CENTRAL ACADEMY.

Friday, 19th August, 1859.

PURSUANT to notice given in the Royal Gazette Newspaper, a Special Meeting of the Governors and Trustees of the Central Academy was held this day.

PRESENT:

- The Honourable the Chief Justice,
Edward Palmer,
T. Heath Haviland, Jr.,
John Longworth,
William Forgan,
Daniel Davies, Esquire,
Colin Holm, Esquire.

WHEREAS at a Meeting of the Trustees held on the 29th day of April, 1856, it was Resolved among other Resolutions, that it is the opinion of the Trustees that application be made to the Legislature at its next Session, for such an alteration in the Act for the support of the Central Academy as will alter its character and raise it in proportion to the more advanced system of education now in general operation, and that it is therefore inexpedient at present to fill up the vacancy of Head Master, or until an Act be passed with that object.

RESOLVED, That it appears highly necessary that the said Resolution be carried into effect, and that in such application it be respectfully urged upon the Legislature at its next Session, the expediency of adding to the present endowment as the only effectual means of carrying out the suggestions contained in the said Resolution; and also of abolishing the office of Third Master, inasmuch as it appears to the Trustees that since the several Government endowed Schools established in Charlottetown have come into operation under the present Education Act, there is no longer any necessity for the lower or preparatory branches of Education being taught in this Institution.

RESOLVED, That a copy of the previous Resolution be furnished to His Excellency the Lieutenant Governor, as Patron and Visitor of the Institution, and that he be respectfully requested to use his influence to carry out the contemplated improvement or alteration in the constitution of the Seminary. WILLIAM FORGAN, Honorary Secretary.

NEW ZEALAND.

FREE GRANTS OF GOVERNMENT LAND.

THE Provincial Government of the Province of Auckland, New Zealand, by an Act passed in March, 1858, to encourage Emigration, have authorized me, as their Agent for Prince Edward Island, to grant to all persons (male or female) who will emigrate from this Island at their own cost, for the purpose of settling in the Province of Auckland, Free Land, according to the following scale, viz:—

For every person, 18 years and upwards, 40 acres; and for every person upwards of 5 and under 18 years of age, 20 acres. Provided always, that in any case in which a child shall accompany the parent, the grant shall be given to the parent, and not to the child; and in any case in which a servant shall be taken, at the sole expense of the master, the allowance shall be made to the master, and not to the servant.

The parties eligible to these grants are Farmers, Farm Laborers, Mechanics of all kinds, Servants, and some Professional men. None need apply except those of good moral character, and of sober, industrious habits.

Residents of this Colony, intending to emigrate for Auckland, direct or otherwise, will deprive themselves of the benefit of these Grants unless they take their Land Orders from the authorized Agent here, previous to their leaving the Island.

Copies of the Land Act, in pamphlet form, and further information, can be obtained by applying to

The Great Ambassador of Health! TO ALL MANKIND.

HOLLOWAY'S PILLS.

A BOON TO THE SICK!

The want of a sterling medicinal preparation to meet the many "ills that flesh is heir to," and one entirely free from minerals and other deleterious particles, was severely felt till this all powerful medicine was ushered into the world. Holloway's invaluable Pills have become the Household remedy of all nations. Their attribute is to prevent as well as to cure. They attack the root of the complaint, and thus by removing the hidden cause of disease, re-invigorate and restore the drooping energies of the system, assisting nature in her task of vital and functional reformation.

INDIGESTION.

The great scourge of this country, as well as of all hot climates and marshy districts, yields quickly to a course of these invaluable Pills, and the digestive organs are restored to their proper tone, and fevers of all kinds avoided. It matters not in what shape this derangement exhibits itself, Holloway's searching and unerring remedy expels it from the patient's system.

GENERAL DEBILITY.

From whatever cause, Lowness of Spirits, and all other signs of a diseased liver, or of a general disorganization of the system, vanish under the eradicating influence of this powerful and most searching remedy, which in warm and relaxing climates act like a charm.

FEMALES

Should lose no time in trying a few doses of this regulating and renovating medicine, whatever may be their complaint. It can be taken with safety in all periodical and other disorganizations. Its effect is all but miraculous, either to young persons entering into womanhood, or to those at the turn of life.

BILIOUS COMPLAINTS.

Those who suffer from bile and liver complaints should try the effect of this valuable remedy, a few doses of which will make the sufferer feel elastic and vigorous, remove all impediments, cleanse the blood from all impurities, give a healthy action to the liver, and strengthen the stomach. If bilious attacks be allowed to continue without using such a preventive, fever will arise, and the sufferer be confined to a bed of sickness. These Pills are an extraordinary remedy in removing acidity from the stomach and correcting indigestion, especially in hot and swampy localities.

A CERTAIN CURE FOR COUGHS AND COLDS.

The cause of half the diseases to which humanity is liable is the mode of treating the human system when attacked with these disorders, which often lead ultimately to a fatal result. By persevering in the use of Holloway's Pills, the most obstinate cold or cough is soon checked and cured; for this medicine, by purifying the blood, regulating the secretions, checking the depraved humors, and encouraging a free perspiration, rapidly puts the system into a sound and vigorous condition, thereby enabling it to throw off the disorder. The cure is complete and permanent, particularly if Holloway's Ointment be well rubbed into the chest and throat night and morning.

COMPLAINTS INCIDENT TO CHILDREN.

In no country in the world are more children carried to an early grave than in this. Cough, measles, scarlatina, &c., and similar diseases attack the little sufferers, and death too often follows at a rapid pace; yet, if at the first stage of the complaints parents were to have recourse to Holloway's Pills, all danger would be avoided; for the stomach and bowels being gently but effectually cleansed by this mild aperient, the depraved humors corrected, and the secretions duly regulated, a perfect cure is soon effected, and the little patient is restored to sound health.

Holloway's Pills are the best remedy known in the world for the following diseases:—

- Ague, Dysentery, Liver complaints, tons
Asthma, Erysipelas, Lumbago, Tic-Douloureux
Bile's Complaints, Female Irregularities, Piles, Tumours
Blotches on Skin, Rheumatism, Retention of Urine, Ulcers
