

# Student Union

Dear Fellow Student:

Hi there, my name is Tracey Arsenault and I am pleased to hold the position of Vice President Internal of the UPEI Student Union for 1991-1992.

As VP Internal, my main duties are overseeing the operations of the yearbook, CIMN, and the X-PRESS. In addition, I work closely with Student Services in conjunction with Student Union to ensure that all your needs as students are being met. In addition, I am responsible for recruiting volunteers for the Student Union. In this issue you will find a copy of our volunteer bank. Please take a couple of minutes to fill this out, whether you already are or would like to become involved with the SU.

During the next few months, one of my goals is to make you familiar with your Student Union, what it does for you and how you can get involved. I'm currently brainstorming ways to get all this information out to you guys and I'll keep you posted on my progress.

I'll sign off now by inviting you down to the Barn to discuss any concerns you may have. In addition to the above duties I mentioned, I also keep the flow of communications going between the student body and the Union. So, please, if you have any questions please feel free to call me, at 566-0670. Remember, it's your Student Union and you can help make it work!!!!

I'm outta here.....

Later,

Tracey Arsenault, VPI

Attention all Frosh:

I'm trying to get together a list of all people who participated in FROSH Week, but did not yet receive a T-shirt. If you have not already contacted me, please do so by Thursday October 9th. My number at the Barn is 566 0670 -- if I'm not there, please leave a message with your name and phone number.

Thank you!

## SUB-ORGANIZATIONS AND SOCIETIES !!! ATTENTION: All Society Heads

There will be a meeting for the sub-organizations on Tuesday Oct. 8th at 7:30 pm at the barn. This will be the only opportunity for these societies to be exposed to what services are at their disposal. Representatives from DJ Sound Services, live bands and clothing companies will be present to show you what they have to offer. This will be a great opportunity for you to see who you can use for your pubs as well as for society clothing. Don't miss it.

P.S. Remember to bring back your updated society registration form.
