DR. WILLIAMS' PINK PILLS
Make Rich, Red Blood.

Rich, Red Blood Makes Weak People Bright, Active and Strong

READ THE EVIDENCE OF THOSE WHO HAVE PROVED IT

PALE AND SALLOW GIRLS

If your daughter is pale, weak, "tired-out," troubled with headache, backache and pain in the side; if her development to womanhood is delayed, lose no time; use Dr. Williams' Pink Pills. They will assist her to develop properly and regularly, will enrich the blood, restore health's roses to the cheek, and danger of Consumption and premature death will be averted.

HEALTH FAILING—CURED.

Miss Eugenie Doiron, daughter of Capt. Gaspard Doiron, Chateau Richer, Que., says: "From my childhood I had been in delicate health, and during the past few years while studying hard to obtain my diploma as a teacher, my health assumed such a critical condition that my friends thought I was going into consumption. I was treated by several doctors and took great quantities of drugs, but received no benefit. One day a friend who had herself been in delicate health, and who was built up by the use of Dr. Williams' Pink Pills, advised me to try them. I at once got a supply, and from the time I began to take the second box I felt relief, and when I had finished the tenth box I was in better health than I had ever been in my life before. I therefore do not hesitate to declare—and I understand my responsibility in making such a declaration—that Dr. Williams' Pink Pills deserve the confidence of the public."

ST. VITUS' DANCE.

This trouble usually occurs in the young. Irregular and involuntary movement of the arms, legs or head. Languidness, trembling of the hands. Sometimes older persons have it. In either case the surest, speediest cure is Dr. Williams' Pink Pills.

A MOTHER'S THANKS.

Her Child suffered From St. Vitus Dance—Lost the Use of Her Right Side and Almost Lost the Power of Speech. Aylmer, Que., Gazette.

Of all the discoveries made in medicine in this great age of progress none have done more to alleviate human suffering than have Dr. Williams' Pink Pills. We suppose there is not a hamlet in this broad land in which the remarkable healing power of this favorite medicine has not been put to the test and proved triumphant. It is a great medicine and the good it has accomplished can only be faintly estimated. There are many in Aylmer who speak of Dr. Williams' Pink Pills in terms of praise, and among them is the family of Mr. Jo in Smith, the well-known blacksmith and wheelwright. Having heard that his daughter, Miss Minnie, had been cured of St. Vitus Dance by the use of these Pills, the Gazette

called upon Mr. Smith to learn the particulars. Upon mentioning the matter to him he expressed pleasure in making the facts public, and remarked that he thought Mrs. Smith could probably give the particulars better than himself. Mrs. Smith said that about a year ago Minnie was attacked with St. Vitus Dance, of a rather severe nature, and a number of other medicines were tried, but without any effect upon the trouble. An electric battery was also used, but had no beneficial effect. The trouble appeared to be getting more severe, and finally Minnie was obliged to discontinue going to school, having lost the power of her right side. Her speech was also so much affected it was with difficulty that she could be understood. She was out of school for about six months and all this time she was undergoing treatment, which, however, proved ineffective. One day Mrs. Smith saw in the Gazette the particulars of a case of St. Vitus Dance cured by the use of Dr. Williams' Pink Pills, and determined to try them with Minnie. By the time two boxes were used Mrs. Smith was sensible of a great improvement in her daughter's condition, and after the use of four more boxes was satisfied that Minnie was completely cured, as no symptoms of the trouble remained. This was more

than a year ago, and since that time there has not been the slightest recurrence of the dread disease. While Minnie was taking the pills her weight increased, and her general health was much improved.

DIABETES CURED.

Mr. Isaiah Gillard, Wales, Ont., writes:—"My niece, who has lived with me four years, suffered from troubles incident to girlhood and from what the doctors said was diabetes. In fact two doctors attended her for eight months and she was taking their prescriptions, but all the time getting weaker. We then decided to give Dr. Williams' Pink Pills a trial. When she began taking them her complexion was yellow, she was troubled with shortness of breath and seemed to have no blood and no relish for food. When she had completed the third box she was very much better, and when she had taken nine boxes her health was fully restored, and she is today as healthy a looking girl as you would wish to see. We have recommended Dr. Williams' Pink Pills to our acquaintances, and they are the most popular medicine in this section of the country."

