that Mr. MacNaught "submit and
recommend" for said vacancy the
name of a resident of Prince
County, said County now being
without representation in the Sen-
ate of Canada.

It was resolved that a copy of
this resolution be submitted forth-
with to the Prime Minister, to-
gether with a letter signed by
the president and secretary of the
Association, emphasizing the
wishes of the meeting.

Veterans' Appointments
In another resolution, the meet-
ing favoured the appointment of
war veterans to office instead of
civilians "when all conditions are
equal as to ability, finances, etc."

Where the question of an ap-
pointment between a veteran and
a civilian arises, the resolution
states that the latter should "have
a right to a hearing before the head
of the Department and an impar-
tial board or commission," said
commission to consist of five mem-
bers serving without remuneration
but with expenses paid by the
Department, and to include a rep-
resentative of the Canadian Leg-
ion.
