ALL ABOARD! 1000 PASSENGERS FOR MORELL TEA.

The Century Jubilee Tea

—TO BE HELD—

AT MORELL,

—ON—

TUFSDAY JULY 4th, 1899.

Will be the coming social event of this closing year of the 19th Century

Here we are again, with the old name—The Great Jubilee Tea,—is it not like meeting an old friend with whome you once spent a pleasant and enjoyable day? Somebody has asked, what's in a name. We will not venture to answer that question as it regards names in general, but will meariy submit that this particular name, JUBILEE TEA in as it designates the great social gathering held at Morell is aguarantee of the highest excellence in all that pretains to tea-parties.

In cofirmation of this assurance we confidently appeal to the many thousands of persons from all over the province, who attended our first great Jubilee Tea in 1895.

It is because of the reputation for excellance acquired by our great Jubilee Teas, that we have retained the old name, and we will spare no efforts to make the present tea the peer in every respect of its namesakes, which have gone before it.

The Tea will be held on beautiful and spacious grounds ajorning Lot 40 station about 1 mile from the village of Morell, and and within easy reach of "Stookley" the historic site of the old Acadian town of St. Piere where social gatherings were held in the olden days, before our grandfathers were born. If you wish therefor to have the pleasure of attending the first, largest and best tea of the season, arrnge to be present at the CENTURY JUBILEE TEA to be held at Morell on July 4th. Should this day unfavorable the tea will be held the first fine day the following week. Train arraingements will appear in next issue
