"Unquestionably the best sustained work of the kind in the world."

Harper's Magazine.

Notices of the Press.

No more delightful travels are printed in the English language than appear perpetually in Harper's Magazine. They are read with equal interest and satisfaction by boys of every grade from eighteen to eighty. Its scientific papers, while sufficiently profound to demand the attention of the learned, are yet admirably adapted to the popular understanding, and designed as much to diffuse correct information concerning current scientific discovery as it could be if it was the organ of the "Society for the Diffusion of Useful Knowledge." The great design of Harper's is to give correct information and rational amusement to the great masses of the people. There are few intelligent American families in which Harper's Magazine would not be an appreciated and highly-welcome guest. There is no monthly Magazine an intelligent reading family can less afford to be without. Many Magazines are accumulated. Harper's is edited. There is not a Magazine that is printed which shows more intelligent pains expended on its articles and mechanical execution. There is not a cheaper Magazine published. There is not confessedly, a more popular Magazine in the world.—New England Homestead.

It is one of the wonders of journalism—the editorial management of Harper's.—The Nation, N. Y.

Harper's Bazar.

A supplement containing numerous full-sized patterns of useful articles accompanies the paper every fortnight.

Harper's Bazar contains 16 folio pages of the sizes of Harper's Weekly, printed on superfine calendered paper, and is published weekly.

Notices of the Press.

Harper's Bazar contains, besides pictures, patterns, etc., a variety of matter of especial use and interest to the family; articles on health, dress, and housekeeping in all its branches; its editorial matter is specially adapted to the circle it is intended to interest and instruct; and it has besides, good stories and literary matter of merit. It is not surprising that the journal, with such features, has achieved in a short time an immense success; for something of its kind was desired in thousands of families, and its publishers have filled the demand. The young lady who buys a single number of Harper's Bazar is made a subscriber for life.—New York Evening Post.

The Bazar is excellent. Like all the periodicals which the Harpers publish, it is almost ideally well edited, and the class of readers for whom it is intended—the mothers and daughters in average families—can not but profit by its good sense and good taste, which we have no doubt, are to-day making very many homes happier than they may have been before the women began taking lessons in personal and household and social management from this good natured mentor.—The Nation, N. Y.

For Family Use, the following Soaps, in 1 lb. Bars.—Family Brown Windsor, Almond Glycerine, Family Honey Soap, Rose, Elder Flower. Dr. Chambers' Castor Oil Pomatum, Marrow Oil, Bears' Grease, Bears' Marrow. Crystallized Cream. Lavendar Water, Eau de Cologne, Viole Powder.

CAUTION.—Owing to the recent introduction of Soap made from Cocoa Nut Oil, F. S. Cleaver feels it incumbent on him to remark that he entirely abstains from the use of that pernicious article in any Soap bearing his name, the only advantage of which is to enable the maker to produce soap at less cost, and with a smooth and ivory-like appearance, which treacherous and superficial qualification is to be avoided; as a soap so made possesses a much more powerful alkali than genuine English-made soap; and like many other things, beautiful to behold, leaves its sting behind, by causing a severe irritation to the skin—particularly if used for shaving. It likewise produces a faint, sickly, and disagreeable smell, as the hands of any person who has used it can testify.

Buckeye Mower and Reaper,

TO OUR PATRONS IN P. E. I.

IT is now four years since we began shipping Machines to your Island, and from our large increase of sales each season are assured that our efforts to furnish you with the "best Mower and Reaper in the world," have been appreciated, and with this encouragement we have endeavored to study more particularly your requirements, and each year build our Machine more especially adapted to your country.

We have this year attached a Self-raking Reaper to our Machine, and can now offer you 'the most perfect combined Mower and Reaper" manufactured in America, or in any other country. This Machine differs in many respects from all others, and is particularly adapted for cutting lodged grain. By a very simple device the points of the guard-fingers can be dropped at the option of the driver, picking up everything, and making all smooth work. It will cut several inches lower than our Reaper last season Improvements have also been added to the Mower.

Other Machines will probably be offered you at, perhaps, lower prices, but be assured there are 'none' that can compete with us in quality of work or quality of material used in construction. We feel confident that our Combined Machine will prove as satisfactory as the Mower has heretofore, and have no hesitation in warranting it to be superior to any Machine in this or any other market.

Yours respectfully

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

The Most Reliable Friend

Holloway's Ointment.

Its Searching and Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs bad breasts sores wounds, and ulcers, its effect is marvelleous. For ring-worm, scald head, scrofula and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses in its passage every part to which it is applied.

