The Liverpool and London FIRE AND LIFE INSURANCE COMPANY.

THE Agent for the above first class English Fire Insurance Company begs to call the attention of the public to the advantages offered by this Company, in respect to the security to the assured, and promptness to pay losses, which, without disparaging other Companies, may be safely asserted to be superior to those afforded by any other Company in the Island. The Liverpool and London F. & L. Insurance Company has been in successful operation since 1836, with agencies all over the world, and has paid in losses about two millions and a quarter sterling. Its subscribed capital is £2,000,000 sterling, and its invested funds alone amount to £1,312,000 stg.; and the fire premiums for 1861 amount to £360,130 19s 9d; and in addition to this very large capital, the Company, having been established before the recent Limited Liability Act, the individual fortunes of each of the shareholders, comprising some of the wealthiest merchants in Liverpool and London, are liable for the losses, should the whole of the capital be swept away. In this respect it differs, it is believed, from any other Company established here.

And lastly, the Agent being appointed by Power of Attorney directly from England, is authorised to draw Bills the moment a loss occurs, and without referring to the Home Company, to the extent of one thousand pounds sterling.

With these superior advantages, the Company is not disposed (though it might be well justified) to ask a higher rate of premium than other English Companies, which do not present the same advantageous features, and the Agent has been advised that an uniform rate has been agreed upon by the Directors of this Company and the "Queen's," and that the Agents here should, in this respect, "act in concert."

Agent of the Liverpool and London

[EXTRACTS FROM NEWSPAPERS.]

On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567, being upwards of £1000 more than paid by any other office ever yet established in this City.

[From Gore's General Advertiser, Oct. 24, 1861.]
"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement, we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."

[From the Civil Service Gazette, Nov. 2, 1861.]
"Among these important institutions stands eminent for its solidity, as well as for its success, 'the Queen Insurance Company,' which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained; and it attests at once the excellence of its management, and the public confidence in its constitution."

[From the Liverpool Mercury, Nov. 2, 1861.]
"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met, testifies to their financial ability and the care and prudence which marked the investment of these funds."

The Wonder of all Nations!
THE MARCH OF INTELLECT FOR SPRING 1863!!
From the World's Fair.

THE best chance ever offered to the Farmers of P. E. Island, by which Time, Labour and Money are saved, the grand secret to us all, and can now be effected by getting one of those latest wonderfully improved

MANNY'S PATENT
Gold & Silver Prized Medal
Mowing & Reaping Machines,
WITH
Steel-lined Guard Finger Plate,

tempered same as the Knives, and is attached to the finger by a NEW PATENT PROCESS, thus making an entire new cutting face, with Horse Yokes and Swingle Trees, not in former machines, makes them now more valuable to farmers than any of the Gold Mines throughout the world, and are now warranted to cut one acre of Hay or Grain each hour, at one shillings cost, by forming a Club of five, which will be a fifth less expense than the old fashioned Scythe cutting, proved so injurious to the constitution and so fatal to many farmers.

With those unsurpassed Machines any quantity of Seed can be sown in Spring at one time, and no fear for hands to cut it, when ripe, need be felt, and the Crops secured a month sooner, and the cost of the Club saved. The expense now reduced to the wages of one man for a month.

In proof of same, Mr. W. Hyde, West River, whose butter and cheese are so highly prized wherever they can be got, certifies he purchased one of those

Wonderful Money and Labour Saving Machines

in 1861; cut all his Hay and Grain, nearly a hundred acres, and cut his brothers' crop also with it, and then hired it out, by which he cleared half the price of the Machine same year, and is now free, and had the crops of both farms cut in addition.

This certificate is more satisfactory on the Island, as it can be relied on, than one hundred names from other places.

The above and the following first-class Farmers and Stock Masters can be referred to, some of whom have MANNY'S PATENT MACHINES in use for three or four years, and have proved much more durable and beneficial than they ever calculated on, and consider they are the greatest boon that can be conferred on their brother Farmers, Professional men, teachers, sea captains, widows, tradesmen, and all those whose time ought be more valuable than at such unprofitable and severe work as cutting hay and grain for the horses that are at rest, and ought to be at such employment, in place of white men and women toiling themselves to death to keep the horses alive, and at more than four times the cost:

THIS IS NOT KEEPING PACE WITH THE TIMES.

