

Annual B. I. S. Banquet Held

The annual Benevolent Irish Society banquet and entertainment with its characteristic Irish mirth and wit was held in the Whelan Memorial Hall last night with a large number of members and guests in attendance.

Mr. Smith welcomed the members and guests to the 18th annual banquet of the society. He thanked the clergy and guests for attending in such large numbers and urged the members to devote as much time and energy as possible towards the functions of the Society.

A variety program followed the banquet. Solos were sung by Phyllis Dowling, Yvonne Murray, Chester Donovan and Frank Flood. Mary Evelyn White and Martha Comiskey tap danced after which a game of take a chance was conducted by Mr. James MacAleer.

ASHSTEAD, Surrey, England — (CP) — Twenty houses built here as a memorial to air force pilots killed in the last war were officially opened by Lord Portal, marshal of the Royal Air Force.

The convention is to be held from June 25 to 28, and Mr. Callbeck is to present a paper, "The effect of Zinc-containing fungicides on the growth and yield of potatoes." He is accompanied on his trip by his wife and daughter Claudette.

CONTRIBUTION APPRECIATED—The Prince Edward Island Division of the Canadian Red Cross Society has recently received a further contribution of \$300.00 from the P. E. I. Chapter of the Canadian Foundation for Poliomyelitis to go towards the cost of providing physiotherapy for polio patients. This contribution is of inestimable value to the Red Cross Crippled Children's Fund which is having difficulty in financing the many cases requiring treatment of all kinds.

CRIPPLED CHILDREN'S CLINIC—Red Cross Crippled Children's Clinics held at Charlottetown and Summerside have just been completed. 113 children reported for examination. Of these, two were admitted to hospital for operations and plaster casts. The others were referred to the Polio Centre for treatment. The examinations were carried out by Dr. T. B. Acker, orthopedist, Halifax, assisted by Miss Kathleen Jackson, Red Cross physiotherapist. Arrangements are being made for the summer clinic which will be held during August.

FUNERAL AT WEST COVEHEAD—The funeral of the late Wendell MacMillan was held from West Covehead Church yesterday afternoon. Services were conducted by Rev. T. A. Wilson. Burial was in West Covehead Cemetery. Pallbearers were Leith MacKinnon, Ramsay Auld, John MacMillan, Cecil Maye, David MacDonald, Herbert Hughes. The late Mr. MacMillan leaves to mourn two daughters, Emma, Mrs. Chesley Hughes of Covehead, Khea, Mrs. J. Higman, Toronto, and three sons, Clive, Charlottetown, Grove of Covehead Road and Leith of West Covehead.

FREETOWN HOME AND SCHOOL—The regular monthly meeting of the South Freetown Home and School met recently in the school. Due to the absence of the president the Vice-President Mrs. Albert Stetson was in the chair. Meeting opened by Secretary's report which was adopted as read. There were 7 members present. Mrs. Gauthier visit school and made arrangements to buy atlas for school. It was moved and seconded that Mr. Fred Drummond and Mr. Eldon Drummond see into a new sign for school and have report for next meeting. It was moved and seconded that Secretary and Treasurer get together to prepare report for Annual Meeting. Collection 55 cents. It was moved and seconded that the treasurer pay \$100.00 on Schurman's Bill. Treasurer reported amount of about \$130.00 on hand. Meeting then adjourned.

Music Festival Ass'n Holds Annual Meeting

Dr. G. D. Steel, Charlottetown, was re-elected President of the P. E. I. Musical Festival Association at the sixth annual meeting held last evening in the banquet room of the Y. M. C. A. Undoubtedly the fastest growing organization in this Province, and said to be one of the more ambitious musical festival organizations in the Dominion, the local group last evening elected an executive of 13, assisted by 18 members of committees. These in turn have over them more than 160 committee members who are all active workers.

Dr. G. D. Steel

Mrs. Preston Beck, Central Royalty, and Mrs. Nadine Archibald, Truro, originators of the P. E. I. Musical Festival, were honored when the meeting unanimously passed a resolution presented by the Central Royalty Glee Club that these two ladies be given Honorary Life Memberships. Mrs. Edwin Cook, Parkdale, who has been a member of the executive since the inception of the organization was re-elected Secretary last evening for her fifth term in that capacity. Much of the credit due the local organization for its rapid growth and development should be given to this hard working and congenial member of the executive.

