Thursday evening in the Presbyterian Church hall. Among those were the group, left to right, Seated, Pope MacMahon, Kin-kora; Mrs. Frank Cameron, Sum-

merside; secretary-treasurer of the course, Morris Casey, Kevin; Standing, Bob Schurman, Summerside, Class president and Eddie Clark, Lot 16.

Kensington WMS Meeting Held

The study, "Know Your Neighbors," dealing with the Immigrant in Canada, was conducted by Mrs. P. J. Kennedy, Mrs. J. L. Davison and Mrs. George Brookings at the May meeting of the Kensington United Church Auxiliary of the Woman's Missionary Society. It was found that many of the immigrants are city dwellers, and many operate their own enterprises. They have added to the economic resources by assisting in labor, and by being a market for consumer goods. They also contribute in a wide diversity of intellectual and cultural aspects. The church has a responsibility of friendship, helping them to find their place in the community and in breaking down prejudice. "Our Father Who Art in Heaven," was the theme of the worship period led by the president, Mrs. Alexander MacKay, assisted by Mrs. Harry Brown.

In the Bible study, "Discovering Neighborhood," it was found, based on the parables of Jesus, that our neighbor is any one whom we can help, and that there are no restrictions because there are no limitations to human need.

Miss Hattie Clark gave a comprehensive report of the P. E. I. Presbytery. There were 19 members present. Mrs. W. C. MacLeod reported \$97 from the Easter Thankoffering, and \$12.50 from the April offering. \$35.25 was received for the expense fund from a recent pantry sale, an amount of which will be used for the purchasing books for the library.

Plans were made for the affiliation service of the W.M.S., C.G.I.T., and Explorer groups on Sunday evening, May 17, and an invitation was accepted for the W.M.S. to attend the "Missionary Open Night" with the C.G.I.T., Tuxis and Explorer groups on Wednesday evening, May 20. A box of used clothing is to be packed on June 2. The community friendship report was as follows:

visits to homes 45, hospital one, four letters, 44 cards, 24 treats and one bouquet of flowers.

Mrs. Harold Laird reported that 11 books were read in April. The program for next meeting will include reports by the secretaries, and offering for the Temperance Federation. Mrs. Robert Carruthers was appointed to have the prayer for the Missionary Prayer partner. A legacy from the will of the late Mrs. Garnet Profit was gratefully acknowledged.

It was decided to quilt on Thursday, May 14, in preparation for the Overseas box. The meeting closed with the Mizpah benediction. BUR

BUCK MALES

TORONTO (CP)—The Toronto Transit Commission is going to install "bucket" seats in three new buses on an experimental basis. Commissioner Allan Lamport said the seats are designed to meet the objections of women who don't like being crowded by "bulky or ambitious males."

Spring's Employment Picture Is 'Sunnier'

By JOHN LeBLANC
Canadian Press Staff Writer
OTTAWA (CP) — Canada's springtime employment picture is sunnier than last year.

With the economy pickup up, the number of jobless in April was down while the total of those at work rose at a higher rate than usual.

The pickup, according to monthly government figures released Wednesday, extended from coast to coast.

At work: 5,664,000 at April 18, compared with 5,552,000 a month earlier and 5,537,000 a year before.

Jobless: 445,000 at April 18, against 525,000 in March and 522,000 in April, 1958.

With jobs but temporarily laid off: 22,000 in April, down 7,000 in the month and 10,000 in the year.

IMPROVEMENT CONTINUES
These bureau of statistics estimates—based on a sampling of 30,000 households—showed the third successive monthly brightening of the labor picture since the winter unemployment high of 538,000 in January.

Normally in Canada, cold weather unemployment rises until it hits the year's peak in March. This year, it started going down between January and February.

An early spring in many parts of the country lent impetus to the step-up. The government described the employment increase between March and April as "significantly greater" than normal for this time of year.

Along with the statistics bureau estimates, the government made public April 16 figures of National Employment Service showing 733,729 persons registered for jobs. This compared with 795,347 a month earlier and 811,719 in April, 1958.

INCLUDES JOB CHANGERS

The employment service figures are not regarded as a measure of absolute unemployment. They contain an inevitable proportion—never officially calculated—of persons shifting from one job to another.

