

YOUNG LIBERALS HOLD RALLY

Young supporters of the Liberal Party residing in the Fifth District of Queens held a rally last night at the Clover Club in Charlottetown. Dancing and a waltz were features of the event. Among those attending the function were Hon. B. Earle MacDonald, Provincial Treasurer; Hon. Alex. A. MacIsaac, Minister of Welfare and Labor, and Mr. Earl MacDonald, Charlottetown, president of the provincial Young Liberal Association. Above is shown a group of the guests present assembled during an interval in the dancing.

Island Underwriters Elect Association's New Officers

W. Blair MacDonald, manager of Empire Life, was elected president of the Life Underwriters Association of Prince Edward Island, at the annual meeting held at the Charlottetown Hotel yesterday.

Other officers were: vice-president - H.B. Carr, Sun Life; second vice-president - Allison MacLean, CLU, Great West Life, Summerside; past president - J. E. Shepherd, Mutual Life; secretary - J.W. Driscoll, Co-op Life; treasurer, Fred B. Pound, Canada Life.

W.B. MACDONALD

One guest, Reuben Doyle of Mutual Life of Summerside, was present.

Directors elected were: S.G. Ives, CLU, Excelsior Life; R.E. Hyndman, Great West Life; S.W. Willis, Confederation Life; B.M. Carter, Metropolitan Life and J. L. Gallant, North American Life.

The nominating committee composed of past presidents of the association was R.J. Rupert, CLU, V.S. Ling, CLU and J. Eric Shepherd.

Arrangements were completed for the second year Life Underwriters Association training course. This year's course will be headed by last year's moderator, Lieutenant Governor F.W. Hyndman, CLU.

...a different figure of Jesus' word in Mark 8:31: — "The Son of Man must suffer." The very word Jesus used signifies a Divine Necessity.

We speak of Jesus as the supreme revelation of God: this is the topmost height of that revelation. Again — this is what God is—self-giving Love.

WHAT MAN IS

This is also a revelation of what man is.

Often we glance over the vast areas of human degradation, wide and deep beyond all calculation. This is what man is, we say of ourselves.

Not so, is the answer of the Divine Lover. "Man even at his worst, is a being of priceless worth in God's sight as a moral personality."

...mane was the final stage in that conflict.

There the Son of God made the Father's will His own will. Out of the garden He went forth with unshaken resolution to Calvary.

When the smoke of that battle cleared away, Jesus saw that the only way to save men was for Him to die for them. So that behind Jesus' own decision was the moral order of the universe which He understood as the Father's will.

To us it is simply astounding that God, who is love, should make this decision for His Son. But this is Jesus' idea of God—He gives His best for the worst. God is self-sacrificing, self-imparting love.

The Father did not impose this sacrifice on an unwilling victim. Jesus offered Himself; this was why He came to earth at all.

As He Himself phrased it:—"The Son of Man came not to be served but to serve, and to give His life a ransom for many." (Mark 10:45).

(The greatest text in the Bible according to Professor Walter Weycott, and that means the greatest saying in the language of men. It is a repetition under

This is the meaning of Jesus' mission to the moral and social derelicts of His time.

Despised by their fellows, He picked them up as gems out of the ditch. Insofar as the church has loyally followed her Master, (Continued on Page 5)

Explains Turning Down Private Atomic Reactor

OTTAWA (CP) — Atomic Energy of Canada Limited declined financial assistance for the development of a privately-designed atomic power station because the design does not fall within the company's present approach to economic atomic power.

An official of the Crown company made this remark Monday in commenting on a reactor design of a Canadian engineering team headed by Winnett Boyd, designer of the Chinook and Orinda jet engines. An article published in Modern Power and Engineering, a Canadian business publication, says the reactor designed by Mr. Boyd "will make obsolete conventional reactor generators now being developed."

The official said Mr. Boyd asked Atomic Energy of Canada to provide financial assistance for the reactor for four months. The work had been financed for 1 1/2 years by the A. V. Roe Company which withdrew its backing last July.

The reactor designed by Mr. Boyd would use expensive enriched uranium as a fuel and gas as the cooling agent. The approach by Atomic Energy of Canada involves the use of natural uranium as a fuel and heavy water as a coolant.

Island Bible Society Donation All-Time High

Seventy-six districts in Prince Edward Island contributed some \$10,000 to the British and Foreign Bible Society last year, it was disclosed at the annual meeting of the Prince Edward Island Auxiliary held recently in Charlottetown.

