City Workmen Active During Week

City workmen were engaged yesterday in completing a portable platform for the use of the R. C. M. P. band from Ottawa when they visit here during Old Home Week. The stand measures 30 ft. by 30 ft. and will be used on the Memorial Field but is made in sections to be shifted to the Forum, if rain makes the move necessary. The city asphalt plant will close today having completed the work planned for the summer. Nothing but contract work remains to be done on the city streets. Ambrose Street at Brighton Road has been newly curbed after widening and is ready for paving. The M. F. Schurmer Co. is putting in an entirely new bridge on the site of "Black Sams" at the entrance to Brighton Road. It will be of extra heavy 6 ft. steel reinforced concrete, and when completed the curve and bottleneck will be taken out of the road by carrying it straight across the tip of the pond, a set-back of 15 feet. The concrete sidewalk on the north side of Fitzroy Street from Hillsboro to Weymouth will be repaired this week and Horne Motors Ltd. are having pavement laid down between the sidewalk and their new plant. The city bulldozer has completed the work of digging out the site for the new wading pool at the west end of Victoria Park. The storm sewers at Upper Queen and Chestnut Sts. are nearing completion under the direction of foreman Eugene Fields. The second car of street oil which arrived on Thursday has been used on the gravel and clay streets, until virtually the whole unpaved portions of the city have been treated. Trees have been cut, stumps removed and grading has progressed favourably in the building of the new street connecting the North River Road with Crescent Drive. Nelson McKelgan and James Ranahan have this work well up to schedule, which when completed will be a definite step forward in town planning.

SI GAUGE NYLONS \$1.09; special price on children's wear at Loretta's, Southport. STOLEN CAR RECOVERED - A 1950 Pontiac coach, owned by Stewart Motors, Charlottetown, stolen from in front of a restaurant in Charlottetown two days ago, was recovered by the Summerside police yesterday afternoon parked behind Palmer's Garage in Summerside. The right front fender was damaged. EXCELLENT CAMP - W. O. J. Henry, J. Callant, of the A. and I. Staff of the 28th L.A.A. Regiment, in a telephone conversation yesterday remarked on the excellent camp being conducted during the summer training this year at Devil's Point, N. S. Large numbers of the members of the regiment are taking part in the training. It is expected that they will return to this Province over the week-end.

ON FIRST VISIT - Never having been in Prince Edward Island before a number of men of the Holy Redeemer Men's Club of Whitney Pier, Sydney, Cape Breton, arrived here yesterday by chartered bus to have a look at "the other Island". The group is under the direction of club treasurer Joseph Neville and is only remaining for one day. During their brief time here the individual members have met many former friends and last night expressed themselves as thoroughly enjoying their stay. HAD NARROW ESCAPE - The brief electrical outburst yesterday brought what is believed to be only minor damage to two youngsters who were playing in a garage near their home. A lightning bolt apparently entered the garage through a large window and struck one child. Four-year-old Heather Dignan, daughter of Mr. and Mrs. Weldon Dignan, on the leg. No burn was apparent but there was a soreness and slight lameness last night. The other child, Irene Murphy, suffered also when the bolt apparently glanced off her head. It was not believed last night that either child would suffer any permanent injury.

Club Members Visit Experimental Farm

More than 30 young people between the ages of 16 and 20 spent a busy day yesterday visiting the Experimental Farm and the offices of the Department of Agriculture, where they were given an opportunity to show just how much they know about cattle. The occasion was the preliminary elimination test routine of the Dairy Calf Club members, who have for their ultimate goal, a trip to the Toronto Exhibition in October. The boys and girls, who were about equally divided as to number, took their tests on Guernseys at the farm of Eric Hurry, on Jerseys at Edlens Mutch and the Ayrshires at the Experimental Farm. The oral examinations were continued during the afternoon in the offices of the Department of Agriculture, the whole series being conducted by Senior Agricultural representative S. C. Wright, and Agricultural representatives Morris Deacon, B.S.A. and David Peacock, B.S.A. The results of these preliminary examinations will not be known for several days.

