Mr. Linus Rossiter, Mr. Don Seaman, and Mr. Bloyce Andrew, all commercial travellers, were recent visitors in Montague and vicinity, calling on their regular customers.

The many friends of Mrs. William Thompson of Lower Montague will regret to learn that she is a patient in the King's County Hospital. All wish her a speedy recovery.

**"SYMPATHY EXTENDED"**—Deepest sympathy is being extended to the family of the late Mr. George Dixon, who passed away at the Souris Hospital, January 3rd at the age of 18 years. Although he had been in poor health for the past several months, his death came as a shock to his family and host of friends. His funeral was held from the home of his parents, Mr. and Mrs. Colin Dixon Saturday, Jan. 6th, and was one of the largest funerals ever held in that district.

**"RECEIVES SAD NEWS"**—Mr. James Hewitt of Lower Montague recently received the sad news of the death of his brother, Mr. Freeman Hewitt, of Amherst, N. S. Mr. Hewitt, who was 81 years of age, was born in Nova Scotia, but spent several years of his life in Lower Montague. He was the son of the late Mr. and Mrs. Robert Hewitt and had two brothers and four sisters. He was married twice and had a family of four. Funeral services were held in Amherst, and the remains placed in a vault until spring, when they will be removed to Lower Montague and buried in the cemetery there. The sympathy of the entire community is extended to the family in this time of bereavement.

**"LEGION AUXILIARY MEETS"**—The January meeting of the Ladies Auxiliary of the Canadian Legion, Montague branch, was held in the Legion Hall, Monday evening. The president, Mrs. Harry Higginbotham, presided. The meeting opened in regular form with the observance of one minute silence. The minutes of the last meeting were read by the secretary, Mrs. Archie Hickey, and approved as read. Several bills were read and it was moved and seconded that these bills be paid. Plans were discussed for holding a pantry sale at a later date. A committee was appointed to look after material for curtains for the newly decorated hall and bring in their report at the next meeting. Lunch was served by the president and Mrs. George Preece.

**"MURRAY RIVER HOME, SCHOOL ASS'N MEETS"**—The Murray River Home and School Association met in the Murray River School on Tuesday, Jan. 9th. Due to the absence of the president, Mrs. Malcolm MacKinnon presided and the meeting opened by calling the roll and was answered to by a New Year's resolution. Eight members were present. The minutes of the last meeting were read by Mrs. George O. Whiteway and approved as read. Mr. Lewis Herring, principal of Murray River School gave a short talk on having music taught in the school under the supervision of Miss Lucy Lumsden of Murray Harbour South. This was approved by the trustees. It was moved by Mrs. Royal White and seconded by Mrs. Reginald Johnston that the Home and School Association undertake the project of paying a share of the cost of this music. The motion was carried unanimously. It was decided to have a bean supper on Valentine evening. The program committee for the next meeting includes Mrs. Royal White, Mrs. Reginald Johnston, and Mr. Peter MacLean. It was planned as part of the program to have a discussion on the subject, "Today's Schools are Different," led by the supervisor of schools, Mr. Willard Brehaut. The meeting was then closed with the singing of the National Anthem.

**Memories Of Montague**

How are the folks at Montague? These nippy winter days? Are the children all out coasting? Have they bells upon their sleighs? For the bells to me in winter sound like music sweet and cheerful.  
 Do they coast upon the hillside? Like we did long, long ago. With our weight the crust would crumble. Then we'd tumble in the snow. Is the ice upon the river just as glib and shiny too? As in evenings when we'd gather there to skate an hour or two. Then we had no bright lit cabins shining out along the shore. But the moonlight was sufficient. For she kept her bright watch over Stars and moonlight seem to flicker. When the wind the snow flakes blew. But we knew they never differed. Always there above the snow. And do they cross the old Burnt Bridge? Just up a ways from Vessey's creek. Over which we often scampered. When for May flowers we would seek.  
 The bridge is gone for e'er you say? With the other land marks too? For something else is cleared away?  
 I am so sorry if that is true. Near the bridge a forge once stood. A dear old man was blacksmith Joe. I can see him at his anvil. As the sparks around him blow. When our horses needed shoeing. Quiet and contented they would stand. While blacksmith Joe would nail and trim.  
 The shiny shoes with kindly hand. Off he told us old, old stories. When the bellows he would blow. To arouse the dying embers. And bring to life their golden glow.  
 Off on Summer's lovely evenings. We could hear his anvil ringing. In the tree-tops close beside him. The sweetest bird choir in answer singing.  
 The forge is gone, birds have vanished. And blacksmith Joe has gone to rest. No more we'll hear his anvil ringing. The kindly blacksmith is with the best.

**Souris Hospital Auxiliary Hold January Meeting**

The regular monthly meeting of the Souris Hospital Ladies Auxiliary was held January 4th with seven members present. The meeting was presided over by the president, Mrs. A. J. Paquet. The minutes of the December meeting were read and approved. The treasurer reported a cash donation of ten dollars from Mrs. Leard. A bill of \$3.50 for a kettle was paid, and a cheque sent for the turkeys to the amount of sixteen dollars was still outstanding. The convener of the buying committee, Mrs. J. P. MacPhee, reported having received 2 bolts of sheeting. The electrox was taken to the hospital to test it. It was moved by Mrs. Kassner and seconded by Mrs. MacPhee that the electrox be purchased if it proved satisfactory to Miss Donahue. Miss Donahue asked for tablecloths for the staff dining-room, and stated that hospital gowns were needed. There being no further business the meeting adjourned.  
 The regular monthly meeting of the Souris Hospital Ladies Auxiliary was held on Thursday, December 6, 1950, with eight members present. The president, Mrs. Arthur Paquet, was in the chair. In the absence of Mrs. Kassner, Mrs. McQuaid was asked to act as secretary. The treasurer reported \$108.96 had been paid for supplies recently bought for the hospital. Mrs. R. C. MacLean moved that all other bills be paid, seconded by Mrs. Ella MacDonald.

 The meeting adjourned.

**GREYNA GREEN, Scotland, Jan. 16**—(AP)—Exactly 12,000 bottles of Scotch whisky went down the drain today when a truck crashed and overturned here. The cargo was en route to Liverpool for export.  
 The forge is gone, birds have vanished. And blacksmith Joe has gone to rest. No more we'll hear his anvil ringing. The kindly blacksmith is with the best.

**Georgetown and Vicinity**

With near the mid-way mark of January reached, our harbour is as ice-free as in mid summer. The S.S. Ulua, which piles from Sydney, N.S. to Georgetown and Montague, made a trip last week. Last January the 20th, the Georgetown-Lower Montague ferry made its final crossing of the season but from present indications it looks as if the January 26th record of 8 or 10 years standing, may possibly be broken.  
 Mr. J. W. Lavers, Captain H. Lavers, Mr. George White and Mr. Henry Perry motored to Charlottetown on Thursday night, where they attended the annual meeting of the Public Servants Association, held in the Supreme Court Chambers. Captain and Mrs. Bernard Batchelder and family left recently for Souris where they will reside for the winter. The Dominion Government dredge of which Mr. Batchelder is Captain, is laid up in Souris for the winter.  
 The famous zoo at London, England, had a record total of 3,013,000 visitors in 1950.