The donation exceeded all previous records as the Island continued to be one of Canada's top contributors to the society, the gathering was told by Rev. T.H. Bussell Somers, Island President.

A very representative number of members from various parts of the Island was present. A short worship period was conducted by the Rev. J.H. Bishop after which the President referred to the loss that the Society has sustained in the removal from the active ministry of this province of Rev. M.D. Dunbar and Rev. W.H. Brown. Mr. Somers paid tribute to the memory of Mrs. H.T. Burkwil, Hon. G.D. DeBlois and Rev. J.M. Murchison, all of whom had served the Bible Society most faithfully in the various capacities for many years.

DEMAND IS GREAT

A Committee on Resolutions consisting of Rev. E.H. Bean and Vernon Craig was appointed as well as a Committee on Nominations composed of Rev. J.H. Bishop and Rev. J.M. Sheen. The Rev. E.M.B. Wheelock, District Secretary for New Brunswick and Prince Edward Island, gave his report of the activities of this Auxiliary as well as of the Society as a whole. Mr. Wheelock reminded the members that the British and Foreign Bible Society has produced the Scriptures in 850 languages and that never before has the demand for the Bible been so great. Everywhere there is a call for more and more Bibles and translation work is being pressed forward with a real sense of urgency.

The treasurer, Donald A. Wonnacott, presented his financial statement. Collections for the year amounted to \$9490.23, an increase of some \$300 over those of a year ago. In reaching this amount thirty-five districts increased their contributions over those of last year. The Bible House sales reached an all-time high with the total sales showing an increase of 100 per cent since 1953.

CHANGES NOTED

Rev. T.H.B. Somers gave an excellent report of the proceedings of the General Board of the Society which met in Toronto last March. The question of the advisability of having a common name for the Society in this country was discussed fully and it was finally recommended that the designation be: "Canadian Bible Society; Auxiliary of the British and Foreign Bible Society." There is also to be a change in representation in the Board in future when each Auxiliary will be represented by only one person. An objective of \$750,000 has been set by the Canadian Bible Society for transmission to the parent society in London for 1959.

Rev. E.H. Bean presented the report of the Resolution Committee and was unanimously adopted by the meeting. The resolutions follow:

Our thanks be expressed to the

Semi-Annual WA Meeting At Crapaud

The semi-Annual Meeting of the Prince Edward Island Board of the W.A. was held in St. John's Church, Crapaud on Wednesday September 24th. The President Mrs. W.E. Champion, presided.

The meeting opened with the Hymn, "The Love of Christ Constrains." Prayers were taken by Rev. D.S. Minton, Rector at Crapaud.

The roll call showed there were approximately 150 present. Reports were received from all the Board Officers. A feature of the afternoon was a talk by Miss Carrie Thompson, Commandant of the successful G.A. Camp held at Crapaud Centre in July.

Mrs. W.E. Champion gave a detailed report of the 73rd Dominion Annual Meeting of the Women's Auxiliary of the Anglican Church of Canada held in Toronto September 15th to 18th, which she and the vice president Mrs. G.G. Wood had attended.

In the absence of Mrs. Wood, her report was read by Miss Ada Harris. These reports were received with great interest and enthusiasm.

Truckers Appear On Court Docket

A number of truckers charged with driving without due consideration for other persons appeared on the docket in County Magistrate's Court Monday morning.

Five men for the Montague area appeared on the charges before Clerk of the County Court Albert Dennis.

Three residents of Montague, one from Lower Montague and a fifth from Oceanview all pleaded guilty as charged and drew fines of \$10 and costs or 10 days were given a Malpeque Road man for speeding and a Stanley Bridge man for allowing an unlicensed person to operate a motor vehicle.

A resident of Clyde River was fined \$5 and costs or five days when he pleaded guilty to operating a motor vehicle with defective equipment.

DESPISED BY MEN REDEEMED BY GOD

The Cross is Jesus' self-sacrificing love. The Cross was freely accepted. The Cross was not forced on the Son of God; in fact, no power in earth or hell could have forced it on Him.

Under the figure of "The Good Shepherd" Jesus said: "I lay down my life for the sheep..." For this reason the Father loves me, because I lay down my life, that I may take it again. No one takes it from me, but I lay it down of my own accord. I have power to lay it down and I have power to take it again." (John 10:14, 17-18).

Jesus is here self-revealed as the Divine Lover who knows no

children love it!
