France outside of Paris. To get a correct idea of the French nation one must abandon Paris and get out among the people of the provinces. Paris is a stakhole of rottenness, but the people who dwell outside that modern Gomorrah are sound and healthy and patriotic, living wholesome and useful lives. When you get out in the rural districts, a charming sight is presented of beautifully cultivated farms, each farm being as trim and neat as a flower garden. There is not a foot of waste land to be seen. The first thing that strikes a stranger is the profusion of fruit. Nowhere can be seen more luscious pears, peaches and grapes.—Washington Post.

How He Got Elsewhere.
"How did he escape?" inquired the detective.
"Well," replied the turnkey with the damaged eye, "he sort o' nicknamed himself out."
"What?"
"He pried his cell door open with a jimmy. Then he knocked me down with a billy."
"Yes?"
"And then he sallied out."—Chicago Tribune.

ITCHING PILES...

Positively and permanently cured by Dr. A. W. Chase's Ointment.

Dr. A. W. Chase's Ointment is an absolute cure for piles, and has never been known to fail to cure the worst forms of this disease which has baffled medical skill for ages.

This statement may sound rather strong to persons who do not know the superior merits of Dr. A. W. Chase's Ointment, but it is perfectly true, and heartily endorsed by the grateful testimony of thousands of men and women who have been cured by it after thirty years of suffering, and after trying many preparations and consulting the best doctors.

Mr. H. Bull, Belleville, Ont., says: "I take pleasure in stating that after thirty years of suffering with Itching Piles, Dr. Chase's Ointment has completely cured me. I tried every remedy that was advertised, with little or no benefit, but as I have told different persons affected as I was, Dr. Chase's Ointment made a perfect cure."

Dr. Chase's Ointment has a record of cures unparalleled in the history of medicine. It is guaranteed to cure any case of piles. For sale by all dealers, or Edmansson, Bates & Co., Toronto.

SANDERSON & CO GROCERS

The SCOTCH WHISKY chosen by the Red Cross Society, London, for use by the invalided troops and hospitals in South Africa, is the famous WHITE HORSE CELLAR brand of MacKie & Co., Distillers, Limited, Islay and Giasgow, one of the oldest firms in the trade. In intimation of this, Messrs MacKie, with usual generosity, presented 200 cases free of charge, and shipped them by first steamer to the Cape.

One of the family is a volunteer in the Imperial Yeomanry, and on his way now to the Cape. It is hoped that he may give a good account of himself.

THE ABOVE MENTIONED BRAND IS FOR SALE AT

Rheumatism...

is Uric Acid in the blood. Unhealthy kidneys are the cause of the acid being there. If the kidneys acted as they should they would strain the Uric Acid out of the system and rheumatism wouldn't occur. Rheumatism is a Kidney Disease. Dodd's Kidney Pills have made a great part of their reputation curing Rheumatism. So get at the cause of those fearful shooting pains and stiff, aching joints. There is but one sure way—

Crimsonbeak—I think his friend told me it was one of those trenchant pens.

"Say when, Miss Daisy," remarked the fresh youth as he was pouring a glass of water for the young lady.
"Oh, this is so sudden, Mr. Frost!" exclaimed the damsel, grabbing for the young man.

"This account is altogether too highly colored," said the editor, looking over the reporter's copy.
"Then why color it more?" inquired the young man as he saw the blue pencil go through it.

Sue Brette—Did the audience throw anything at the actors in the new play the other night?
Foots Lighte—No; why?
"Why, I notice the dramatic critics did the next day."

"Excuse my referring to so old a subject," said the funny man, "but do you know the quickest way to bring a man up with a sharp turn?"
"No," replied his friend.
"Put a bent pin under him."
