Gregory Clark Meets Brother
Gregory Clark, the story-telling newspaperman, is not ever likely to be included in the list of best dressed men of the year. He believes in dressing for comfort and letting the Beau Brummel medals fall where they may. It often gets him into embarrassing situations, such as the time he went to visit his brother in Ottawa during the war. Read it in The Standard—on sale now, complete with Magazine, 12-page novel and 20 pages of comics. Only ten cents!
