Breadalbane and Vicinity

The Breadalbane Village school opened on Thursday under the management of the new teacher, Mr. MacAskill.

Miss Emily Britton of the Cundall Home, Charlottetown, was a recent visitor to Breadalbane.

Fortunately Breadalbane was little affected by the hurricane on Monday. Although the rain fall was extremely heavy, the only damage reported was the breaking down of some of the heavy grain.

Notwithstanding the heavy rain on Sunday afternoon the special service in Breadalbane United church was well attended. This service of song and praise was conducted by the Ralston Quartette and Mr. Elmer Farnell of Amherst, N. S.

Mrs. Charles Ross of Mettapan, Maine, spent the past week the guest of her sister and brother-in-law, Mr. and Mrs. Kenneth Graham, Breadalbane. Mrs. Ross is an annual visitor to her native province and her many friends are glad to welcome her back.

A great stillness prevailed over the village on Tuesday morning when the sound of trolley cars and diesel engines was no longer heard because of the recent C. N. R. strike. All hope that a settlement will soon be reached. The daily mail is being delivered by truck.

A large number of folk from Breadalbane attended the Provincial Exhibition in Charlottetown on Wednesday and Thursday. As usual they greatly enjoyed the various entertainments.

Grain

WINNIPEG, Aug. 27—(CP)—All grains were firmer on the Winnipeg Grain Exchange Saturday. Trading was dull.

Moderate shipper demand in oats and barley included shipping interests. Some American accounts entered into oats. Rye was mostly a local trade and it moved up in sympathy with the other grains.

Main factor affecting trade was the rail strike and the uncertainty of grain shipments.
