FREEDOMITES GET MORE TIME

OTTAWA, Justice Minister Fulton has indicated that the federal government is willing to extend by thre weeks its offer to pay transportation of the Some of Freedom Doukhobors to Russia. Leading the freedomite delegation who asked for the extension are Peter Elasoff, (left), Nelson, B.C., and Bill Moojelsky, also of Nelson, secretary of the sect. Mr. Moojelsky said the sect wanted the extension because not all members of the sect have signed the forms indicating their desire to leave Canada and their willingness to renounce their Canadian citizenship.

Russia Admits Nuclear Bomb Testing Is Resumed

MOSCOW (AP) — The Soviet Union announced Thursday night it has resumed nuclear test blasting after a six-month suspension.

(The Soviet acknowledgement came within an hour after Washington announced detection of the second pair of Soviet blasts this week. The first were Tuesday).

Soviet Foreign Minister Gromyko announced before the Supreme Soviet March 31 the decision to stop the tests.

At that time, a Tass statement Thursday night said, the Kremlin said that if the U.S. and Britain failed to follow its example "the government of the U.S.S.R. would be free to act in the question of Soviet nuclear tests, bearing in mind the security interests of the U.S.S.R."

TAKE ADVANTAGE

Tass accused the United States and Britain of using the Soviet test suspension to gain "the greatest possible military advantage for their side, thus ignoring the will of the peoples."

It declared:

"This is evidenced by the fact that precisely after March 31—that is, the moment the Soviet Union suspended nuclear tests and called upon other countries to follow suit—the governments of the United States and the United Kingdom undertook the biggest ever series of tests of atomic and hydrogen weapons.

"The United States alone has set off about 40 nuclear shots during this period." Tass added:

"Considering this, the Soviet government cannot allow the security interests of the Soviet state to suffer because of such actions of the United States and the United Kingdom."

DODGES QUESTIONS

(Foreign Minister Gromyko, attending the United Nations General Assembly in New York, Thursday dodged questions about Soviet resumption of tests.

Talks are to begin Oct. 31 at Geneva between the Soviet Union on one hand and Britain and the United States on the other to seek an agreement on suspending tests under adequate safeguards.

The U.S. state department has said the United States should go ahead with its own plans to suspend nuclear tests Oct. 31 unless Russia held further tests after that date.

WASHINGTON (AP) — The Russians fired two more nuclear weapons tests Thursday.

The Atomic Energy Commission, announcing detection of the tests, said the detonations took place north of the Arctic Circle. The yield from each was moderate.

Last Tuesday, the Soviets fired two tests in the same area. These were the first Russian tests reported since Moscow announced last March that nuclear tests were being suspended.

Talks are to begin at Geneva between Russia and the Western powers Oct. 31 seeking a means to agreement for a suspension of tests under adequate safeguards.

AMONG THE FARMERS

Federation of Agriculture Newsletter

WEEK END STORM

The week end hurricane and heavy rainfall complicated matters for farmers who still have harvest that is standing or in sheafs. Low fields will present difficulty for the modern heavy combine and as the hours of darkness increase the drying of stooks becomes more of a problem. An earlier start than usual seems to have been made at potato digging, an operation which is usually reserved for October.

The livestock situation remains good with excellent pasture and little call for the use of stored feed. In fact with a good hay crop stored in fine condition and our bumper harvest the feed situation has never been more favorable.

FARM FORUM

Meeting last Monday evening the Provincial Farm Forum committee added three members to its number and re-elected Mr. Charles Yeo as chairman. The secretary's annual report for last season showed an increase in the number of forums and number of reuports and attendance. Reviewed were plans for promotion and changes in staff and policy at the National level.

A meeting of the special Maritime committee to be held in Pictou on Monday will consider assistance for those who will be helping organize Farm Forums this year.

STABILIZATION

Since the Agricultural Stabilization Act was passed in January 1958, a total of 21 farm products have been brought under the authority of the Agricultural Stabilization Board. Thes products range from butter to barley, from honey to hogs, from asparagus to apples, and cover most of these products that bring the greatest percentage of returns to the Canadian farmer. In this respect, it has become what is probably the most active piece of farm legislation on the statutes.

Naturally an act so widely used will meet with varied reaction and the Canadian Federation of Agriculture intends to, if possible, gather the opinions of farm groups and farm people on the working of this particular legislation.