J. McInnis, "	Stewart & Owen, Shipbuilders,
R. Ings, China Point,	Hon. D. Beaton,
C. Vickerson, Vernon River,	Theo. DesBrisay, Esq.,

and forty-six others, who got those wonderful Machines that work like telegraph.

The demand is now so great, caused by the vast number of men killed in the war, and the order from Europe for 1800 of those invaluable money and labour saving Machines, with eighty-six more wanted last harvest that could not be finished in time, will now require all parties wanting those Machines to send the order to the Agent, or the Depot at Orwell, with as little delay as possible, to ensure having them in good time for harvest.

No payment will be demanded until the Fall of 1863 and 1864.

Farmers not up to the great benefit of levelling and rolling the land are strongly advised by all Agricultural Societies and chemists to try it, when it will be found to pay well for the little outlay and trouble. To encourage the experiment, two dozen field rollers can be had from the undersigned, if ordered soon, at COST, and 12 months given for payment.

VALUABLE
Freehold Properties
For Sale in Charlottetown.

THE subscriber is authorized, by Power of Attorney from the Proprietor, Mr. THOMAS WILLIAMS, of Auckland, New Zealand, to sell the following PROPERTIES, of which the two first are FREEHOLD and the third LEASEHOLD:—

First—The "OSBORNE HOUSE." This property is situated on the North side of Water-street, having a frontage thereon of forty-two feet, and running back eighty feet, being part of Town Lot No. 14, in the first hundred of Town Lots in Charlottetown. The Dwelling House is one of the most commodious and best finished in the City, with excellent Stable and Out-buildings, whilst its immediate vicinity to the Wharves, Bank, "Islander" office, Bonded Warehouse, Telegraph Office, and principal seats of business, renders it one of the most eligible business stands in the City. It is at present occupied under Lease, of which about three years only have to run, as an Hotel, for which it is admirably adapted.

Second—That pleasantly situated COTTAGE and OUT-BUILDINGS on the corner of Prince and Fitzroy Streets, opposite Holland Grove and the residence of Hon. Dr. Young, at present in the occupation of Mr. Hobs, Cabinet Maker. The land is a part of Town Lot No. 76, in the Fourth Hundred of Town Lots in Charlottetown, measuring seventy-two feet nine inches on the West side of Prince Street, and eighty-four feet on the South side of Fitzroy Street. The pleasant situation, and it being on the highest land, makes it one of the most desirable Properties for a private residence in the City.

Third—A VALUABLE LOT OF LEASEHOLD LAND on the South side of Water Street, on which it has a frontage of thirty-eight feet, running back sixty feet, between the properties of Robert Longworth, Esq., and Mr. Samuel Batt, and opposite the Osborne House and Bonded Warehouse. Has sufficient stone on it to build a Cellar Wall thirty feet front and sixty feet in length, eight feet high all round. This Property is held under Lease from the Estate of the late James Peake, with the privilege of purchase on the expiration of the lease in April, 1864, for the sum of £152 currency, and is a most eligible stand for any business.

If not previously disposed of by Private Sale, the whole of the above mentioned Properties will be sold by PUBLIC AUCTION, on the various premises, on TUESDAY, the 4th day of AUGUST next.

HEALTH AND CHEERFULNESS!
PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS.

The Exciting Cause of Sickness.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve, and integument. The stomach is its manufactory, the arteries and veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating both the secretions and the excretions.

The National Complaint.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable and dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy.

Sick Headache, with Loss of Appetite.

A certain cure for headache, loss of appetite and low spirits. These Pills may be taken without danger from wet or cold, and require no restraint from business or pleasure. They strengthen the stomach, and promote a healthy action of the liver, purifying the blood, cleansing the skin, bracing the nerves, and invigorating the system.

A Word to Females.

The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

Dropsical Swellings and Turn of Life.

This is the most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedy for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These *Pills are equally efficacious in all female complaints,* and obstructions at the dawn of womanhood.

Diseases of the Head and Heart.

Why are these diseases so fatal? The answer is self-evident—because the first disordered action is neglected, or the means for its rectification are misapplied. Neither need be the case at the present day, when these excellent Pills can be purchased everywhere, at a price which places them within the reach of everybody. No misapplication can occur if the printed directions are properly attended to, as they invariably address themselves to the seat of the affliction, without deranging those organs which are already acting healthily.