One Prisoner

They stood by, watching the prisoners, and there were no clashes reported. Leaders Captured - Police sources said several of the ring-leaders in the disturbances had been captured and taken from the prison. One prisoner was reported shot at but not wounded during an escape attempt. Fires set by the prisoners at about 7 p. m. EDT were reported extinguished by firemen who sped to the scene with 50 carloads of police. Police were reported to have used tear gas to drive the milling convicts back into the cell blocks. Police refused reporters entrance to the prison grounds but reports seeping from the big jail, which normally houses about 800 convicts, said the disturbance began in the mental wing, containing patients who are not necessarily convicts, and spread to the rest of the jail. One convict was reported to have shouted to police that "We could pick the steel wool out of the corn we had tonight for supper." The disturbances broke out shortly after the evening supper hour. The convicts then ran into the main yard and police moved in to drive them back. It was then that the two prisoners were reported wounded. Fires were set in the laundry, the kitchen and in mattresses in the cell blocks. In Charlottetown for a visit with friends and relatives. While in Canada she will also visit Cape Breton, N.S., and other points of interest. Mr. and Mrs. V. B. MacLellan are leaving this morning on return to their home in Quincy, Mass., after having spent two weeks with Mrs. MacLellan's mother, Mrs. Campbell of Southport. They were accompanied by their three children, Vince, Elaine and Mary Joy; also Mr. MacLellan's mother who visited relatives and friends in Charlottetown and Tracadie.

Personals

Miss A. Haywood, Toronto, is the guest of Miss H. D. McCollum, 2 Richmond Street, Charlottetown. Mr. Raymond Head, Charlottetown, and Allan Boles of Freetown left this morning on a ten-day visit to Halifax and Dartmouth. Mr. C. H. Black left yesterday morning by car for Berwick, N.S., to attend the annual camp meeting of the United Church being held there. Miss Dorothy Killoran of Drummondville, P.Q., is visiting Prince Edward Island, guest of Mr. and Mrs. G. E. Sherren, Brighton Shore. Rev. W. E. Atken, Pastor of the Exmouth Wesleyan Church, St. John's accompanied by his wife and son Edward arrived in the city yesterday en-route to St. Peters, where they will remain for a month holidaying. Mrs. Helen Stewart of Everdean St., Dorchester, Mass., has arrived

To Advise Or Repair Of Chairs

NEW GLASGOW, Aug. 1 - A New Glasgow upholsterer, Preston Fraser, has been called in to give advice on the repairing and re-upholstering of the famed pre-Confederation chair at the Charlottetown Provincial Buildings. The chairs, exhibited for years in the Confederation Chamber at the Island capital, number 50. Mr. Fraser worked on them as an apprentice the last time maintenance work was done on them. He was called by Premier Walter Jones. A native of the Island, Mr. Fraser intends going over in the next few days to have a look at them. Mr. Fraser learned his trade in Charlottetown.

Suffered Similar Spine Injuries

Two well known citizens, who by a strange coincidence were both injured on the same day last week while assisting in hay-making operations, were required to be placed in body casts because of similar spine injuries. Mr. Urias MacDonald, retired C.N.R. conductor, Victory Avenue, fell from a load of hay on which he was standing, when the horse unexpectedly started, throwing him violently to the ground. The accident occurred at Emyvale where Mr. MacDonald was assisting his brother. Mr. Claude MacMillan was loading hay into a barn near the city when he fell from the loaded wagon and suffered a serious back injury. Although both patients are making fair recovery, several weeks must elapse before the casts can be safely removed. Mr. MacDonald is a patient in the Charlottetown Hospital and Mr. MacMillan is in the P. E. Island Hospital.

