Come on up to the THIRD FLOOR of the BARN

and the rest of our record spinning maniacs and spaced out cadets: U2 can be a DJ. (Pardon the pun, Bon.)

It's about time we explained our Top 25 countdown. It's not a random guessing routine, but rather a tabulation of what's been played by each artist daily. Your requests can influence this tabulation, so call us at 892-8980 or 566-0417.

A special welcome to our new advertising manager, Carl Doucette who is doing a fabulous job. Another big bug is sent out to all our new D.J.s. Sorry if you can't find a permanent spot right away, but we'll get you on the air somehow.

Visions of Hawaii are coming to mind. Stay tuned to 102.3 FM or 700 AM. Remember it's cold outside, so keep listening to the hot sounds of CIMN, YOUR BEST ALTERNATIVE.
