Local and Other Notes.

Gleaned by the Guardian Reporters. Last night was showery. The services of Sunday evening next...

An interesting exhibition of new views will be given by Mr. G. H. Hazard, in the Second Methodist Church on Tuesday evening next, at 8 o'clock.

We are indebted to Messrs. Manchester, R. Watson & Allison, dry goods merchants of St. John, N. B., for a view of the Toronto Lithographing Co.

The Aborigines from Rocky Point have resumed their summer stand along the north side of the Market House, where they exhibit the usual specimens of their handicraft in the shape of boat oars, baskets, etc.

The photograph exhibited by Mr. James Waddell on St. James' Corner, is still attracting much attention. The latest addition to the program is two songs, "Clara Noonan's Ball" and "Only as far as the gate," by Prof. H. A. Tanton of this city.

The Rev. W. B. King, Rector of St. Luke's Church, Halifax, formerly of P. E. Island, has received a call to Christ Church, Cambridge, Mass., which, it is stated, he will accept. He will visit England for some months before entering upon his new pastorate.

Rev. S. C. Wells, of Sackville, N. B., arrived here Thursday night in the interests of the I. O. F., and yesterday proceeded to Murray Harbor South to organize a new Court. Organizer Sherwood accompanied him as far as Georgetown, where he will be engaged in Forester work.

Low Price of Potatoes.—The farmers about New Mills are complaining of the low price of potatoes. They cannot get clear of them at any price this spring; there being no market for them in Boston, it has the effect of making them very cheap all through this section of the country.—Newcastle Advance.

Rev. Dr. Ambrose, rector of Trinity church, Digby, after 20 years of service, has decided to resign in order to accept a position less arduous. He will leave for Digby about the first of July. His parish has decided to pay him the annual sum of \$100 for the remainder of his life as a slight token of their regard.

FARMERS are alarmed in plowing up their fields which grow potatoes last season, to find quantities of potato bugs alive in the ground, and some who have not forgotten the labor of picking and destroying them last year are planting smaller fields this season. It looks as if this terrible enemy of the farmer had come to stay.

THE markets were fairly attended yesterday, but the supply of hay, butter and fowl was not equal to the demand. Eggs were in abundance. Scarcely any meat was noticeable in the outside market, inside the quality was superior. The sale of brick, six cart loads of fresh herring found a ready sale at from 13 to 16 cents per doz. Fresh lobsters were in for the first time this season.

ACCIDENT TO A CROOKMAN.—A rather singular accident happened to Rev. L. G. Macneill yesterday. He was ascending the stone steps of his residence when his foot fell short and he was thrown down on his face and knees, being considerably bruised, and receiving a severe shaking up. Drs. Emery and Holden were called to attend him, as he was unconscious for some time.—St. John Tel.

Two Nova Scotia lobster fishermen, named Press and Mason, belonging to the Portland Packing Co., had a very narrow escape from drowning off Argyle Shore a few days ago. A heavy wind struck their boat, which was heavily loaded. The men were saved by a small dory that they had with the boat. The water was very deep, where the boat sank, and she has not yet been recovered.

A CABLEGRAM received yesterday from Captain Ronald McMillan states that he has purchased the steamer Abraham Sattou to replace the steamer William, wrecked in January last. The new steamer was built at Dundee in 1883. She is 326 tons register, and is classed 100 A1 at Lloyd's. Capt. McMillan expects to leave for this port with the new steamer in a few days, and will probably arrive here about the 20th of May.

By a letter received by Isaac W. Wadman Esq., Friday morning, he is informed of the death of his brother, Theophilus G. Wadman, at Roxbury, Mass., on Tuesday the 29th inst., in the 50th year of his age. The deceased will be remembered in this city, which he left 35 years ago to make his home in Boston, where he has since been engaged in journalistic work. He has been employed as head proof reader on several of the leading Boston papers. For the last two years he has occupied this position on the Boston Herald, in addition to editing a wide awake literary pamphlet "The New Moon." Previously he was for some years editor of the Masonic Monthly. Mr. Wadman was a man of upright christian character, and has occupied positions of trust among his fellow citizens in such a manner as to win the respect of all. He was also a prominent member of the Orders of Sons of Temperance, Oddfellows and Freemasons.

We notice by the Halifax Chronicle of the 28th inst., that at the closing exercises in connection with Prince of Wales College, Rev. Dr. Peltok, in his annual report, spoke as follows: "The class in education, taught by Rev. James Carruthers, has been a great success, and it has been determined to make it a regular part of the course."

We take pleasure in announcing to our readers that they will have an opportunity on Tuesday evening next of listening to the celebrated "Mendelssohn's Elijah," by the Philharmonic Society of Ch'town. Among the soloists of the evening are Mrs. Malcolm Macleod, Miss Fraser, Professor Caven and Conductor F. E. J. Lloyd.

In connection with the instrumental music we need simply name Messrs. Vinnicombe and Hensley, and Mrs. Lloyd as a guarantee of its character. No true lover of the sublime art, we feel sure, will fail to attend this concert.

The death is announced of Mrs. Mitchell, wife of Hon. Peter Mitchell, who has been living for some time in Toronto in retirement. Mrs. Mitchell is a sister of the Hon. J. S. Carvell, Lieut. Governor of Prince Edward Island, and of Lewis Carvell, Esq., ex-Government Superintendent of Railways in this province. Her first husband was Mr. James Gough, a Portland policeman, who was assassinated on Main street about 1849. Neither the assassin or the motive for the deed was ever discovered. Mrs. Gough's son, Mr. Jacob Gough, at one time was a conspicuous figure in New Brunswick politics and led the opposition in the Local Assembly to the King government. Mrs. Mitchell was a woman of great energy and strength of mind, and in her active life had a large circle of friends. She was a devoted leader in local mission and evangelistic work. There is one child, a daughter, by her second marriage, who lives with her father.—St. John Globe.

Dyspepsia

Few people have suffered more severely from dyspepsia than Mr. E. A. McMahon, a well known grocer of Sturton, Pa. He says: "Before 1878 I was in excellent health, weighing over 200 pounds. In that year an ailment developed into acute dyspepsia, and soon I was reduced to 125 pounds, suffering burning pains in the stomach, palpitation of the heart, nausea, and indigestion."

I could not sleep, lost all heart in my work, had fits of melancholia, and for days at a time I would have welcomed death. I became morose, sullen and irritable, and for eight years life was a burden. I tried many physicians and many remedies. One day a woman employed by me suggested that I take Hood's Sarsaparilla. I cured my wife of her dyspepsia. I did so, and before taking the whole of a bottle I began to feel like a new man. The terrible pains to which I had been subjected ceased, the palpitation of the heart subsided, my stomach became easier, nausea disappeared, and my entire system began to strengthen. I gained weight, and my mind and body. Before the 4th bottle was taken I had regained my former weight and natural condition. I am today well and I ascribe it to taking Hood's Sarsaparilla. N. B. If you decide to take Hood's Sarsaparilla, do not be induced to buy any other.

Hood's Sarsaparilla Sold by all druggists; 51c. per bottle. Prepared only by C. L. HOOD & CO., Apothecaries, Lowell, Mass.
