News Notes. The Allan steamers have already carried 3945 passengers to Canada this season, an increase of 823 over last year. The other lines have also increased their business. The Lord Bishop of London, England, lately speaking on the subject of education, remarked that the character of the whole nation some forty or fifty years hence would largely depend upon the degree in which the present generation of children were instructed in religious principles. What we are doing now will bear fruit some years hence. The education of the young was more intimately connected with the Church's work generally than anything else, except the perpetual preaching of the Gospel to the poor. In these days it is absolutely requisite that the religious part of education should keep pace with the secular, and that children should be taught to use their understandings in regard to the paramount subject of religion.

A Teaspoonful OF ESTEY'S EMULSION. Contains more curative properties than can be found in four times the same quantity of any other Emulsion of Cod Liver Oil. It is therefore the Cheapest and Best. The day has gone by when you can get people to take the nauseous doses that used to be given. In taking Estey's Emulsion you don't taste the Cod Liver Oil in it. Still it is there, half of it being Cod Liver Oil, but the taste of the oil is gone; that is all, everything else remains, don't forget that. For weak, very children, it is invaluable, making them fat and strong and strong. Ask your dealer, or write to Estey, 25c a bottle, 2 bottles \$1.50. Take no substitute, it hasn't.

ESSENCES AND SPICES ARE THE BEST. WITH GLOVES ON. The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used PHOSPHOLEINE (Pronounced POG-FO-LEEN), when they became smooth and soft. SCORFULA AND GALT RHEUM. Dear Mr. Agar, I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrophula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption.—The cough was eased, and the patient regained flesh and strength. This case is pronounced so by physicians; but had also obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c., E. C. NEWBERY.
