Many fans from here attended Mr. O'Brien's Horse Race on Wednesday and by the commendatory remarks about the fast racing, we judge this meet has been one of the finest for some time. The track was in excellent condition and the first two heats of the day both in 2.09 1-2 broke the standing track record by two seconds. This speed at this early part of the racing season is without doubt amazing. In the evening boxing bouts were held in Alberton Rink between local boys and pugilists of Charlottetown. The many friends of Mr. Josie MacGregor are indeed sorry to learn of his accident. He was working on Keir's Wharf at Malpeque fastening a rope when in some unaccountable way the horse he was working started too soon bruising his hand badly. He was at once rushed to the hospital and it was found necessary to amputate several of his fingers. He remained a patient for several days but is now resting comfortably at his home in Darnley. A host of friends extend sincere sympathy and hope he will soon be about again at his active duties.
