**THE CHRISTMAS SPIRIT**

What is the Christmas spirit? Can we measure it with a tinsel yardstick or feel it in the mad rush of Christmas shopping? We have retained so much of the ancient pagan spirit celebrating the winter solstice that the song of the angels is often drowned in the clinking of the cash registers and our spiritual ears fail to hear the cooing of the babe of Bethlehem.

The theme of the angels, "On earth peace, goodwill to men" rings today with a hollow mocracy in the hearts of millions of men and women, who are victims of ignorance, injustice, poverty and racial prejudice. In the words of a great Christmas carol:

"Yet with the woe of sin and strife  
The world has suffered long;  
Beneath the angel strain have rolled  
Two thousand years of wrong."

The true Christmas spirit — the spirit of Christ — reaches today to have all mankind. Through His word, all men may know that inner peace of which the angels sang so long ago. It is the avowed mission of the Bible Society to see that all men and women the world over, have a copy of the Scriptures in their own tongue and so that end many millions of copies have been distributed in almost 1300 languages or dialects. All the resources of the Society, plus the profits of its Bible Houses — are used for the sole purpose of distributing "the word". By contributing to the Society and patronizing the Bible House in Charlottetown — we all may share in the great mission.
