Polish Doctor Arrives At Borden

Dr. Stanislaw Hellmich accompanied by his wife, and baby daughter, Krystyna Irena and Mrs. Hellmich's mother, Mrs. Zofia Stenzel, all Polish citizens residing in England, arrived at Borden Friday evening from Montreal where they arrived on the "S.S. Ascania" from Liverpool England on May 1st.

They were met at Cape Tormentine by Mayor Willard Leard, as well as several members of the Town Council. Dr. Hellmich is going to reside in Borden where he is going to open an office and take up a general medical practice. On Saturday the doctor made a trip to Charlottetown, he was accompanied by Mayor Leard and Councillor A. P. Ceretti. While in the City they visited the Provincial Building where the doctor met the Premier, J. W. Jones, Hon. W. A. Matheson, Minister of Health and Welfare, and several others. Later on they called on His Worship Mayor MacDonald who gave the doctor a hearty welcome to the City.

Dr. Hellmich also visited the Polytechnic where he had an appointment with Dr. J. P. Lantz, Registrar, Prince Edward Island Medical Society. After getting through with his business Dr. Hellmich was shown through the new building much to his delight. On arriving back in Borden, the doctor was asked what he thought of Charlottetown. He replied that it was a nice little city, but what he was amazed at was the hospitality and friendliness of the distinguished gentlemen he had met while in the City, and he could say the same for the rest of the people he has met so far since he arrived at Borden. He said that he heard a lot about Canada but could not realize that the people could be so nice, and that he and his family will be glad to call this their future home.

KENTON, Middlesex, England—(CP) — Ronnie Sawyer, 14, and Terry Wisbey, 13, threw a bottle into the River Thames with their names and addresses inside. Some time later they received a letter from the finder in Egmond, Holland.
