

A Train's race with a Tornado.

From Mr. R. Schermerhorn, Pullman car conductor between this point and Kansas City, who came in yesterday, we glean the following account of a tornado he witnessed the evening before last, on the Kansas Pacific road.

He said the afternoon had been intensely sultry and hot, and as the train bowled along he noticed heavy banks of clouds gathering in the north. They grew blacker and more dense and rolled up in enormous proportions, obscuring the sky.

Suddenly a murmur, which increased into a roar, was heard, and at a distance over the prairie could be seen the destroyer at work.

Defeated by Canadian Indians.

HELENA, MONT., JULY 6.—News has been received from the North that troops under Col. Igles of Fort Assiniboine, out on a scout to drive back the British Crees, met the enemy this side of the line on Tuesday, and were defeated by the Indians, who greatly outnumbered the troops.

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882."

Dear Mother: My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the enclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Yours truly, W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely cured with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause me to bleed. My sufferings were great, and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882.

Yours gratefully, HIRAM SCROFULA

AYER'S SARSAPARILLA CURES Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blisters, Sores, Bolls, Tumors, and Eruptions of the Skin.