A special edition of the C.F.A. Bulletin carrying these opinions will be published for the purpose of informing everyone of farm thinking in the field of price supports and price stabilibation.

SOCIAL SECURITY

The C.F.A. is presently interested in obtaining Provincial opinion on matters related to old age pensions and social security. Specifically it would like to know what farm views are on contributory old age pension plans, which would be in addition to the present general plan.

FREIGHT INCREASES

As one of the biggest users of the railways agriculture has a keen interest in any freight increases.

In October 1957 when the C.F.A. appeared before the board it stated that farmers who had only about 8 per cent of the total Canadian income would be asked to pay 36 per cent of the proposed increase.

The present request for 19 per cent if granted would add over 20 millions to the farm freight bill. For those farmers who live in the extremities of the country the increase is proportionally higher.

A comparison of the distance which products are hauled is interesting. In the 1956 Way Bill Analysis the average haul of all comodities was 433 miles, for animals and animal products 879, for farm implements, parts, etc. 1077 miles, for potatoes 645 miles and for apples 941 miles. Agriculture has a long haul and it is on these long hauls that the 19 per cent increase, if permitted, will be applied 100 per cent or nearly so.

HARVEST FAIR

The exhibit of fruit, vegetables, cereals and fodder at the harvest fair was a real delight for those who appreciate good husbandry. A Combination of rural youth fair and the harvest exhibition are a happy one and the two days provided infinite variety all tending to emphasize the development of rural youth, good livestock and fine crops.

The Prince Edward Island Dairymen's Association offered special prizes for hay and silage and offers its congratulations to the progressive winners of these awards.

EDUCATION CONFERENCE

An event of importance planned for November 8 is the first Provincial Conference on Education.

Education effects practically everyone in the province either as a student, parent-taxpayer, or taxpayer. Among the sponsors of the conference is the Federation of Agriculture which has always had an active interest in educational matters.

MARITIME MEETING

Prior to the Federal-Provincial Agricultural Conference to be held in Ottawa on November 12 and 13 a Maritime meeting of ministers, deputies and farm organizatiin people will be held in Moncton on October 27. This meeting will be one of the rare occasions when department and farm organization people get together to discuss matters of policy both Federal and Provincial.

POTATO PROBLEMS

A very large crop of potatoes in the United States is causing concern on the score of its effect on the Canadian market. Canadian production is within reasonable limits and can probably be handled by our own consumers. Recognizing that a very difficult situation may develop the Horticultural Council has called a meeting in Ottawa for October 6 to consider what steps may be taken to improve the situation. Meetings are being held in each of the interested provinces to gather information and to obtain recommendations for the Ottawa session.

WORKMEN'S COMP.

Workmen's compensation covering occupational hazards is generally in effect in all provinces and offered on a variety of bases. Realizing the value of this kind of protection and that far too small a percentage of farm workers are covered the C.F.A. is undertaking a study of the different provincial systems with the view of reporting on what might be considered the most satisfactory one.

NEW OFFICE

OTTAWA (CP) — The Canadian government travel bureau's New York office will be formally opened Monday in its new location in Canada House, the bureau announced Tuesday. Resources Minister Alvin Hamilton will attend the ceremony at the new ground-floor office at 680 Fifth Avenue. The bureau was formerly located in Rockefeller Center.

AUCTION "45" score cards for sale at Guardian - Patriot, Central Printery.

THE LADIES Auxiliary of Kings County Hospital will meet Friday, October 3rd at Nurses Residence.

BEAUTY SHOP at Souris open Monday, Tuesday, Wednesday and Thursday, 9 a.m. to 9 p.m. Telephone No. 165.

PERSONALS

Friends of Danny MacKenzie, young son of Mrs. Jennie MacKenzie, Montague, are pleased to hear he is convalescing at his home following his illness in the Kings County Hospital.

Mr. and Mrs. Arthur Burke, Vancouver, B. C., are visiting in Montague, guests of Mrs. Burke's brother-in-law and sister, Mr. and Mrs. John MacDonald.

Mrs. Arthur Fisher, Keene, N. H., who has been visiting her brother and sister-in-law, Mr. and Mrs. Beecher Dewar, Brudenell, and her cousin, Mrs. T. K. Cameron, Montague, left last week on return to her home. She was accompanied on the return trip by her cousin, Miss Louise Dewar, who will visit relatives in Boston and other cities in Massachusetts.

