Full line of groceries, meats, confectioneries carried.

A new modern grocery store today opens its doors at the corner of Spring Park Road and Highland Avenue. Named the Highland Groceteria, the store is owned and operated by Mr. Harry C. MacLeod who has associated with him as Manager, Mr. H. Nelson Robinson.

Spic and span in appearance the store is ideally laid out for the convenience of the shopper. It boasts the latest equipment, refrigeration, counter display and lighting. It is a semi-self service store in that the customers can quickly walk around, assess the value of groceries and promptly make their purchases.

The store carries a complete line of groceries including canned goods, meats, fruits, vegetables and confectionery.

Mr. MacLeod has had considerable experience in the grocery business having operated a small grocery for some 17 years. His recent expansion is due to a gradual increase in trade and the growth of this section of the city as a built-up area of considerable proportion.

Mr. Robinson is well known in the city. He is a veteran of the last war and was employed at both DeBlois Bros., and the Halifax Seed Co. Ltd.

The "Highland Groceteria" is situated in the north-west section of the city—a surrounding that lends itself well to the establishment of an up-to-date business firm. Contractor in the construction of the new store was Mr. George D. MacKenzie.
