GRADE "A"

We don't like high prices any more than you do. They're bad for our business. To keep them out of our store, we keep our own costs way down low so that we can sell top quality foods at lower prices. That is why you see nothing but low prices all 'round your CO-OP SUPER MARKET - see nothing but low prices all along the register tape. More low prices naturally add up to much lower food bills for you.

RIGHT Off the FARM FRESHNESS
Here's the freshest news in good eating—sun-ripened produce from nearby farms and orchards—picked fresh... delivered fresh... sold fresh! That's the kind of fruits and vegetables you get at our produce counters. They're Nature's biggest values—and yours, too, at our low, low prices. Enjoy produce that's really fresh off the farm—really fresh on your table.
