POST OFFICE WANTED.—A Way office is badly needed at Mr. McKenzie's, Georgetown Road. Mr. McKenzie now performs the duties of Way Office Keeper without any remuneration whatever.

BUSINESS AT VERNON RIVER BRIDGE.—Two large new vessels, belonging respectively to Messrs. Duncan & Co. and Messrs. Peake Bros. & Co., are being loaded with oats at Vernon River Bridge. Messrs. Geo. Forbes and James Hayden are the buyers.

NEW CHURCH.—The Catholics of Vernon River intend soon to commence the erection of a Church which will rival, in point of size and beauty, any Church on the Island. The plans have been procured, the bricks prepared, and a large amount of money subscribed to carry on the work.

IMPROVEMENTS AT VERNON RIVER BRIDGE.—*A substantial* wharf is about completed at Vernon River Bridge. Mr. John McGillvray is the contractor; and the work will, we think, when finished, be a credit to him. At any rate, the wharf will afford accommodation which was much needed.

EXTRAVAGANCE.—An Ottawa despatch reports, "It has leaked out here that Mr. Jenkins received a severe hauling over the coals from Mr. Mackenzie when he was in England, in consequence of his extravagance. It is said that the public accounts will show the expenditure for immigration last year to have been enormous."

HEAVY STORM.—On Thursday morning last a heavy and disastrous gale swept over this Province. The ship *James Duncan* and barque *Katie McDonald*—both belonging to Messrs. James Duncan & Co., of this city—were driven on the reef off St. Peters Island. The schooner *Elizabeth*, belonging to Mr. George Longworth, went ashore on Governor's Island.

CHARLOTTETOWN DEBATING CLUB.—The Club met on the 12th inst., and the subject for debate 'Should the Legislative Council be abolished?' was opened by Mr. T. W. May. After discussion the question was decided in the affirmative by a large majority. The subject for next debate, on Friday the 19th inst., 7. 30 p. m., is 'Is a Legislative union of the Colonies with Great Britain desirable?' to be opened by Mr. A. B. Warburton.

THOMAS W. MAY., Secretary.

FIRE COMPANY.—On Thursday evening last a meeting of Niagara Fire Company, No. 2, of Summerside, was held in the Engine House, for the purpose of electing officers for the ensuing year. Mr. Caleb Schurman was called to the chair and the business of the meeting was proceeded with. The following were the officers elected, viz: Thos. Frizzle, Captain, Geo. Stewart, 1st Lieut., Peter Larkins, 2nd Lieut., Caleb Schurman and Newton Lee, Ass't. 1st. and 2nd Lieut's, Patrick Ryan and Thomas Fitzgerald, Pipemen, John Fanning. John Matheson and Wm. Daily, Section Hosemen, Colin McLellan, Murdock McLeod, John Humphery and John Bryenton, Hosemen.

A. L. GRAVES, Secretary.

BRITISH TEMPLARS.—A Temperance Society of the British order was lately organized at Granville, by Bros. C. Full and G. W. Gell, with twenty three charter members, to be called the 'Granville Lodge.' The following were the officers appointed for the ensuing quarter:—

John Corbett, W. C. T.
Miss Flora Henry, W. V. T.
Oliver Rattenbury, W. S.
Miss Kate Corbett, W. A. S.
Humphrey Wickett, W. F.
Augustus Henry, W. T.
Edward Henry, W. M.
Miss Charlotte Gamester, W. D. M.
James Falconer, W. C.
John Corbett, P. D.
Miss Emma Henry, R. H. S.
Miss Annie Corbett, L. H. S.
Augustus Henry, D. T.
William Wickett, P. W. C.
Louis Wickett, I. G.
John Ciley, O. G.

