HEALTH RESTORED

By using Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound. THIS Balsam is composed of Liverwort and Hoarhound combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner and according strictly with rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balsam that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered. And COUGHS, COLDS, WHOOPING COUGH, CROUP, ASTHMA, INFLUENZA, SPITTING OF BLOOD, BRONCHIAL COMPLAINTS, AND ALL DISEASES OF THE THROAT AND AFFECTIONS OF THE LUNGS, and those dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT, it is unrivalled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements, and it now has the confidence, and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs, to this article, and to PUBLIC SPEAKERS who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence use MRS. GARDNER'S INDIAN BALSAM OF LIVERWORT AND HOARHOUND. It is an excellent remedy for BOWEL COMPLAINTS, although we do not claim for it such high encomiums as some others claim for their preparations, particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favor of this medicine, from men of high standing, and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community who have been cured or otherwise benefited by the use of this Balsam. Messrs WEEKS & FOTTER, 154 Washington Street, Boston are Proprietors, and for sale by all Druggists. Be sure and ask for Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound, and take no other, for there are numbers of spurious articles in the market. The genuine has a blue wrapper and red label round each bottle. Oct. 19,

A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.

Seventy Engravings. Price 1s. through all Booksellers, or post free from the Author for 14 postage stamps. THE MEDICAL ADVISER on decay, both mental and physical, arising from excess, infection, elumate, &c.; remarks on the use of the Microscope, and the devices certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications; rules for self-treatment, &c. By WALTER DE ROOS, M. D., of the Ecole de Medicine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., 10, Berners-street, Oxford-street, London. Hours for personal consultation daily from 1 till 4, Sunday excepted.

Sold in Halifax by Berry, 162, Great British street; Edinburgh, Robinson, 11, Green-side-st; Glasgow, Love, Bookseller, and by all the Agents. From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, opium, sarsaparilla, &c., have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration. Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

THE GREAT EUROPEAN REMEDY FOR NERVOUSNESS, RELAXATION AND EXHAUSTION.

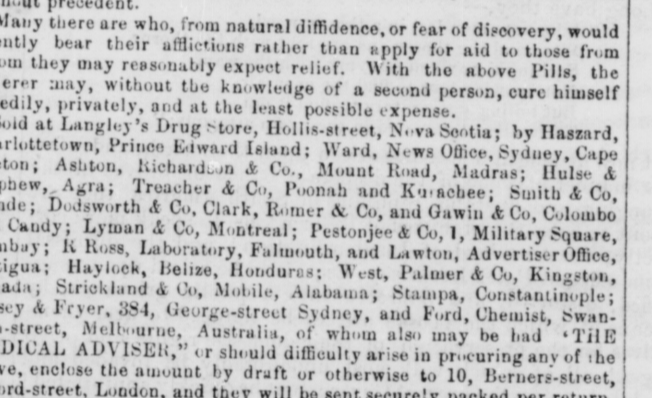

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine. DR. DE ROOS' GUTTS VITÆ, or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all these diseases for which mercury, sarsaparilla, &c., are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when every thing else had failed, and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men. Price 11s. and four times the quantity at 33s. per bottle, of the Agents below. The £3 packages containing twelve 11s quantities, (by which £1 12s are sent from the establishment only, on receipt of the amount per draft on a London house or otherwise.) CAUTION—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "WALTER DE ROOS, LONDON," are printed in White letters on the Stamp affixed to the above, by order of Her Majesty's Honourable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

