ATLANTIC UNIVERSITIES' BLOOD DONOR COMPETITION

DO YOU KNOW that there is a very special Blood Donor Trophy up "for grabs" among the Atlantic Universities each year??

This Competition is conducted on the simple basis of the number of blood donations obtained each year in relation to the total student enrollment.

This coveted trophy of hand-crafted bird's eye maple, has been won by different Universities including the former St. Dunstan's on two occasions, Mount Allison, St. F.X., U.P.E.I. for 1970-71, and Nova Scotia Technical Institute for 1971-72.

This is "Centennial Year" in P.E.I.! Our goal for the Blood Donor Clinics at U.P.E.I. Gym on Tues., Oct. 16th from 7-9, and on Wed., the 17th from 10-12 noon and 2-4 is AT LEAST 360 units of blood! Let's assume our full responsibilities to provide this "MIRACLE FLUID" so urgently needed by so many by being either CONORS or BOOSTERS, go "Over the top" on our quota, and bring that ATLANTIC UNIVERSITY BLOOD DONOR TROPHY back to UPEI, as a "CENTENNIAL PROJECT"!

at THE BACKSIDE

The Backside in it's ever continuing effort to bring you more late-nite romance will shortly be adding to it's bag of sensual tricks by bringing you guitar singers, poet readings, possibly a well known jazz group and horses jumping through hogsheads of real fire. This Tuesday night, we feature the well known balladeer and sad-song singer, Paul Broadbent, direct from a couple of big weeks at Memorial Hall. So come and slow down and get those bodily juices flowing again - The Backside.

NAME IT...

Sir:

Since the prizes for the "Name the New Residence" Contest are so beneficial and educational we feel as an association of Home Ec. Students, that we should submit at least one entry. We propose that the new residence be called "The Arnold MacLean Memorial Residence".

Sincerely
Home Economics Students
