

School Closing Exercises Held In Ch'town Schools

Birchwood High School

The feature of the closing program of the new Birchwood High School was the singing of the new school song by a chorus composed of the student body.

The exercises, chaired by Judge C. St. Clair Trainer, heard addresses from Msgr. P. McMahon, Superintendent of City Schools, K. A. Parker and Very Reverend Father Moreau.

In his address to the school, Principal Leo P. MacDonald expressed his hope that, with the opening of the new school, "drop-outs" would take a sharp decrease in the years to come; especially with facilities now available.

The musical part of the agenda was under the direction of Sister St. Patrick.