IT IS RHEUMATISM.

Have you a severe pain in the joints or in the muscles? Is the pain aggravated by cold? Does it arise from exposure to cold or damp, or from a wetting? These signs indicate Rheumatism. It may develop into Rheumatic fever, or if not checked, may occur again and again every winter. Dr. Williams' Pink Pills have cured hundreds of sufferers.

Egypt and South Africa, and then with an honorable discharge he came to Canada and settled down in St. John, N. B. Rugged as his constitution was, it was not unaffected by the exposure incident to a soldier's life in Burman, the Sudan and the Transvaal, and it is no wonder that when he came to St. John about a year ago, he was attacked with rheumatism, which while it did not prevent him from earning a living, was the occasion of much discomfort and loss of sleep. He complained of pains in his limbs, swollen joints, palpitation of the heart, shortness of breath and great lassitude, which neither his doctor's prescription nor the patent medicines to which he resorted were able to remove. Under these circumstances he was induced to try Dr. Williams' Pink Pills, with the happiest results. All the disagreeable symptoms were removed and with a supply of Dr. Williams' Pink Pills, Mr. Noaks says he would not hesitate to re-enter Her Majesty's army in any part of the world if his services were required.

Miss Amina Kelly Tells of Her Illness and Subsequent Cure—A Statement That Should be Read by Every Girl in Canada.

Miss Amina Kelly, a well-known and much esteemed young lady living at Maplewood, N. B., writes:—"I consider it my duty to let you know what your wonderful medicine has done for me. In April, 1886, I began to lose flesh and color my appetite failed and on going upstairs I would be so tired I would have to rest. I continued in this condition for three months when I was taken suddenly ill and not able to go about. Our family doctor was called in and he pronounced my illness chlorosis (poverty of the blood). At first his treatment appeared to do me good, but only for a time, and I then began to grow worse. I continued taking his medicine for three months, when I was so discouraged at not regaining my health that I declined taking it any longer. I then tried a liquid medicine advertised to cure cases like mine, but did not obtain the slightest benefit. I had become terribly emaciated and weak. There was a constant terrible roaring noise in my head, my feet and ankles were swollen and I was as pale as a corpse. One day while in this condition my father brought home a box of Dr. Williams' Pink Pills and asked me to try them. In less than a week I could sit up, and in a couple of weeks I could walk quite a distance without being tired. My appetite returned, the roaring in my head ceased, I began to gain flesh and color, and before I had used a half dozen boxes I was as healthy as I ever had been in my life. My friends did not expect me to recover and are now rejoicing at the wonderful change Dr. Williams' Pink Pills have wrought in me. If my statement will be the means of helping some other discouraged sufferer you are at perfect liberty to publish it.

The above statement was sworn before me at Maplewood, York County, N. B., this 14th day of May, 1897. Timothy W. Smith, J. P.

KIDNEY TROUBLE.
Symptoms: Irritability of the bladder; frequent desire to urinate; scalding sensations; pain in the region of the kidneys; appetite variable; spirits depressed; sediment in the urine. These indicate Kidney Trouble, which is speedily cured by the use of Dr. Williams' Pink Pills.

KIDNEY TROUBLE CURED.

Mrs. Collin Campbell, who lives near Fort Stewart, says:—"I suffered very much from kidney trouble, which caused a severe pain in my back, making it very difficult for me to go about or attend to my household duties. I have read so much of the virtues of Dr. Williams' Pink Pills that I decided to give them a trial and by the time I had used three boxes I found the trouble had disappeared. I can recommend Dr. Williams' Pink Pills to anyone who is similarly affected."