Appointed Chairman For Hospital Building Fund

Announcement is made of the appointment of Dr. W. J. MacMillan, M.D., O.B.E., as General Chairman for the \$300,000 Bishop's Hospital Building Fund which is now being organized to raise funds needed to help pay for the renovation and modernization of the Charlottetown Hospital and the construction of the new hospital pavilion. Dr. MacMillan, former Premier of P. E. I., has been affiliated with innumerable charitable, philanthropic and civic activities for many years, and enjoys the distinction of a Dominion-wide reputation for his good works in the field of Government and medicine. As general chairman of the hospital building fund, Dr. MacMillan will supervise the organization of all campaign committees whose members personally will call upon the Catholic wage-earners and income-receivers of the Island and ask them to subscribe their fair share of the appeal goal in accordance with their ability to give. Each of the more than 50 Parishes and Missions in the Catholic Diocese of Charlottetown is enlisting a committee for campaign purposes. When completed, the campaign committees will consist of more than 2,000 volunteer workers who will seek to raise the funds required to meet the immediate needs of the hospital. Funds subscribed to the present appeal will be used entirely to defray the construction and renovation costs of the hospital's soon-to-be completed expansion program, and will not be applied toward current hospital operating expenses.

Dr. MacMillan

Doctors' Division In addition to the parochial phase of the campaign, a Doctors' Division will be organized as well as a Major Gifts Division and a Special Gifts Division. In accepting the general chairmanship, Dr. MacMillan stated,

"As chief of staff of the Charlottetown Hospital, I am only too well aware of the very pressing financial problems with which the institution is faced. The decision to conduct our appeal for funds at this time could not be postponed without seriously affecting the operation of the hospital and thereby jeopardizing our present health standards. We are proud of our hospital and the up-to-date medical facilities it is providing for the people of our Province. However, we must not overlook our responsibility to see that the hospital facilities and accommodation which safeguard our health are paid for. "I am happy to give my wholehearted support to Bishop Borja's building fund and I feel confident that my professional associates, the members of our parish committees and the friends of the hospital will do their utmost to make our present appeal an outstanding success."

Inquest On Death Of Joseph Vessey

The coroner's jury impanelled to enquire into the death of Joseph Vessey who was electrocuted at about 4:15 p. m. on July 28 while at work on Eden St., met at City Hall last evening on instructions from Coroner Gilbert A. Gaudet. A number of witnesses gave evidence, and an adjournment until August 8 at 6:30 p. m. was ordered. The first witness called was Mrs. Vessey, Eden St., who was sitting in her sun porch and saw sparks at the top of the machine working on the street in front of her house. The deceased was seen to fall backwards as if he had been hit by the shovel. Richard Ruthart 14, testified that he was standing on the steps of his home at 38 Eden St. when the shovel being operated by Regis Robinson. Men were also working in the ditch. The deceased was assisting the shovel operator by guiding the clam bucket to the tile, when suddenly he fell backwards to the ground. Robinson and another man immediately carried him to a car and took him to hospital. Regis Joseph Robinson testified he was shovel operator on the job and had placed two tiles in position without trouble. The deceased was working for him. He was swinging the clam bucket over the tile, when he saw the deceased fall back as if he had been hit by the bucket. James Rourke and witness rushed the deceased to the Charlottetown Hospital in a car. He was gasping. They did not attempt artificial respiration. Witness further testified that he had had trouble with wires in town before when digging sewers. He knew there were telephone and electric wires along this street. He did not feel anything at all. Robinson testified that the County Construction Co. owned the shovel and that he was not advised about the power line, but knew that one wire to a house had been cut before that. Witness stated that the machine being used was not meant for work around town. The deceased was hired and paid by Robinson. Ernest MacKay, line superintendent of the Maritime Electric Co. testified that the poles in this area were 25 ft. high and the wire carried 2300 volts of electricity to ground. The wires were bare. The Company were supposed to have 48 hours notice when a cut-off was required. No request for such a cut-off had been made in this case. He further stated that if the ground was damp the boom would only have to come within 8 or 10 inches when the power would jump the gap. John Gilmore, engineer in the Provincial Public Works Department, testified that he was in charge of this job and was responsible for seeing the tiles placed in the ditch. He had instructed the government truck driver where to

Card Of Thanks

Mr. Walter Myers and family wish to thank the doctors and staff of the Charlottetown Hospital and all those who helped in any way during their sad bereavement; also those who sent cards and messages of sympathy.