Wednesday's estimated unemployment figures were spread this way among regions for April: Atlantic, 83,000; Quebec, 185,

000; Ontario, 111,000; Prairies, 35,000; British Columbia, 31,000. Regional totals for those with jobs: Atlantic, 459,000; Quebec, 1,532,000; Ontario, 2,139,000; Prairies, 1,021,000; B.C., 522,000. For unemployment, the estimated jobless consisted of 7.3 per cent of a labor force of 6,109,000 in April, compared with March's 8.6 per cent of a force of 6,077,000 and 8.6 per cent of the labor force of 6,059,000 in April, 1958.

Old Photos Are Sought

David Goodyear, curator of the Railway Historical Museum, High Falls, N.Y., has asked the assistance of Prince Edward Island people in procuring photographs of the former Prince Edward Island Railway, now owned by the CNR.

In a letter to the P.E.I. Travel Bureau Mr. Goodyear said the museum would welcome donations for its permanent, public visual education exhibitions. The donations will be credited to each individual or corporate source of origin.

Photos should be sent to Railway Historical Museum, Box 52-D, High Falls, N.Y.

48 Hour Service

Guest Speaker At Men's Ass'n.

The Men's Association of the Bedeque United Church, held their first supper meeting in the Church hall on Tuesday evening, May 19th. There was a good attendance, he C.G.T.I. group did the catering and provided a meal, for which they were cordially thanked, Rev. E. S. Weeks said grace. W. J. Reid presided.

Following the supper, a singing was led by Rev. G. A. Cowper-Smith, with Mr. John Havelga at the piano. The devotional period was also conducted by Mr. Cowper-Smith.

The guest speaker was Ross MacKenzie, Summerside. He was introduced by T. J. Inman. His address took the form of a travelogue. As a member of the "Y's Men's" club of Summerside, he gave an interesting and informative account of his trip to several places, including, Venezuela, Caracas and South America, last January.

The thanks of the gathering was voiced by Ralph Callbeck. The following officers were elected for 1959: President, W. J. Reid; vice-president, Ed-

ward Pearson; secretary, Fred Platts; treasurer, C. Melville Johnson. The meeting closed with the benediction, by Mr. Cowper-Smith.

W. A. MacDonald Is Laid To Rest

MONTAGUE — The death of William A. MacDonald of Panmure Island occurred at his home on Sunday, following a lengthy illness. He was a resident of Panmure Island his entire lifetime and for a number of years was lighthousekeeper there.

He leaves to mourn his wife, the former Margaret Steele of Gasperaux; two sons, Edwin at home and Louis in Saskatchewan; two daughters, Cecilia (Mrs. Edward Daley) St. Mary's Road and Nellie in Montreal. Also left to mourn is one brother, Joseph R. of Panmure Island and a number of grandchildren.

The funeral service was held from St. Paul's Roman Catholic Church, Sturgeon, Tuesday, with services being conducted by Rev. Andrew MacDonald, CSR, rector of St. Mary's College, Brockville, Ontario, who is a grandson of

the deceased. Present in the sanctuary were Rev. Finley Mullally parish priest and Rev. J.W. McCardie. Pallbearers were George Creed, Louis Jamieson, Peter Boudreau, J.W. Jamieson, Basil Lanihan and Andrew Campbell. Interment took place in the church cemetery.

WAS AP TELEGRAPHER

WARNER, N.H. (AP)—John A. Bates, 86, a retired Associated Press telegrapher who was born in Halifax, N.S., died in hospital Friday of a heart attack after a long illness. He worked for the AP in New York for 36 years until his retirement in 1938.

AIM HIGH... GO AIRCREW

If you are between the ages of 17 and 24... have at least junior matriculation... have the desire to fly... you can apply for Aircrew training in the RCAF.

To the qualified young man, the RCAF offers:

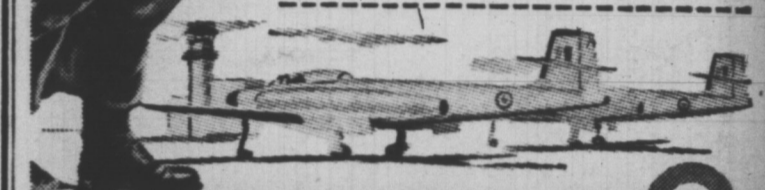

- ★ the Queen's Commission
- ★ the best flying instruction
- ★ the opportunity to develop executive and technical skills
- ★ excellent pay

New courses for Pilots and Observers are starting now. Get full information from your local RCAF career counsellor or fill in the coupon below and mail to:

CAREER COUNSELLOR
RCAF STATION SUMMERSIDE

Please mail to me, without obligation, full particulars regarding training, pay and other benefits for Aircrew in the RCAF.

