

Local and Other Items.

Is this Indian Summer?

THE STORM SIGNAL was hoisted to-day.

MAYOR DAWSON has returned from the Upper Provinces.

HON. J. C. POPE, Minister of Marine and Fisheries, left for Ottawa this morning.

SEE "Shop-keepers" letter in reference to bogus silver coin in another column.

THE "M. A. Staff" arrived from Halifax to-day with a very small freight. She sails on return at six o'clock.

CHARLES MCCARTHY was the only appearance at the Stipendiary Magistrate's Court this forenoon. He was fined \$1 and costs or four days for being drunk and incapable.

JOB BEVAN appeared before R. R. Fitzgerald, Esq., J. P. for this Province, to answer charges of selling liquor without license on the 7th and on the 28th of September last. The charges were fully proven, and he was fined \$20 for each offence. Bevan was a week ago fined \$40 for similar offences.

MR. FRANK HURST, the gentlemanly agent who visited this city with the Academy of Music Company in July, arrived last evening. He announces that Grace Egerton, the celebrated actress, will visit this city next week and give two entertainments—Monday and Wednesday evenings. See advertisement.

W. D. STEWART sold by auction at Montague Bridge yesterday lots on the estate of Pierce Gaul, Esq., to the value of between \$5,000 and \$6,000. The sale is reported as an excellent one—some of the land realizing about \$100 an acre. Residents of the neighborhood, with Owen Connolly, Esq., of this city, were the principal purchasers.

MAJOR POLLARD'S battery of Artillery was yesterday inspected by Colonel J. H. Gray, D. A. G., at Victoria Park. The members of the Company appeared in their new uniform and went through their various exercises with unusual precision. At the close of the inspection, Col. Gray made a lengthy speech, in which he complimented the men of Major Pollard's Company on their fine, soldier-like appearance and the esprit de corps evidently existing among them.

SMALL-POX IN MONTREAL.—Few people have any idea of the extent of small-pox in the city of Montreal. The Star, speaking of a late report, says:—"Of these districts the second alone claims 50 per cent. of the total mortality of the nine, 607 deaths having occurred in it, and considerably more (360) than half of these deaths having been due to small-pox. The eighth district comes next in order, with 212 deaths, of which 127 were from small-pox. In fine, out of the whole 1,300 deaths, rightly speaking, 900 were caused by small-pox and diphtheria, diseases which are to be stamped out by proper sanitary precautions."

A NUMBER of gentlemen met at the "Rankin House" last evening for the purpose of organizing a Curling Club. The meeting was called to order, and after discussing the merits of the "roarin'" game, the Club was duly organized and called the "Caledonia Curling Club of Charlottetown." The following officers were elected:—

President—Mr. John Harper.
Vice-President—David Sterling, Esq.
Assistant Vice-President—Mr. John J. Davies.

Secretary-Treasurer—Mr. Alex. McKinnon.
Managing Committee—Messrs. Donald McKinnon, George Macleod, David Small, Frank D. Dent, and James McArthur.

The Club intend erecting a Rink at the West end of the city. We wish it every success.

THE Charlottetown Engineer Co., under command of Major Doherty, was on Monday inspected in the Drill Shed by Lieut. Colonel John Hamilton Gray, Deputy Adjutant General. This was the first inspection of the company in their new regimentals, and they presented an excellent front, a fact of which they were reminded and complimented on by Col. Gray. Said he "I envy Major Doherty his position, and were I a few years younger nothing would afford me greater pleasure than to command so fine a body of men." The Patriot says:—"He also mentioned that a few years previously the captain of the company had been sent to England to take part in the match at Wimbledon, and he congratulated them on the fact that one of themselves had earned a similar right. The men express themselves very much pleased with the kind words of encouragement and the generous praise given them by the Adjutant General."