Other officers as selected by the nominating committee under Mrs. Preston Beck, and elected without change, were as follows: Honorary President, Dr. L. W. Shaw, Charlottetown. President, Dr. G. D. Steel, Charlottetown. Vice-President (Prince), Mr. Lowell Hancock, Summerside.

Vice-President (Queen's), Mrs. Wallace Rodd, Highfield. Vice-President (King's), Mrs. Murdoch MacGowan, Kilmuir. Secretary, Mrs. Edwin Cook, Parkdale. Assistant Secretary, Mr. Malcolm MacKenzie, Charlottetown. Recording Secretary, Mrs. Wendell Wood, Central Royalty. Treasurer, Mrs. Warren Burns, Parkdale.

Additional members of the Executive, Mrs. Preston Beck, Central Royalty; Mrs. Nadine Archibald, Truro; Mr. Barry Bugden, West Royalty; Lt.-Col. L. T. Lowther, Charlottetown. Convenors of Committees: Syllabus, Mrs. J. P. Lantz, Charlottetown. Music, Miss Dorothy Cullen, Charlottetown. Scholarship, Mrs. J. A. Lawson, Charlottetown. Membership, Mrs. Harper MacNeill, Charlottetown. Publicity, Mr. Preston Beck, Central Royalty. Finance, Mr. Raoul Raymond, Charlottetown. Field, Mrs. Julian Herring, Charlottetown. Refresher Course, Mrs. V. M. Hudson, Parkdale. Prizes, Mrs. J. L. Curran, Charlottetown. Stage, Mrs. Gordon White, Charlottetown. Platform Secretary, Mrs. Leonard MacDonald, Charlottetown. Hall, Mr. R. J. Rupert, Charlottetown. Tickets, Mrs. R. E. Kemp, Charlottetown. Allotment, Mrs. J. J. Haley, Southport. Programme, Mrs. W. E. Scantlebury, Charlottetown. Nominating, Mrs. Jas. Coles, Milton.

Encouraging Reports Following a brief Presidential report on the year's activities, Mrs. E. Cook read the Secretary's report in which she outlined the two new classes which were added to the recent Festival. She said that choral reading and folk dancing had proven so popular that they would be continued. The report also stated that more than 6,000 participants took part in the 61st Festival, and a decided improvement in performance was noted.

Concluding her report, Mrs. Cook said, "As Secretary, I would like to thank all members of the Association for their cooperation and support throughout the year's activities."

PERSONALS Mr. C. H. Black left on Tuesday morning for Sackville to attend the Maritime Conference of the United Church.

Mr. and Mrs. Eric Haynes and little daughter Carol spent the week-end at the home of Mr. and Mrs. Lawrence Durant, Mrs. Haynes' parents in Wheatley River.

Mr. and Mrs. Joseph Walsh, Nina Mile Creek, were in Summerside on Tuesday attending the Sherry-Muttart wedding.

Mrs. William Millar and two children arrived in the City by plane Tuesday morning on a two month visit to her parents, Mr. and Mrs. W. V. DeCoste, Bayfield Street.

Mr. and Mrs. John E. Hagen have returned to their home in Millvale after attending the Lawlor and Gorman wedding reception which was held at the home of Mrs. Hagen's sister and brother-in-law, Mr. and Mrs. Louis Longapple, R.C.A.F. Station, Summerside.

The Rev. Mr. L. M. Murray, Kensington, left this morning for Chicago where he will be engaged for six months on courses in sacred music and rural leadership at Garrett Biblical Institute, Chicago. Mr. Murray has been awarded a Scholarship by the Musical Festival Association.

Association for the support they have given me. In preparing contestants' cards I am indebted to Mrs. Wendell Wood, Miss Mabel Auld, and Mrs. Wallace Rodd for their assistance, and at Festival time Mrs. J. D. MacGuigan, Mrs. Arthur Roper and Mr. Malcolm MacKenzie gave generously of their time to act as Secretaries to the adjudicators.

In his financial report, Mr. R. J. Rupert showed a balance at the end of the year of \$2,035.40 in the general account, this being an increase of \$550.94 over last year. The Scholarship account showed a balance of \$411.74, which was \$243.26 less than last year's.