The mental collapse of Secretary Sherman is a sad end of a great career. Mr. Sherman was a leader of the U. S. Senate in its best days, and time and again showed capacity of the highest order. He was for years in the list of possible presidents. He was even counted among those who, under ordinary conditions, are too big to succeed in the convention, and like others had to see less admittedly able men carry off the prize. His present failure is the penalty paid for trying to work too long. He is a figurehead in a great place when he should be taking the rest of a long public day.

Too Little Blood

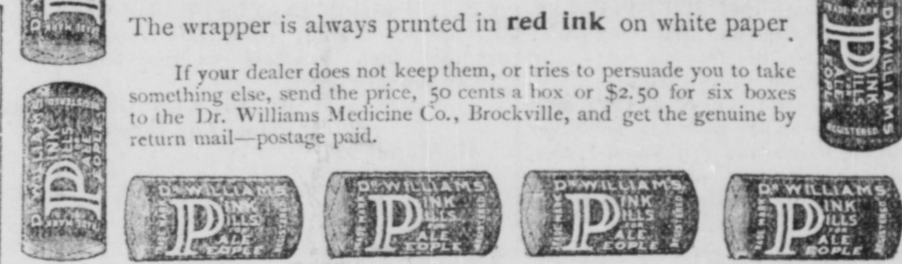

Too little blood! That is what makes men and women look pale, sallow and languid. That is what makes them drag along, always tired, never hungry, unable to digest their food, breathless and palpitating at the heart after slight exertion, so that it is a trouble to go up stairs. They are "Anæmic," doctors tell them; and that is Greek for having "too little blood." Are you like that?

Are your gums pale instead of being scarlet? Pull down your eyelid—Is the lining of it bloodshot and pale? That is where "too little blood" shows.

More anæmic people have been made strong, energetic, hungry, cheerful men and women by

Dr. Williams' Pink Pills for Pale People

than by any other means. They are the finest Tonic in the world; they have cured more people than any other medicine, but you must get the REAL Dr. Williams' Pink Pills, put up in packages just LIKE THIS

The wrapper is always printed in red ink on white paper. If your dealer does not keep them, or tries to persuade you to take something else, send the price, 50 cents a box or \$2.50 for six boxes to the Dr. Williams Medicine Co., Brockville, and get the genuine by return mail—postage paid.

A THANK OFFERING.

A Cergyman Writes on Behalf of Grateful People—Dr. Williams' Pink Pills Restored Their Health and They Wish Other Sufferers to Know It

The following letter written by the Rev. Wm. Lawson, Methodist minister

at Richibucto, N. B., attests in the strongest manner the merits of Dr. Williams' Pink Pills and at present of it will suggest why this great medicine is so popular in thousands of homes throughout the Dominion—it cures when other medicines fail. RICHIBUCTO, N. B., April 26, 1897. DEAR SIRS, I am glad to furnish you the following voluntarily given testimonial with the fullest permission, to give the names and place. They do this as a thank-offering to God and your medicine. Mrs Wm. Warman.

of Molus River (near here) says her son Alden was sickly from birth. He could hardly ever retain food, and his parents had but little hope that he would live long and the doctors who attended him were of the same opinion. Till seven years of age he continued in that condition. Then the use of Dr. Williams' Pink Pills was begun, and under them he recovered and is now a strong healthy boy. Mr. Warman, the boy's father, also adds his testimonial to the great value of Pink Pills, saying:—"I suffered for years with a bad back until I used Dr. Williams' Pink Pills, and they cured me." Miss Annie Warman adds this evidence with much enthusiasm and freedom. "I was weak and sickly, and did not know the blessing of good health till I took Dr. Williams' Pink Pills! I used eight boxes and have since enjoyed the best of health. In fact I am never sick now."

Here you have three members of a family restored to health by the use of your medicine, and you would almost covet their good health, and would largely result from such health. They wish you to freely use these facts to help other sufferers, and I am able of their pastor to certify to the facts above stated.

Wm. Lawson, Methodist Minister.
