lines of work do not have the conventional 9-to-5 working days. These wives must adjust themselves to the conditions of the wage earner, and you must learn to do it, too, unless you accept the alternative of a different job.

DEAR MISS DIX: I am 16 and recently met a boy who is handicapped and consequently has few friends. He lives in another state, but I wondered if I could write to him. I don't want to hurt his feelings, but I like him very much and want to be friend IRMA ANSWER: It would be a very fine gesture of friendship to write this boy. Make your letters very newsy, very friendly, humorous if possible and, above all, let no trace of sentimentality or incipient romance creep into them. Send him clippings of amusing or interesting things you read in the paper, cartoons you think will appeal to him, perhaps an unusual puzzle on which you could compare solutions.

The Preferred Milk for Babies

Here's milk with extra advantages for baby feeding. Milk in its safest, most digestible form — with vitamin D increased to 480 Units per pint, to help your precious baby grow straight and strong.

Carnation has proven its goodness in feeding millions of contented babies. It is prescribed by more doctors... recommended by more nurses... and chosen by more mothers... than all other brands combined. Ask your doctor about Carnation for your baby.

More Nourishing for Children, Too!

For ready digestibility and fine food values, continue giving Carnation to your children after bottle days are past. Mix Carnation with an equal amount of water, to use in making wonderfully delicious cream soups and creamed dishes and puddings — and for drinking. Use it undiluted on cereals and fruits and desserts.

Chief Engineer Of CNR Retires

MONTREAL, June 25 — Barton Wheelwright, one of the continent's leading railway construction engineers, is retiring on pension at the end of this month from the important position of chief engineer of the Canadian National Railways. His associates in the engineering department as well as officers of other departments at C.N.R. headquarters here, gathered in the board room to pay tribute to Mr. Wheelwright's outstanding career during the past 41 years. On their behalf, F. S. Dingle, vice-president in charge of operation, presented the retiring official with a purse, and flowers were sent to Mrs. Wheelwright.

NEW LONDON W. I.

The monthly meeting of New London W. I. was held on June 10 at the home of Mrs. Claude MacEwen and the meeting opened by singing the "Ode" followed by repeated the "Creed". Roll call was answered by eighteen members giving their birthplace and telling something interesting about it. The minutes of the last meeting were read, approved and signed and reports of committees followed. School committee reported usual articles needed.

Correspondence consisted of receipts from Lady Alexander Fund and a letter from Protestant Orphanage. Delegates to the annual convention were appointed as follows: Mrs. Don MacEwen, Miss Elva MacAllister and Mrs. Harold Mayhew.

It was decided to treat the school children to chocolate bars at the closing also to give the usual prizes. Program consisted of contests. New program committee will be Mrs. Fred MacEwen, and Mrs. James Cole and the next meeting is to be at the home of Mrs. Leigh MacEwen with roll call to be an article for a fishing pond. Collection amounted to 2.80. Meeting closed by singing the National Anthem and lunch was served by the hostess and committee in charge.

Barbara Brent's BUYS AND WHYS

MONTREAL, June 26th — Cool—cool—cool... and how lovely you look in your summer sheers. How wise you are, too, to give them the fashion-wise "finishing touch" of LIGHTNING SLIDE FASTENERS. Lightning Fasteners attach almost invisibly in the soft folds of your chiffons and organdies. What's more, they stay put. It's that famous automatic lock that does the trick! Lightning gives you a wide wonderful range of materials... Style No. 702 or seam-thin 222. So for that summer dress sheers—and ask for a Lightning Slide Fastener in one of these two styles.

Whether Your Favorite Salad is a crisp succulence of tossed greens, a hearty blend of nippy sheers and leftover meats or a salad like the one in the recipe below... you'll like it even better if flavoured with HEINZ VINEGARS—White, Cider or Malt. (Ask for them in the new bottles designed for cupboard convenience!)

