IN MEMORIAM
IRVING - In loving memory of our dear brother, Wilfred Irving, who passed away April 2, 1960.

There is someone who misses you sadly
 And finds the time long since you went
 There is someone who thinks of you daily
 And tries to be brave and content.
 Though the tears in our eyes do not
 still glaze
 And our face is not always sad
 And there is a night or morning
 But we had all the world to give
 We would give it, yes, and more
 To hear his voice, see his smile
 And greet him with our arms
 That grief can call it's own.
 As each long week passes
 there
 Please God, just let us know
 That we are here to see you
 We love and miss him so.

SHIP FAMOUS IN EXPOSING IS SUGGESTED AS MUSEUM
 A three-man committee of the Dartmouth Museum Society and the former Dartmouth Shipyard, N.S., in 1932 and in here in 1953. It is believed Dartmouth might be able to get her for \$50,000. Much of the building could be done by volunteers. The Halifax Shipyard has a already agreed to dock her to determine what repairs are necessary. As a museum, she probably would be fixed permanently alongside to prevent her rising and falling with the tide of the sea. The ship was built with Australian iron, the toughest wood known, once was called the "stoutest ship ever built".