A Statement Of Policy

Alan Holman
President
R. T. Holman Ltd.

Next week we'll be opening the new Holman's Foodland Supermarket on St. Peter's Rd. Holman's with over 100 years of service behind them, achieve an even greater degree of perfection in this newest of the new. Fascinating structural design on the shore of a sea of paved parking. Long, low lines converge to refresh and please as does the fragile beauty of spring's first flower affecting a winter weary eye.

Inside, stunning interior decor lends an atmosphere hardly attributable to a supermarket. Six complete departments utilize the industry's latest innovations to provide extensive variety and unexcelled shopping ease. Regardless of where the vision lingers, the reflection is a picture of magnificent quality.

You'll experience a pleasant surge of enthusiasm, perhaps in viewing the fabulous fare of our produce or it may occur when you pause for a look at our complete meat department. One thing for certain, something will have happened to the drab chore of food shopping.

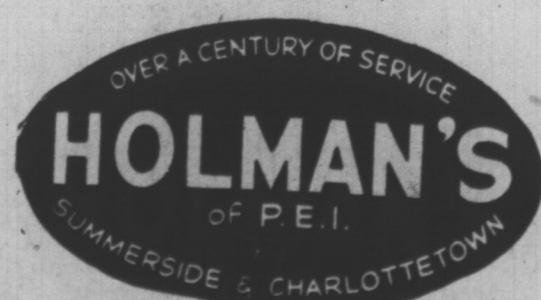

To all that's new, the people of Holman's add the contrast of something old—the courtesy and service exemplary for more than 100 years, to demonstrate our pleasure in serving you. It is our constant aim to safeguard your interests while satisfying your needs in the following ways.

1. TOP QUALITY — at Holman's Foodland you will find quality merchandise that will give you the best value for your money.
2. LOW PRICES — our policy of constantly pricing our merchandise, especially foods, at the lowest possible prices, will continue in the new Holman's Foodland Supermarket.
3. SANITATION—will be a constant watchword in our operation. Special emphasis has been made on this phase of our employee training program to ensure you of getting absolute purity in each and every one of your purchases at Holman's Foodland.
4. EXTRA SERVICE is provided by the many new features incorporated into the new Foodland Supermarket.
5. COURTESY to all by our entire staff is what you can expect and what you will receive; whether you come to buy or just look around.
6. GUARANTEED SATISFACTION—a tradition at Holman's for over 100 years and your assurance that all your purchases at Holman's Foodland must be satisfactory.

Won't you kindly accept our invitation? . . . Come, see us this week!

Thank You
ALAN HOLMAN
President.

What's most important in a DUMP TRUCK?

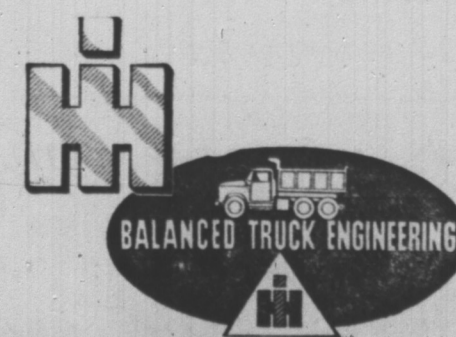

You may answer... "engine"... "transmission"... "rear axle"... "frame" or "body." And taken one by one, these are all important factors. But remember...

BALANCED Truck Engineering is the key to dependable truck performance

YOU'RE depending on the whole truck for long and profitable service. Only when all components are balanced can a truck do your job as it should. For example, engine power can be put to work efficiently only if the transmission, propeller shaft and rear axle are matched to the engine's capacity.

How can you be sure of getting balanced truck engineering? Your best plan is to buy your trucks from truck specialists. INTERNATIONAL engineers have long experience in solving the special problems of truck design. INTERNATIONAL sales representatives are trained to analyze your job and recommend the balance of components that will be ideally matched to your job.

Just as important, INTERNATIONAL truck specialists offer prompt and efficient truck service to keep your trucks on the job.