Mrs. J. P. Lantz of the Syllabus committee told the meeting that Prof. Harold Hamer of the Halifax Conservatory of Music has undertaken to prepare the Syllabus in her report on Scholarships, Mrs. J. A. Lawson referred to the system used this year of grouping classes in order that all participants in the Festival might have a chance of winning a monetary award. She also mentioned the letter-of-credit system which was used for the first time among junior entries, with good results.

Mrs. J. J. Haley, reporting for the Allotment committee stated that funds were distributed this past season to a smaller number of schools than previously. As a direct result of a suggestion made in the Program committee's report as read by Mr. Preston Beck, the meeting passed a motion to the effect that entries for the 1952 Festival must be received by March 15, instead of March 15 as previously. This committee also suggested that all names of children in participating groups be included on entry forms in case some of them are in other classes which might inadvertently be performing at the same time in the other hall.

Mrs. Harper MacNeill reported for Membership and stated that 34 new memberships were received this year bringing the total to almost 400. Other reports were read by Mrs. L. T. Lowther for Hall and Tickets; Mrs. V. M. Hudson for Refresher; Mrs. J. T. Davies for Platform Secretaries; Mrs. Robert MacKinnon for Publicity; Mrs. G. White for Stage; and Miss Lillian Duchemin for Prizes.

Chief Exceptions However, it sets out several specific exceptions and authorizes the Board to make any other exceptions it considers advisable. Chief exceptions: 1. Competitive rates—those depressed by the railways to hold business against competition.

International rates between Canada and the United States, which customarily follow the pattern laid down by the U. S. Inter-state Commerce Commission. 2. Rates on export and import traffic, which are set to enable Canadian ports to compete for business with U. S. ports.

Railways protected by the Maritimes statute. Through not mentioned in the bill, another segment of the rate structure remaining untouched would be the low, statutory "Crow's Nest Pass" tolls on grain and grain products moving in the West.

In working out the equalization plan, the Transport Board is authorized specifically to set up "uniform" rate scales for the railways throughout Canada, both for individual commodities and for groups of commodities. The old and little-used "standard" basic-rates are wiped out.

A particular effect of the new method, as suggested in the legislation, would be to have the rate per mile diminish sharply as the length of a rail haul increases. That would serve to reduce charges on long-haul shipments prevailing in the Maritimes and the West.

Under the Government's proposals, the railways will have to show justification for boosting any individual rate if anyone files an objection to it. The burden of proof is placed on the companies. The railways will be allowed to "lower" their rates expeditiously to meet competition, but they will have to supply the board with more information on these moves than they do now. The outlying provinces have contended the present regulations produce too great a concentration of low, competitive rates in Central Canada, throwing a heavier burden on the Maritimes and West.

Official scrutiny of railway financial operations and financial affairs will be tightened up by amendments providing that: 1. The Transport Board is to lay down a uniform and simplified accounting system for the two big systems, which now keep their accounts on different bases. 2. The Canadian National Railway is to report in detail to Parliament annually on measures taken under the Canadian National-Pacific co-operation act of 1933, which ordered the two companies to effect economies through the joint use of some of their duplicating facilities.

MONTREAL, June 14 — (CP)—Icebergs, in large numbers, are reported today in the vicinity of the Strait of Belle Isle. Signal service lookouts on the east coast say the bergs are being carefully watched, and the course of their movement checked.

College school, Port Hope, Ont. He was married in 1915 to Helen Schuchman of Bermuda. His widow and two sons, Charles and William, survive.

Percy, the General's only son, was born in Bradford, Ont., in 1892. He was educated at Lakefield Preparatory School, Pictou, N.S., and at Trinity

Liberal Meeting At Parkdale Hall

The old age pension is equivalent to bank interest on \$32,000, Mr. Cecil A. Miller estimated for the benefit of a well attended political meeting last night. Speaking at Parkdale Community Hall, besides the Liberal candidate were Mayor E. Earle MacDonald and Dr. Charles Dougan, who thanked the people of the Royalty for their support in the Provincial general election and asked that it be extended to Mr. Miller. Mr. A. H. Peake also addressed the meeting.

EXPECTED TO

(Continued from Page 1) proved by the Government, would go towards reducing freight on goods moving from the East to Western Canada.

It is expected to be brought before Parliament perhaps early next year to take effect after the equalization plan gets operating.