PAINS IN THE BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, DISEASE OF THE KIDNEYS AND BLADDER, STRICTURE, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known and speedy remedy for the above dangerous complaints, Discharges and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure in most cases, and all such dangerous medicines have utterly failed. 2s 9d, 4s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners-street, Oxford-street, London. The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are who, from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may, without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense. Sold at Langley's Drug-store, Hollis-street, Nova Scotia; by Hazard, Charlottetown; Prince Edward Island; Ward, News Office, Sydney, Cape Breton; Ashby, Richardson & Co., Mount Road, Madras; Hulce & Newson, Agra; Troncher & Co., Calcutta; Smith & Co., Seindie; Dodsworth & Co., Clark, Romer & Co., and Gawn & Co., Calcutta and Candy; Lyman & Co., Montreal; Pestonjee & Co., 1, Military Square, Bombay; K. Ross, Laboratory, Falmouth, and Lawton, Advertiser Office, Antigua; H. Haycock, Belize, Honduras; West, Palmer & Co., Kingston, Canada; Siskel & Co., Mobile, Alabama; Stampa, Constantinople; Paisley & Fryer, 384, George-street Sydney, and Ford, Chemist, Swanston-street, Melbourne, Australia; which may be had "THE MEDICAL ADVISER," or should difficulty arise in procuring any of the above, enclose the amount by draft or otherwise to 10, Berners-street, Oxford-street, London, and they will be sent securely packed per return. June 7, 1858.

No such word as Fail. A resistless Remedy.

HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK. The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption; which underlie the external evidence of disease, and neutralize the fiery elements which lead and exacerbate the malady. RHEUMATISM, SCROFULA, ERYSIPELAS. These are among the most terrible and agonizing diseases, yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antiseptic to pain and inflammation. KING'S EVIL, FEVER SORES, STIFF JOINTS. In cases of King's Evil where medicinal waters, lotions, and every receipt of the pharmacopœia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heat quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful. DISCHARGING ULCERS. A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured. A WORD TO MOTHERS. The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the enured sores which sometimes disfigure the heads and faces of children. SIGNIFICANT FACTS. This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scrofulic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes. ULCERS, SORES, AND TUMORS. The effect of this unrivalled external remedy upon Scrofula and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterwards complete are safe as well as permanent. WOUNDS, BRUISES, BURNS, AND SCALDS. In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints and contraction of the sinews, its employment has been warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it. Both the Ointment and Pills should be used in the following cases— Bad legs Chigo foot Fistulas Sore throats Bad Breasts Chibbains Gout Skin disease Burns Chapped hands Glandular Swellings Scurvy Bunions Corns (Soft) Lumbago Sore-heads Bite of Mosquitoes Cancer Files Tumours Chetoes and Contracted Rheumatism Ulcers Sand Flies Stiff Joints Scalds Wounds Coco-bay Elephantiasis Sore Nipples Yaws.

Sold at the Establishments of Professor Holloway, 244 Strand, (near Temple Bar) London, and 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines throughout the civilized world at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

AYER'S CHERRY PECTORAL.

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness. BRIMFIELD, MASS., 20th Dec., 1855. DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. E. R. KNIGHT, M. D.

A. B. MORTLEY, Esq., of Urica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put into the world. I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy." Croup, Whooping Cough, Influenza. BRIMFIELD, MASS., Feb. 7, 1856. BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South, admire your skill, and commend your medicine to our people. HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTBERRY, IA., writes, 30 Jan., 1856: "I had a tedious Influenza, which cost me in doctor's fees six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we have any, and we esteem you, Doctor, and your remedies, as the poor man's friend." Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, PA., Feb. 4, 1856. SIR: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, which in some cases has lasted forty years. In the South, we are in great want of such a remedy. HENRY L. PARKS, Merchant.

A. A. RANSBY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years, I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable. We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial. Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even those the Cherry Pectoral affords relief and comfort. ASTOR HOUSE, NEW YORK CITY, March 5, 1856. DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you that your Cherry Pectoral has done for my wife. She had been five months laboring under the distressing symptoms of Consumption, from which no all would procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have some friends, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not so strong as she used to be, but is free from her cough, and calls herself well. Yours with gratitude and regard, G. H. W. SHELLEY, OF SHELLEYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by a chemist of the highest talents in the world, and its cures all around us bespeak the high merits of its virtues.—Philadelphia Ledger. Ayer's Cathartic Pills. THE sciences of Chemistry and Medicine have perfected their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they will be preceded upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the skill of the most eminent physicians. They produce powerful effects, they are at the same time, in themselves, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of high position and character as to the best of human skill. While they produce powerful effects, they are at the same time, in themselves, the safest and best physic that can be employed for children. Do not be put off by unprincipled dealers with some other pill that make more profit on a box of Ayer's Pills, and take nothing else. No other they give you compares with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it. Prepared by Dr. J. C.