Miss H. M. Simpson and Mr. Chessel Simpson have returned to their home in Avondale, N. S., after speding a pleasant visit with relatives in Montague and Murray Harbour. While in Montague, they were the guests of Mr. and Mrs. Cecil Beck.

Mr. David Stewart, medical student at Dalhousie University, Halifax, N. S., and Mrs. Stewart were weekend guests of the former's parents, Mr. and Mrs. E. H. Stewart, Montague.

Mr and Mrs. Tony Marini, Quincy, Mass., who are visiting relatives in Grandview, Bellevue and Charlottetown, were visitors to Montague on Tuesday.

Murray River Contractor Awarded Dredging Contract

OTTAWA - The Federal Department of Public Work has awarded a contract in the amount of $35,100.00 to Mr. Norman N. MacLean, Contractor, of Murray River, P.E.I., for dredging the mooring basin at Skinner's Pond, P.E.I. According to the contract this work will be satisfactorily completed within four months or on January 26, 1959.

The morning basin measures approximately three hundred and fifty feet by three hundred and fifty feet. Approximately twenty-seven thousand cubic yards (Place Measurement) of sand, silt, and clay will be moved at the unit rate of $1.30 per cubic yard (Place Measurement).

Plans and specifications were prepared by the Harbours and Rivers Engineering Branch, Department of Public Works, Ottawa.

Multiple Sclerosis Society Gets 160 New Members

Highlight of the Executive meeting of the P.E.I. Chapter, Multiple Sclerosis Society recently held, was the report of over 160 employees of Canada Packers Charlottetown Plant and the Inspection staff becoming members of the Chapter. This was accomplished mainly through the efforts of Mr. Arthur MacKinnon with the cooperation and support of the management.

The meeting was held at the home of Mrs. Keith MacKinnon with Chapter President Harold Heartz in the chair.

The Executive recorded their appreciation the donation of a wheelchair from the Main Brace Naval Veterans Association. Some discussion took place on Patient Welfare and a decision to purchase other patient aids was reached.

Committee reports included Ways and Means Chairman, Mrs. Robert Norton's announcement that a rummage sale would be held on Oct. 18th and a request for donations. The Treasurer, Russell Arbing, gave a detailed report of the Chapters finances which included the Tag Day receipts recently held. This project showed a 33 per cent higher return over last year.

Correspondence read included notice from Head Office that a national advertising campaign and appeal would begin early in the new year.

Nov. 29th was agreed upon as the next regular executive meeting night.

Southport -- Central Royalty Committees Hold Meetings

During the past week there have been meetings of the Girl Guide Brownie Committees in Southport and Central Royalty at which the film "Guides All Guides" has been shown and very favorably received. Miss Iphigenie Arsenault and Mrs. Urban McQuaid. Division Commissioner for Queen's County, and District Commissioner for Central Queens, respectively, have been in attendance at these meetings and were happy to find that the Committees have been successful in securing the services of several new leaders to over see the activities of the Brownies and Guides.

These leaders are planning to take advantage of the Guide and Brownie Training Classes which are to be held at Birch Court on Saturday, October 18th., and which will be of great assistance to them.

Miss Bonnie McKie of the Southport Guide Company, who was one of the four P.E.I. representatives at the Atlantic Adventure Camp held at Brackley this past summer, gave a vivid and interesting account of this Camp and the trip which followed to Nova Scotia and Newfoundland, at the meeting in Central Royalty.

The new Brownie leaders at Southport wil be Mrs. Gordon Gay and Mrs. Eric Foster, and at Central Royalty, Mrs. Arthur Rodd, Mrs. Allison MacRae and Mrs. Elsie MacLeod will assist Mrs. Fred Younker who has been carrying on very effectively as Brown Owl there for the past few years. Helping Mrs. Arthur Ferquharson, the capable Captain of the Guide Company at Central Royalty will be, Mrs. William Ward, Mrs. Fred Cannon and Mrs. John Wilmhurst.