In The Maritimes

For the Maritimes, the legislation provides protection against freight-rate increases on goods in that area, resulting from the equalization plan. That is, the bill stipulates that rates under the M. P. R. A. are not to be hoisted to equalize them with rates elsewhere.

Another section dealing with Maritime freight charges was included in today's bills, but it merely confirms an existing, extra-legal practice in effect for some years. That is the practice of giving the statutory 20-per-cent reduction on Maritimes-originated freight traffic when it involves a water haul west of the Maritimes-Quebec boundary. This provision was omitted—apparently inadvertently—from the original Maritime Freight Rates Act.

In the general field of equalization, the legislation virtually scrapes the existing rate setup and suggests—without making it mandatory—that the board follow new methods in setting up "equalized" rate scales.

It lays down the "national freight-rates policy" as meaning the same charges for the same types of rail traffic in all parts of Canada.

Chief Exceptions

However, it sets out several specific exceptions and authorizes the Board to make any other exceptions it considers advisable. Chief exceptions: 1. Competitive rates—those depressed by the railways to hold business against competition.

International rates between Canada and the United States, which customarily follow the pattern laid down by the U. S. Inter-state Commerce Commission. 2. Rates on export and import traffic, which are set to enable Canadian ports to compete for business with U. S. ports.

Railways protected by the Maritimes statute. Through not mentioned in the bill, another segment of the rate structure remaining untouched would be the low, statutory "Crow's Nest Pass" tolls on grain and grain products moving in the West.

In working out the equalization plan, the Transport Board is authorized specifically to set up "uniform" rate scales for the railways throughout Canada, both for individual commodities and for groups of commodities. The old and little-used "standard" basic-rates are wiped out.

A particular effect of the new method, as suggested in the legislation, would be to have the rate per mile diminish sharply as the length of a rail haul increases. That would serve to reduce charges on long-haul shipments prevailing in the Maritimes and the West.

Under the Government's proposals, the railways will have to show justification for boosting any individual rate if anyone files an objection to it. The burden of proof is placed on the companies. The railways will be allowed to "lower" their rates expeditiously to meet competition, but they will have to supply the board with more information on these moves than they do now. The outlying provinces have contended the present regulations produce too great a concentration of low, competitive rates in Central Canada, throwing a heavier burden on the Maritimes and West.

Official scrutiny of railway financial operations and financial affairs will be tightened up by amendments providing that: 1. The Transport Board is to lay down a uniform and simplified accounting system for the two big systems, which now keep their accounts on different bases. 2. Scouts To Take Part In Festive Week Activities

Prominent among organizations taking part in this city's big Festive Week will be the Boy Scouts. The Scouts will help in various ways as well as being active participants in parades and sporting events. Among the help they will give will be aid in traffic control by the senior Scouts.

The boys will have a Scout Float and hobby horses in the big float parade on Tuesday, July 3, and will march in the parade along with the Cubs. Two days later the Scout Camporee opens at the Ordnance Grounds with the boys going under canvas for their stay. Friday morning they will hold their patrol competition and on Saturday will stage the Boy Scout and Wolf Cub track and field meet at Memorial Field. The sports will include dashes from 50 yards to 100 yards as well as jumping events and a 440 yard relay race.

Those Scouts or troops planning on attending the Provincial Camp at Camp Buchan opening July 9 may stay at the Ordnance Grounds until the camp opens. It has also been announced that the Silver Arrowhead Course will be conducted from July 18 to July 23.

Renewed Vigor At Presbyterian Church Assembly

OTTAWA, June 14 — (CP) — The 77th General Assembly of the Presbyterian Church in Canada, which was highlighted by demands for—and examples of—renewed vigor in the church, closed last night.

In the eight-day Assembly, commissioners from 47 Presbyteries across Canada had: 1. Elected as Moderator Rev. Norman D. Kennedy of Regina—a man of humility and strength, who conducted the Assembly in an efficient manner. 2. Set up machinery for a \$1,000,000 campaign for church extension.

3. Set themselves the task of raising another \$5,000,000 for ordinary budgetary and congregational needs. 4. Accepted the responsibility of maintaining minimum stipends for ordained ministers. 5. Revealed the church's growing strength by a near doubling in church givings during the last five years.

"If we had the men and the money," said Rev. G. Deane Johnston of Brantford, Ont., chairman of the General Board of Missions, to last night's closing session, "We could double the size of the church in five years."

