Fire.—We regret to report that Mr. Charles Farquharson, of Lot 48, lost his dwelling Wednesday afternoon by fire. The cause is said to have been from the chimney and although the house was completely destroyed a greater part of the furniture etc., was saved. Owing to the failing of the well it was impossible to save the house. Mr. Farquharson's loss is quite serious. The insurance is about $500.—Patriot.

A Bad Accident.—Very many persons in Charlottetown will hear with regret that Mr. David Watson, jr., the popular representative of Kerry, Watson & Co, Montreal, met with a bad accident at Fredericton, N. B., on Wednesday evening. According to a despatch Mr. Watson was riding down Queen street late in the evening rather fast when he collided with a truck wagon and was forcibly thrown from his wheel. Picking himself up he remounted and rode to Dr. McLearn's office, where he was informed that he had broken his collar bone and dislocated a shoulder. Mr. Watson is now doing as well as can be expected.

Baseball.—A match game of baseball between teams representing Charlottetown and Pisquid, for the championship of the province, will be played on Victoria Park to-morrow afternoon, beginning at half-past two o'clock. The Charlottetown team will be made up as follows:—

W. Flood, pitcher.
J. Callaghan, 1st base.
F. Coombs, 2nd base.
J. Gormley, 3rd base.
B. McQuillan, short stop.
P. Duffy; left field.
T. Howatt, right field.
J. Trainor, centre field.

An interesting game may be expected.

Cheese.—The Montreal Gazette, of Wednesday, to hand, reports that cheese prices continue merrily upward in the country, Belleville distinguishing itself by an advance of ½c on last week to day. The public cable in colored also advanced sixpence. Demand on spot was of a quiet, steady character, but the majority of buyers were not disposed to concede any higher prices. They were strengthened in this position by receipts which came forward to-day from different sections of this Province, which were available at 7½c to 7¾c, at which basis business was done in Quebec makes to-day. In finest Western no actual spot transactions were noted, but it is claimed that business was doing over the cable at cost, or 7¾c, with a possible commission. The problem is to make out what this commission is.

We learn that the Vernon River Cheese factory sold yesterday 300 boxes of its June make, delivered at the factory, for 7½c.

Damage by Lightning.—Returns from the thunder and lightning storm of Wednesday night show considerable damage to have been done. The Guardian reports that a valuable horse belonging to Mr. David Reid, of Reid's Corner, was killed by lightning, and that while Mr. Jabez Mills and another gentleman were driving from Kensington during the storm, their horse was knocked down by a lightning shock and lay apparently dead for about twenty minutes, after which he revived and was soon able to be driven home again. PROVINCIAL RIFLE ASSOCIATION.

Closing Competition Yesterday—Some of the Successful Marksmen.

The annual prize meeting of the Provincial Rifle Association was concluded yesterday. The meeting throughout was most satisfactory and pleasing to all. The wind yesterday was high and gusty, and not suitable for high scoring. However, the shooting was very creditable indeed. We regret exceedingly that pressure upon our space to-day will not admit of the publication in full of the result of the McKay Woolen Company's competition, the competition for the Moore Challenge Cup, the Ladies' trophy or the Nursery aggregate.

In the McKay competition, however, the first prize was taken by Gunner W. L. Poole, of No. 5 Company, Artillery, with 58 points, Lieut. J. K. Jones, of No. 1 Co., 82nd Batt., being second with 57 points; and Pte. F. R. Jones, of the same Company, third with the same number of points.

In the Grand Aggregate Match, Corporal Baird, of the Engineers, won first prize and the Moore Challenge Cup with 199 points, Sergt. Davison of the same Company being second with 197, and Sergt. J. M. Crockett, No. 4 Co., third with 194.

Gunner William Murphy, No. 5 Co., Artillery, won the Ladies' Challenge Cup for Mrs. J. A. Longworth; and in the Nursery Aggregate, Pte. Vernon Crockett took first place with 191 points.

Special aggregate for Governor-General's Medal: Corpl. Baird, Engineers, silver medal, 171 points; Sergt. Davison, Engineers, bronze medal, 170 points.

Following are the marksmen from whom the Ottawa team are selected in the order of merit, vacancies to be filled in rotation. Sgt. Davison wins the D. R. A. silver medal and Sgt. Crockett the D. R. A. bronze medal:—

The prizes were distributed at the close of the competition by the Deputy Adjutant General. It was intended that this function should have been performed by Mrs. Howlan, but owing to the late hour at which the competition was concluded she could not remain for that purpose.