IMPROVEMENTS AT ALBERTON.—A correspondent at Alberton writes:—During the past season some twenty houses have been built in Alberton and vicinity. Alex. Larkins is erecting a large flat-roofed, two-storey house, and Benjamin Rogers is putting up a large three-storey building. G. R. Montgomory has greatly added to his store-room; and he has recently erected a handsome dwelling house which he intends to adorn with ornamental trees, garden, etc. A fine church, beautifully situated, is being built for the Catholics of the vicinity. In the Hon. R. B. Reid's fine store is exhibited as the motto of the proprietor, the following, which is worthy to be recorded in letters of gold:—

'OBSERVE.—Put every thing in its proper place; use every thing for its proper purpose; do every thing at its proper time.

REMEMBER that nothing can be well done without order, promptitude and perseverance; and anything that is worth doing is worth doing well; also remember that whatever man has done man may do.

Punctuality is the soul of business.

Waste not, want not.

Never spare attention to a small thing, as from matters small large matters spring.

ABOVE ALL, do unto others as you would they should do to you.'

SINKING OF A STEAMER.—S.S. *Normanton*, (of the Mitchell Line), which ran between St. John and Portland, Me., last year, was sunk off metis on Friday, 12th inst., by colliding with the barque *N. Churchill*, of Halifax. The steamer is a total loss, as well as her cargo of Pictou Coal. She was partly insured. The barque was beached and waterlogged. The latter had on board a cargo of grain for London. The *Normanton* passed Little Light at half-past four in the morning. She passed several ships outwards. When about nine miles above, saw a light ahead, took it for a steamship light; ported helm and ran up, when all at once the vessel must have put her helm to starboard and run into the *Normanton*, striking her amidships, carrying away her port foresrigging, boat, ventilator, and cutting her down below the water line. In five minutes they were clear of one another. The *Normanton* had five feet of water in her hold in less than three minutes, and in less than twenty minutes she sank, stern foremost. They had hardly time to lower the boats, and only got clear abou fifteen feet. The *Churchill* was coming down before the wind. There were about sixty or seventy fathoms of water where the *Normanton* went down. The crew landed at Little Metis, after rowing fifteen or sixteen miles. All hands were saved.

FEVER.—We are glad to learn that the Scarlet Fever has almost disappeared from Summerside.

STABBING AFFRAY.—Robert Miller, charged with stabbing John Power, was remanded by the Stipendiary Magistrate this morning, to appear again on Wednesday.

MOTION TO SET ASIDE.—In the Supreme Court last week, E. J. Hodgson moved to set aside the award of the Commissioners respecting the estate of R. B. Stewart, Esq.—on five counts. Should these be endorsed by the Court every award made by Mr. Childers will be invalidate.

THAT HEATHEN, G. B.

OR, PLAIN LANGUAGE FROM SORROWFUL SAM.

(From Grip.)

Which I'm forced to admit,
And with tears it's confessed,
That faith in a Grip
Has no place in this breast;
For that heathen G. B. has deceived me
In a way which cannot be expressed.

And here I must note
How as once in the fray,
A message was wrote
Which it ran in this way:
"Please send me another ten thousand,
And I am as ever—JOHN A."

I should blush to excuse
Such a message of sin,
For it meant that man's views
Must be reached for with tin.
But it pains me when parties talk moral,
As is far from being moral within.

For of all that came down
In a virtuous way,
On that writing, G. Brown
Had the most for to say;
For he rose like Morality rampant.
And went for that naughty John A.

And yet—do I dream?
While he thundered so grand
He was working a scheme
To corrupt this pure land;
And he made in a ring, which was shady,
What is frequent in rings—a grand stand.

And he wrote to a Grit,
Which was running a bank,
And himself did commit,
In a manner most frank:
"Our friends here are coming down handsome,
We must make a big push—will you plank?"
So I says with disgust
That I weaken—I pass
There is none we can trust,
And all flesh is but grass.
That heathen G. B. is a humbug,
His political principle—gas.

An exchange says: 'Barnum pays his new balloonist $200 per day.' And even with such a good salary that man is liable to 'go up.'—*Banbury News.*

It is expected that Agent-General Jenkins and Joseph Arch will shortly visit Ottawa together, to confer with the Government on matters relating to immigration. The report that these gentlemen were not pulling together is without foundation.
