Letter from the Rev. DR. CLAY to the Editor of the Christian Visitor.

Carlton, St. John, N. B., Nov. 11, 1856.

Editor: Being desirous that the production of our own citizens should be patronized, rather than those of foreigners, I take the liberty of stating that the people of our Province need not use Fahnstock's, Elbe Bean's, or any other "Vermifuge," while they can get Fellows' Worm Lozenges, prepared in our own city. I was induced to try Fellows' Lozenges, having had a number of children under my care whose stomachs were so irritable the ordinary medicines could not be retained a moment, and the success that followed their use was so complete, that I can recommend them as one of the most pleasant and safe medicines that can be administered!

EDWIN CLAY, M. D. Follows' Worm Lozenges are sold by all Apothecaries.

Medicine of the Million. Philosophy and Facts.

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS. The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach in its manufactory, the veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT. Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and ueruing remedy.

BILIOUS AFFECTIONS. The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, the Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

A WORD TO FEMALES. The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

USED THROUGHOUT THE WORLD. Holloway's Pills are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution, at the same time.

GENERAL WEAKNESS.—NERVOUS COMPLAINTS. When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility. Holloway's Pills are the best remedy known in the world for the following diseases:

Aque Dysentery Liver complaints, tons Asthma Erysipelas Lumbago Tic-Doloureux Bil's Complaints Female Irregularities Piles Tumours Blotches on Skin Rheumatism Ulcers Bow's complaints Fevers, all kinds Retention of Urine Venerated Affectio Cordis Scorfula, or Worms all kinds Constipation of the Bowels Head-ache King's Evil Weakness, from Consumption Indigestion Sore Throats whatever cause Debility Inflammation Stone and Gravel &c., &c. Dropsy Jaundice Secondary Symp.

Sold at the Establishments of Professor Holloway, 244 Strand (near Temple Bar) London, and 30, Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d., 3s. 3d., and 5s. each Box. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Box.
