Well, folks, that's the rough schedule for Carnival 78. There will be a number of changes and additions to it before we finish. There is a possibility of having fireworks for our opening ceremonies, but we have to check with the University, Security and the Fire Marshal yet.

We are also considering having a "pass" for the week. Anyone buying a

"pass" would be allowed into all events during the week. This pass would cost considerably less than tickets for each event would.

We haven't booked a movie yet for Sunday, the 22nd. If you have any suggestions, let us know.

The slogan for Carnival is going to be "There's No Business Like SNOW Business". The graphic design for our buttons and beer mugs will be drawn by next weekend and will probably appear in the next issue of the SUN.

There were a lot of good prizes last year. This year they are going to be even better. Prizes for the sports tournaments, the car rally, snow sculptures, chugging contests, races and so on will be posted in the Student Union Office and in the SUN after Christmas.

Application forms for the various teams will be available the week before Carnival. Advance Sale tickets will also start the week before Carnival. Each student must present his student I.D. and is allowed to buy at most two (2) tickets for each event. Passes will also be available at this time.

Some people have comments that we are writing these Winter Carnival articles

a long time before the carnival starts. The reason we are doing this is because there will only be two more issues of the SUN before Christmas and there will only be two issues of the SUN between the time we return from Christmas break and Winter Carnival week begins. We (the Committee) feel that we will have more time now than we will have after Christmas to write these articles.

There are still plenty of jobs if anyone wants to join the Committee. If you feel you have an idea, or if you want to see something else during Carnival, just let us know. Meetings are every Monday night, 6:00 p.m. in the Marian Hall Lounge. We would like any interested groups, societies, classes, etc., that would like to put on a skit or play in the Campus Cabaret to let us know as soon as possible.

The Committee needs all the help it can get. If you feel like working and joining in the fun, just let us know. I can be reached at 218 Marian Hall, the Student Union Office or at the SUN office on 4th Floor Main.
