

## JOCK TALK

by Mickey Place

Once again it wasn't a very good weekend as the Football Panthers were humbled 32-7 in the driving rain in Halifax. From the scoring we would hazard a guess that the Santamarians played on a dry field and had no trouble handling the ball while our boys had to contend with a deluge. Socky MacDonald scored our only major of the game as he got behind the S.M.U. secondary for a reception of Rick Kiraly's pass and galloped 81 yards and over the line. Ozzie D'Ippolito's conversion attempt failed but he later got a single point with a punt into the end zone in the third quarter. Callie MacPhail led the ground gainers with 39 yards on 8 carries while J. Paul McIntyre had 24 on 7. Outsiders might suspect that the Mount A. and UPEI coaches are carrying on a paper fight in order to make the public think that next Saturday's game here with the Mounties will be a real grudge match and so reap huge gate receipts. For two teams with 0-2 records the argument seems silly...if they had 20-0 records it would still seem silly. Barring unusual circumstances, we think students should go where they can get courses they want. We will wager that the gate receipts will not benefit a dollar from this ridiculous controversy!

In Soccer Larry MacAdam and Tom Hogan broke the goose egg that has plagued many UPEI teams in recent games as they scored the brace of markers that gave our boys a 2-2 tie with St. F.X. UPEI led 2-1 going into the final five minutes but, it seemed, concentrated too much on holding their lead. On Sunday they were outpointed 4-0 by a bigger and more experienced team from Dalhousie. We might remark that, besides the two goal scorers, Ron Taylor played well while Howie Adams, in goal, deserved a

better fate.

Field Hockey. Barb Mullaly's charges again suffered shutout defeats as St. F.X. won 1-0 on Saturday while the Dalhousie Tigerettes administered a 4-0 whitewash on Sunday. Barbara, still building for future years. was not at all discouraged by the double defeat but, in a most unusual paradox (we loved that G. & S. tune) said that, had the girls played as well in the game as they did in the one they lost 4-0, they could have won! What the team really needs is a player who can put the ball into the net... obviously they can't win unless someone can perform that feat! The Memorial University team visits MacAdam Field this Friday for the only weekend game here.

GOLF. As happens in so many Atlantic Intercollegiate sports, Saint Mary's walked away with the title in the golf tournament played at Moncton, over the weekend. Trying to defend our last year's championship our quartet of Lee Brammer, James Nicholson, Jamie MacSwain and Kenny Innis finished third in the field of 9. Saint Mary's had a two round total of 614, Dalhousie was second with 625 while we totalled 651. Lee Brammer, with rounds of 76 and 78 was third in the individual scorings.

Jack Hynes has his hockey hopefuls out on dry land training and it is anticipated that, despite the loss of several of last year's key players, the 1979-80 edition of his Panthers will be a strong one. Returning will be Shane Turner, Brian Ostroski, Gary Trainor, Rory Beck, Trevor Crawford, Harold Hay, Neil MacKenzie and Shane Carmody. We'll also have newcomers Mike Ready, Mike Devine and Terry McKenna to assure a strong defence. Summerside's Thane Campbell who comes to us after playing for Acadia, is a most welcome addition. Steve Drummond from Richmond, Ont. takes a high reputation to our team. There is also a big potential in Kinkora's Ricky Cameron, brother of former "greats" Brian and David (The Moose). They'll be taking to the ice soon for practise and the league

# GOOSE EGG BROKEN

opens here on the 10th and 11th of November with Acadia and S.M.U. Hopefully, exhibition games will be scheduled before that time.

It would seem that, with mainly inexperienced teams playing for UPEI this Fall that the Booster Club should be concerned but that august body seems to have retired into an early

hibernation or senility. It was organized, with high hopes, a few seasons ago and, for a while, was

a lively body that maintained interest in sports here. For some reason we have heard nothing of it for months. Could we ask it to bestir itself????? Barkis is willing.

## JOYRIDERS RIDING

Organizations providing riding for the disabled have been operating in Europe for several decades and in North America for several years. The idea is to give exercise to the physically and mentally handicapped, exercise they would not otherwise get. Now such a program is in operation near Charlottetown and you can get involved.

The Joyriders Therapeutic Riding Association of P.E.I. needs volunteers to assist in its riding programme.

LOCATION: Woodmere Stables (indoor arena) Marshfield.

(Take St. Peter's Road out of town to Marshfield. Stables are 1/2 mile past Irving Station on left hand side, on old road just off main highway.) Lifts can probably be arranged for those on foot.

DATES: Commencing Saturday, September 29, 1979 through to Saturday, December 8, 1979. (No classes Thanksgiving weekend, Sat. October 6.)

TIMES: Lessons are 10 A.M. and 11 A.M. each Saturday.

WHAT YOU DO: Assistants are needed (a) to lead horses (must have experience in handling horses); (b) to assist riders to mount and dismount and to walk beside horse during lesson to give physical and moral support to rider as needed.

HOW MANY PEOPLE? From 4 to 6 riders will participate in each lesson. Each rider requires an average of 3 assistants (1 to lead horse, 2 to support rider.)

COMMITMENT: If anyone is interested in volunteering for a most worthwhile and interesting experience, they are asked to commit themselves to certain dates and times so roster can be made up. No "maybes" please.

Contact the instructor, Daphne Harker at 892-3790 (work) for further information and/or to volunteer.

### RED CROSS BLOOD DONOR CLINIC

Give the gift of life!

On Wednesday, October 3rd, from 3:00 to 6:00 in UPEI Gym a Blood Donor Clinic will be held. Our quota is 200+ donors, so roll up your sleeve, and give!

WEDNESDAY, OCTOBER 3

UPEI GYM - 3:00 - 6:00