Passenger Agents On Maritime Tour

A party of Canadian National passenger agents and representatives from the United States are due to arrive in Charlottetown by Canadian National passenger bus at 4:30 this afternoon. The party consists of 22 officials who are touring the Maritimes with a view to refreshing their knowledge of the Eastern provinces and the tourist attractions and facilities now available. New York, Boston, Washington, Buffalo, Chicago, Detroit, Flint, Kansas City, Minneapolis, Los Angeles, San Francisco and Seattle are all represented in the delegation. Plans to attend the night races into consideration in picking the area were: 1. The ground is tactically suitable, resembling that in parts of Northwest Europe and permitting the use of tracked and wheeled vehicles over a considerable portion. 2. The climate is such that field training can be carried on in all seasons. 3. The area is served by good communications and is well located for concentration of troops prior to movement abroad. 4. The area is relatively sparsely populated. Mr. Claxton said factors taken

Premier McNair

Continued from page 1 ed to cost more than \$25,000 000 and will take from two to three years to build. Accommodations will be provided to train a Brigade in permanent quarters year-round and a Division in emergency quarters. The site is in sparsely-populated part of the Counties of Queens and Sunbury West on the Saint John River Road. It includes parts of the parishes of Petersville, Blissville, Hamptead, Burton and Gagetown. However the settlements of Ormoco, Burton, Upper Gagetown, and Evandale along the Saint John River and Geary and Welsford will not be affected. Mr. Claxton said factors taken

MAPLE LEAF TAXI LUCKY NUMBER

The lucky number drawn last night was 86594. Holder contact taxi office.

IN MEMORIAM

MRS. WALTER MYERS The death occurred at the King's County Memorial Hospital, Montague, June 25th, of Mrs. Walter Myers of Cardigan, formerly Amy Beatrice Craswell. The deceased who had been in failing health for some time entered the hospital for an operation and was making satisfactory progress back to health, but God willed otherwise and she suddenly passed away. Besides her sorrowing husband there are left to mourn a son and daughter, Alvin and Jean, both at home and one grandchild, also one brother Henry Craswell of Cardigan and Howard who predeceased her a number of years. "Beatie" as she was familiarly known was a valued member of the community of Cardigan where she resided all her life and was ever ready to assist her neighbours in time of sickness. The deceased was of exceptional ability. In her home she was kind and hospitable as she welcomed those who entered it. Her passing at so early an age has left not only in her home, but in the community and church a great loss. For some time she was organist in the church at Cardigan. The funeral was held Saturday afternoon, June 28th from St. Andrew's Presbyterian Church, Cardigan, preceded by a short service at her late residence. The funeral was largely attended and people came from far and near to pay their last respects to the departed. The service was conducted by the minister, Rev. F. N. Young, who spoke words of comfort to the bereaved family. Mrs. Elsie Watterworth was the organist. The hymns sung were: "The Lord Is My Shepherd", "He Leadeth Me" (a favorite hymn of the deceased). "Abide With Me." Pall bearers were John Webster, Hugh MacEachern, George MacDonald, Russell McAuley, Richard Quinn and William Redmond. The hearse was driven by James A. MacDonald, and she was tenderly laid to rest in the family plot in the Cardigan cemetery.

EVANGELISTIC SERVICES Mr. and Mrs. D. L. Watterworth of Washington will conduct evangelistic services at Fredericton beginning August 3rd at 7:30 P.M. and each week evening at 8:00. A hearty invitation is extended to all.

IN MEMORIAM

In fond and loving memory of Norma Giddings, who departed this life August 3, 1948. She is gone but not forgotten And as dawn's another year, In our lonely hours of thinking Thoughts of her are always near. Today as we look on her picture So loving, tender and true, No wonder we are so lonely Thinking dear Norma of you. Always remembered by Mother Brothers and Sisters. sary is Aug. 19. The party will be headed by Col. Clem Dick, now with the regular army in Montreal.