Holloway's Pills are the best purifiers, and therefore the surest preventives of serious maladies; of which, if they be already established, they then become the most unremitting extirpators.

Nervous Disorders.

Any derangement of these delicate organs affects disastrously both the body and the mind. To the nervous invalid Holloway's Pills are an article of vital necessity. They impart tone and vigour to the internal organs, and consequently to the nervous system, which pervades and connects them. Hence their marvellous cures of hysteria, low spirits, spasms, fits, headache, nervous twitchings, and other kindred complaints, which are all radically removed by the use of these invaluable Pills.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Female Irregularities	Scrofula, or King's Evil

Bilious Complaints	Fits	Stone & Gravel
Blotches on the Skin	Gout	Second'ry Symptoms

HUNNEWELL'S
TRIPLE REMEDIES.

THIS combination, under the study of the TRUE ANATOMY OF MEDICINE, now perfected in every department, placed at prices within reach of all, of all, and calling for special attention, are,

1st. The Universal Cough Remedy.

Which, without the slightest restraint upon its use every hour, and containing no ingredients to disturb the most delicate constitutions, becomes an enemy to all Throat and Lung Complaints, from that terror to children, WHOOPING COUGH, for which it is a certain relief, to OLD AGE with its infirmities, and by a timely application will not only check that blight on the *American climate,* CONSUMPTION, but rob the *grave of many of its early victims.*

For HOARSENESS so common to Public Speakers and Singers, it is without a parallel. For SORE THROAT, a certain cure.

Make it your *pocket companion* by day, and your *bedside* friend by night, using it whenever you please.

2d. The Celebrated Tolu Anodyne,

Which has drawn such loud praise from thousands who have tested its true character, and found it a sure and immediate relief for Neuralgia, Gout, Rheumatism, Tooth-ache, Ear-ache, Bowel Complaints, St. Vitus Dance, Bleeding at Lungs or Stomach, Distress in Chest after eating, and for all Nervous Complaints, to that chief of all causes of Disease, Depression of Spirits, and Insanity, the

"LOSS OF SLEEP."

For COMMON HEADACHE, NERVOUS OR CHRONIC HEADACHE, and VIOLENT SICK HEADACHE, it has no equal, to which I can give the most undoubted references, and to which special attention is asked.

For the Monthly Sufferings of Females, a perfect relief, while nature's after work is undisturbed. By its use, many a wreck to the nervous system and Chronic Female Complaints will be prevented.

3d. Hunnewell's Eclectic Pills.

Designed as the GREAT MERCURIAL SUBSTITUTE, and assistant to the work of the Tolu Anodyne, and Universal Cough Remedy, when cases to which they are adapted are aggravated by indigestion, Biliousness, &c., producing all the requirements of a gentle and thorough FAMILY PHYSIC, and coming in contact with the too common error of making a Pill Box of the Stomach, and producing by the number required for a dose such extremes, that the Stomach loses its balance entirely.

A single Pill at night, or one at night and morning, will in all cases produce a gentle and thorough cathartic. By taking a single pill every second or third night, and *following it regularly,* living on good and easily digested food, INDIGESTION, DYSPEPSIA, BILIOUSNESS, LOSS OF APPETITE, LIVER COMPLAINTS, &c., are permanently cured.

For WORMS they are a safe, speedy and permanent cure.

THE peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla,* that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S
CHERRY PECTORAL,
The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

MOFFAT'S LIFE PILLS
AND
PHŒNIX BITTERS.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibably proved that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and indulging them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither *Mercury* nor *Antimony* nor *Arsenic* nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual Costiveness with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudices of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; *Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Langour,* and *Melancholy,* which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucuous membrane.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence they have ever been found a certain remedy for the worst cases of *Gravel.*

Also *Worms,* by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and *Consumption,* by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases.

Scurvy, Ulcers and *Inveterate Sores,* by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and *Bad Complexions,* by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of *Salt Rheum,* and a striking improvement in the clearness of the skin. *Common Colds* and *Influenza* will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS, and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica.* He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints.

General Debility, LOSS OF APPETITE, AND DISEASES OF FEMALES—these medicines have been used with the most beneficial results in cases of this description:—KING'S EVIL and SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.
