"You're wise. And you need no endorsers—just your signature"

Financing through Traders is quite the easiest way to buy a new car. There's no red tape anywhere down the line. You select your car and tell your Dealer you wish to buy it through Traders Finance Corporation. He arranges every detail of the plan for you.

CHECK THESE ADVANTAGES

- 1. Specialists in automobile financing for nearly 20 years; Traders has developed many plans which simplify buying-out-of-income. You choose the one that suits you best.
2. Traders provides the convenience of low monthly payments and liberal terms: If necessary, you can take as long as two years to pay on a new car.
3. Your Time Payment plan will include insurance coverage which is also paid for in instalments. It protects you against fire, theft and other hazards—also deductible collision if you so desire.

ASK YOUR AUTOMOBILE DEALER ABOUT TRADERS' ECONOMICAL PLANS FOR NEW AND USED CARS.

With all their advantages, Traders Finance plans are economical. You can finance a 1938 or 1939 model used car at the same low rates as a new car. Traders' rate structure on other used cars is also exceptionally low. See your Dealer for more information on this easy method of buying one of his new or used cars.