TOMATO AND COTTAGE CHEESE SALAD Shred large head lettuce. Combine with bunch of watercress in salad bowl. Toss together with French Dressing made by combining 1 tsp. sugar, 1/2 tsp. paprika, 1/2 cup Heinz White Vinegar, 1/2 cup salad oil. Cover with 8 slices tomato topped with cottage cheese. Sprinkle with paprika. Serves 6.

Isn't It A Grand Feeling after working in the garden to find a cool, shady spot and relax with frosty glasses of iced tea... and Sunkist lemon wedges, too, of course. For the tangy, wide-awake flavour of SUNKIST CALIFORNIA LEMONS is at least half the joy of iced tea. I always keep a good supply of Sunkist lemons on hand. And cut them in thick, juicy wedges to put on the side of every glass of iced tea. They're flavour-perfect... plump, sun-ripened—the finest, juiciest lemons grown. Makes my mouth water just to think of their lusciousness! Ask your grocer for lemons tomorrow — and be sure they're Sunkist Lemons for just the right, real flavour you want for iced tea.

It's No Fun to suffer the agonies of painful corns. That's why Phenylum is such a good new. Phenylum is the new wonder-working ingredient in BLUE-JAY Corn and Callus Plasters which believe me, it does work wonders to give relief from corns and calluses! It took ten years of scientific research by Blue-Jay to develop Phenylum. And now they've perfected it to the point where it works 33% faster and is effective in 95% of the cases tested. I can vouch for its effectiveness, too. No more worries about corns or calluses... I just rely on Blue-Jay Corn Plasters with Phenylum to keep my feet happy—always.

Enjoy Each Shining Hour of your vacation... don't let your days be spoiled because you're not feeling just right and the only cloud on the horizon is y-o-u. A glass of sparkling, pleasant-tasting SAL Hepatica before breakfast will make the whole world look sunny. And if hubby's feeling lousy, too—give him a glass of refreshing Sal Hepatica. Sal Hepatica effervescent salts are pleasant to take—gentle as can be. You can count on them to keep you feeling "Just fine, thanks!" and in a holiday mood. Next time you're shopping, ask for a jar of Sal Hepatica—the faithful family laxative for over 60 years.

"I've Been Doing It For Years," Mrs. Jones said, "but it never ceases to amaze me the way jams and jellies set so perfectly when I use CERTO Fruit Pectin. And it's so simple, Mrs. Jones! All you do is follow the instructions in the booklet under the label of every Certo bottle. The Certo way saves you up to 2/3 the time of the former long boil method... and you'll find you get up to 50% more jam or jelly from the same amount of fruit. And all of your jams and jellies will be beautiful of the true tangy flavour and the rich colour of the delicious fresh fruit. "Yes indeed," said Mrs. Jones, "I wouldn't dream of taking a chance on wasting time and money. Certo makes jam and jelly results certain."

Delicious From Dawn To Dark... that's you after one minute with wonderful WOODBURY DREAM STUFF—the new "one-minute" make-up. Ever look limp at lunchtime?—wilted at four? One minute with Dream Stuff does a complete make-up job and you're fresh as a daisy again! You see, Woodbury Dream Stuff is foundation-tint-and-powder in one dainty cake. Just smoo-th it on with a glide of the puff. It's light and velvety—never cakes—never drying nor greasy on your skin... and never, never spills. Complete with puff in a pretty purse-size pack... ask for Dream Stuff (your choice of five dreamy shades)—just 75c—or in the new luxury plastic compact—\$1.00.

VALUABLE DISCOVERIES NEW DELHI—(CP)—Ancient tombs which are expected to throw considerable light on inhabitants of South India more than 2,000 years ago have been discovered by a survey party about 50 miles from Madras. Fine coffins and urns made of clay were unearthed with many iron implements.

SOUTHERN ALPS The 12,349-foot Mount Cook in the southern Alps is the highest peak in the mountainous South Islands of New Zealand.
