SOLDIER'S GOOD FORTUNE

Gunner Napoleon Comtais of the R. C. A., Cured by Dodd's Kidney Pills.

Quebec, April 2.—Napoleon Comtais, gunner, No 2 Company of the Royal Canadian Artillery stationed at the Citadel here, considers him a lucky man. He will wear the Queen's uniform for years yet. He expected at one time that kidney disease would necessitate his quitting the service. But he heard of Dodd's Kidney Pills.

Gunner Comtais received a letter recently asking about his cure. He replied as follows:

Royal Canadian Artillery Library.

Dear Sir,—I received your letter and hereby certify that I was cured of Kidney Disease by Dodd's Kidney Pills. By them I can be a soldier a few years yet.

Why is our local government a hopelese case? Because it is all gone but the gall.

Beauty is only skin deep, they say; but we know some girls whose beauty is not half that depth.

Our quarterly school examination was held on the 29th ult., and the pupils acquitted themselves in such a way as to reflect great credit on both themselves and their parents.

Mr. and Mrs. George Irving, who have been spending the past two months with friends in Cnerry Valley and Barnscliffe, left for their home in Brockton, Mass., on the 29th ult.

Hunger cures love, says Montaigne. Therefore we would advise some of our young friends to confine themselves to one meal per day for a few months; it would be a great plan.

Mr. J. Lawless, of St. Dunstan's College, has been appointed to fill the vacancy in our school caused by the resignation of Miss G. M. McDonald who has gone to take charge of the school at Roseneath.

Every time a baby makes its bow to a smiling world it is pronounced to be "the sweetest thing on earth." Gentle reader, think of it, that is what you and I were at one time; but alas! we must have outgrown that "sweetness," for no one ever says it over us now. If they did, would we not smile all the rest of our natural lives? Think I will go and try how it work on my old woman.

Another instance of the way the Grits treat some of their old friends has been afforded us in the case of Mr. George Crane, of China Point, who for many years was employed by the Government to ferry passengers between China Point and Brush Wharf. Last fall when Mr. Crane was forced to give up his position owing to advanced age and ill health, how did our great Grit Government treat this old true friend of theirs,—for not only was this man an old public official, he was also a life-long Grit (everyone has his faults). One would have supposed they would have superannuated him, in recognition of his long services to both the party and the country. But no, sir, this government, that has thousands for a jambaree for Tarte every few months, had not a dollar for their old servant in his declining years: he must go to the alms-house. The moral is plain: the honest man who serves the Grit party all his life may bring up, in the end, in the poor house.

Meeting at Kelly's Cross.

On Saturday the 24th ult., a meeting was held in Kelly's Cross Hall, for the purpose of advocating the construction of a branch railway from North Wiltshire to Victoria Mr. James Gorman acted as chairman, and J. H. Monaghan, secretary. The meeting was largely attended, showing the interest taken by the people with regard to this important movement. After considerable discussion, the following resolutions were unanimously adopted:—

Whereas, a branch railway line from North Wiltshire to Victoria would be a great benefit to the large populous and thriving agricultural districts through which the proposed line would run.

And Whereas, the said proposed branch line was included in a general scheme of branch railways for this province agreed to by the government of Canada in 1896, and regarding which motion of resolution was given by the Minister of Railways in the House of Commons in April of that year.

And whereas, the Government of Canada has incurred enormous expenditures in the construction and subsiding of railway and canals in all the mainland provinces in which expenditures P. E. Island has very slightly participated.

Therefore Resolved, that an humble petition be prepared and forwarded to His Excellency the Governor General in Council praying for the immediate construction of the proposed branch line.

Further Resolved, that a copy of this resolution be forwarded to the Island members in the Commons and Senate, and to the Island press for publication.

Crapaud and Westmorland Notes.

Mr. James Rogerson, who has been in the employ of Williams & McLeod, merchant tailors, left today for St John, N B., to take a position in one of the tailoring establishments in that city.

Mr. William Stordy, of Crapaud, recently had a porker in the city which tipped the scale at 690 lbs. dressed weight. The porker was 18 month old. Next!

Mr. Howatt, of Tryon, is preparing to build a carpenter's work shop on the land of Mr. Albert Stordy (now known as the Pearson property), about half a mile from Crapaud Corner.

Mr. James French, of Westmorland, who recently purchased Collett's Mills, is running the saw and shingle mill full time, lumber being plentiful in that section.

W. S. Leard's grist, saw and shingle mills are also in full blast this spring. At times Mr. Leard is obliged to run his grist mill at night in order to supply his customers.

Howatt's and Stordy's mills are also kept running notwithstanding the scarcity of snow. Everybody who had lumber rushed it to the mills anticipating better prices.