Some of those problems they hoped to iron out by the time the commissioners meet again at the 78th General Assembly will be set for the first Wednesday in June in Knox Church, Toronto. The Assembly after cautious debate last night passed a resolution urging consideration of the Hope report on education by the Ontario Legislature.

The resolution, presented by Rev. E. C. McCullagh of Dumfries, Ont., as convener of the Board of Evangelism and Social Action, noted the Hope report had been tabled by Premier Frost.

"The Commission was pleased to hear and to embody in the report nearly all the recommendations of the inter-church committee representing most of the Protestant Churches of the Province," the resolution stated, and it "seems to have made a wise and constructive approach to the reorganization of the school system of the Province."

The Moderator said he felt "embarrassed" presiding during passage of a resolution of concern to one Province in which he does not reside. Other commissioners expressed doubts over a national church assembly concerning itself with a strictly provincial matter.

But the resolution passed after strong representations by Rev. Mr. McCullagh. He said: "This is of extreme importance to us. It means simply strengthening the hands of our Premier... and the biggest percentage of our church membership is in Ontario."

An amendment asking that the matter be referred to the Ontario synods was defeated. The commissioners stood off for at least another year a move to boost minimum stipends of ordained ministers.

The proposal, made by the Presbytery of Brandon, claimed the present minimum—\$2,000 plus a maximum of \$300 for travel allowance—plus extra allowances from the ministerial fund for wives and children—had not kept pace with the cost of living. It asked for a raising of the minimum to \$2,400 with the travel allowance unchanged.

Mr. Johnston said the raise would impose too heavy a burden on the Board of Missions. The Assembly agreed with a suggestion of James Dutton of Peterborough, Ont., chairman of the Board of Administration, that the measure be referred to the boards of administration and missions to consider jointly and report back to next year's Assembly.

A national campaign council was named, with representation from every Presbytery in Canada to head the \$6,500,000 drive for funds, including the special million-dollar campaign for extension work.

College school, Port Hope, Ont. He was married in 1915 to Helen Schuchman of Bermuda. His widow and two sons, Charles and William, survive.

Sanatorium Radio Fund Organized Last Night

The organization of a Province wide Sanatorium radio fund appeal was finalized last night at a special meeting held in the City Hall presided over by His Worship Mayor B. Earle MacDonald. The appeal will open on Tuesday June 26.

The members in attendance, who represented all the Service Clubs in the City, the Catholic Women's League, Knights of Pythias, Federation of Agriculture, Women's Institute, I. O. E. D., Canadian Legion and the Benevolent Irish Society were enthusiastic about the prospect of raising sufficient funds to replace the now obsolete radio system at the Sanatorium.

The funds will be raised by voluntary contributions from donors throughout the Province. The practice of personal canvassing will be eliminated, the committee decided. It is understood the new equipment will be costed in the vicinity of \$6,000. The present equipment installed by the Gyro Club about 15 years ago is practically worn out and must be replaced.

Mayor MacDonald was elected chairman of the appeal. The vice-chairman is Mr. J. J. Trainor, Chief Welfare Officer, and the secretary-treasurer is Miss Marjorie Stewart.

The members of the publicity committee are: Messrs. Bob Large, chairman, Ralph Dumont, Walter Hyndman and James Walker. The Mayors of all incorporated towns in the Province, Borden, Alberton, Souris, Montague, and Georgetown as well as representatives from various clubs and organizations were named to the executive.

The use of radio entertainment in aiding Sanatorium patients to gain recovery was stressed by Dr. W. J. P. MacMillan and Dr. P. A. Creechman. It was also pointed out that such entertainment proved to be a morale builder and that the effort to have it installed should be a public venture.

The equipment consists of one central radio unit which transmits the programs to the various patients by the use of wiring and ear phones. There are 64 rooms in the Sanatorium containing about 194 patients.

Desirable property, consisting of double tenement house with nine rooms; also one large barn. For particulars write Box W. A. c/o Guardian

PAINTING TENDERS

will be received at the School Board Office until noon of 28th June, for the decorating of the interior of three public schools. Particulars obtained at the School Board Office.

HOLMAN STORE NEWS — G. H. M. — WE know you've tried and tried to get a Summer Shortie that you really like and that really fits you... Why not get the material and have a Summer Shortie made?
