### ENGINEER GRAHAM.

Of Montreal, Cured of Diabetes by Dodd's Kidney Pills.

MONTREAL, Aug. 6.—Proof positive and convincing has been already given in Montreal, that Dodd's Kidney Pills are the only sure cure for that dread disease Diabetes. And day after day fresh evidence comes to light, to make the proof more emphatic and convincing.

Engineer James Graham, 50 Victoria Square, says:—"I suffered with Diabetes for six years. One of the best doctors told me I could not be cured.

"I read of Dodd's Kidney Pills and decided to try them. Three boxes made me well, and I have not suffered from Diabetes since."

Such cures as this prove the efficacy of Dodd's Kidney Pills.