Mrs. Stewart Henry and Mrs. Harold McKee head the Southport Girl Guide Committee of the Women's Institute, while the Central Royalty Committee is composed of three representatives from the Women's Institute, Mrs. Arthur MacRae, Mrs. Hugh MacLeod and Mrs. Dana MacGrath; two Brownie mothers - Mrs. Preston Beck and Mrs. Arthur Rodd; and two Guide mothers - Mrs. Arthur Roper and Mrs. Ernest MacMillan. Mrs. Arthur Roper was named Chairman of this Committee, and Mrs. Preston Beck, Secretary of this Central Royalty group which has been so successful in obtaining so many new leaders for the Central Royalty Brownies and Guides.

LORNE VALLEY

Mrs. Christine MacLeod left recently for Montreal, Quebec, after spending several weeks with her son and daughter-in-law, Mr. and Mrs Lorne MacLeod. At Montreal she will be the guest of her son, Gordon and Mrs. MacLeod.

Mr. and Mrs. John McAulay, Charlottetown, spent the last week-end of the month with the former's brother and sister, Mr. Russell McAulay and Miss Marion McAulay.

Mr. and Mrs. John Mooney, Elmira, were recent visitors to Lorne Valley. They were guests of Mr. and Mrs. Alexander MacIntnre.

Mr. Lloyd MacDonald and family were visitors to Montague on Saturday.

Mrs. Heath MacGrath was a recent visitor to Marie. While there she was the guest of Mrs. Sterling MacSwain junior.

Mr. Francis MacIntyre and Mr. and Mrs. Murdock MacDonald were among those attending the horse racing at Mount Stewart on Saturday.

Mrs. Catherine MacLeod has returned to Lorne Valley after spending some time with Mr. and Mrs. Alvin Myers, Cardigan.

Mr. and Mrs. Bruce Myers with children Dianne and Donald of New Perth, were recent guests of Mrs. Myer's parents, Mr. and Mrs. Daniel Shaw.

Mrs. Francis MacIntyre, Miss Joan MacIntyre, Miss Shirely MacDonald, Miss Elaine MacDonald and Miss Beryl MacDonald were among those attending the Rural Youth Fair at Charlottetown on September 25th. Miss Shirley MacDonald was one of the girls chosen to model some clothes she made at the 4-H sewing club.

Mrs. Lorne MacLeod left on Friday for Toronto, Ontario. While there she will visit her sisters' also her brothers' and their wives, Mr. and Mrs. Clarence MacKinnon and Mr. and Mrs. Arthur MacKinnon.

Mr. Heath MacGrath and Mr. Munro MacGrath were recent visitors to Charlottetown.

Mrs. Malcolm MacLeod has received word that her sister, Mrs. Teresa Seager of Alberta, has suddenly passed away. The heartfelt sympathy of the community goes out to Mrs. MacLeod in her sudden and sad bereavement.

Mrs. Bertha Fisher left recently for Boston, Mass., where she will attend the wedding of her grand-daughter Miss Hertle. While in Boston Mrs. Fisher will be the guest of her sons-in-law and daughters, Mr. and Mrs. Randall Hertle, and Mr. and Mrs. Robert Blackett. She will also visit her son and daughter-in-law, Mr. and Mrs. Harry Fisher in New Jersey. A.M.

NOMINATED IN 1st KINGS

Melvin J. McQuaid (left) and John R. MacLean were nominated by the Progressive Conservative party to represent the party in the First District Kings in the next Provincial election at a nomination convention held at Souris Wednesday. Both were nominated on the first ballot.

Little Theatre Membership Drive May Set New Record

With the opening performance of the Charlottetown little Theatre Guild's season scheduled for the end of October, much interest is being taken in the membership drive which is being conducted this week under the chairmanship of Sterling Inman, the Past President.

Indications now are that last year's record number of members will be exceeded this year. Membership has been set up on the same basis as that adopted last year since this proved to be a successful means of securing a large and enthusiastic response The initial fee admits all to the first performance, and an additional fee is made for each of the succeeding productions.

By using this method of signing up members, the Guild has an opportunity to clasify its membership into "active" and "associate", and so determine those who wish to take part in the different performances either as members of the cast, or in the many other important tasks that have to be undertaken in order to produce a successful stage presentation, - the irecting, costuming, lighting, sound effects, staging, are all major parts of the production.

Slated for presentation on the opening night at the Community Centre are three one act plays which will be for the membership only. In this group of plays are two comedies and a drama which should make a very entertaining evening.

These plays are now being rehearsed at the former Spring Park School which has been placed at the disposal of the Little Theatre Guild by the co-operation of the City School Board and the City Council.

VETERAN HELPER