Glandular Swellings, Mumps Bronchitis Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing the detergent Ointment, twice a day, upon the neck, chest and back. It acts upon the very main-springs of life; for through the glands pass all new matter required for the body's reparation, and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet if Holloway Ointment be briskly and perseveringly rubbed upon the parts effected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment, and facilitate and confirm the cure.

Bad Legs, Bad Breasts and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed at the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrufulous Sores.

In all irritations of the skin, sores, ulcers, burns, or scrufulous enlargements of any kind Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism

THE TRUE

THEORY OF PURGATION

APPLIED TO THE

Liver, Kidneys, Skin,

STOMACH & BOWELS.

DR. RADWAY'S

PERFECT

PURGATIVE PILLS,

Perfectly Tasteless,

ELEGANTLY COATED.

MATERIA MEDICA contains, in its repertoire, many purgative and cathartic agents that, for ordinary purposes, opens the bowels, and through what is called a "peristaltic" movement, purge from the alimentary canal the fæces and this is all. Such agents, for the purpose of cure, or removal of any settled disease, are utterly useless.

Dr. RADWAY has completed one of the most essential discoveries in medical chemistry—in the combination of vegetable substances, for the purposes of a PURGATIVE, APERIANT, COUNTER-IRRITANT, ALTERATIVE PILL, that can be taken or administered with the absolute certainty of securing THOROUGH EXPULSION OF ALL DECAYED AND DECOMPOSING Elements of the human body, and also safe to take in the most malignant of Eruptive Fevers. In cases where the mucous membranes of the internal viscera are suffering from Ulceration, Inflammation, or from

LIVER,

Gastric, Bilary, Pancreatic Complaints,

DR. RADWAY'S PILLS

Supply the only Vegetable substitute for

CALOMEL OR MERCURY.

In RADWAY'S PILLS you have one medicine that will secure quicker, more thorough and better results than will be given in from three or more different prescriptions of the medical practitioner. As a proof of this —You are seized with a Bilious attack! Doctor prescribes Blue Pills or Calomel! next, some Drastic Aloetic Pill or Powders to work off the effects of the Blue Pill; this prostrates you, and a tonic is next given, or a gentle aperient, whereas ONE DOSE OF RADWAY'S PILLS will do all the work that the three or more prescriptions are given for, without running any risk from mercurialising or salivating the system.

RADWAY'S PILLS.

In RADWAY'S PILLS, the true principle of purgation is secured—not alone to the office of dismissing the fæces and excrements from the bowels, but those humors that are checked or stopped in their passage through the Skin, Kidneys, Lungs, and all excreting and secreting functions; for if these excrementious secretions belonging to the skin, liver, lungs, kidneys, are interrupted in their escape, they become products of decay and decomposition, and must be purged from the living body through their proper channels; hence the purgative qualities of RADWAY'S PILLS extend to the secretions of the SKIN, KIDNEYS, LIVER, &c.; whereas not one of the advertised Pills claim to act beyond the bowels.

How to Take Radway's Pills.

THEIR DAILY USE.

In doses of one or two pills, by all persons of a full habit of body, subject to giddiness, rush of blood to the head, palpitation of the heart, and all those subject to fits, will not only keep the blood from becoming congested or clogged up in the blood vessels, but will equalize its circulation, and prevent sudden attacks of apoplexy, disease of the heart, congestion. Persons who will take one of those pills every day will not suffer from Headaches, Dizziness, Hysterics, Fainting Spells, Pains around the Heart, and a hundred other disagreeable symptoms.

DYSPEPSIA.

One of RADWAY'S PILLS, two or three hours before dinner, taken daily, will keep the system free from DYSPEPSIA, INDIGESTION, CONSTIPATION, COSTIVENESS, &c.

Bear in Mind,

RADWAY'S PILLS are the only purgative that will secure an alterative, diuretic, sudorific, aperient and tonic influence.

They are the only vegetable substitutes for Calomel or Mercury.

They promote the secretion of bile and withdraw it from the circulation.

They assist, through their nutritious properties, the chyme and chyle, and gastric juices in the process of digestion

They are Elegantly Coated with Gum, Perfectly Tasteless, and free from Smell.

PRICE, Twenty-Five Cents per Box, or Five Boxes for One Dollar. Always ask for RADWAY'S PILLS, and see that the letters R.R.R. are on one side of label, and the words Radway's Regulators on the other. Sold by all Druggists and General Store Keepers, and at Dr. RADWAY'S Medical Office, 87 Maiden Lane, New York.
